

BATMAN BEGINS

By

DAVID GOYER

BLACK. A low KEENING which becomes SCREECHING that BUILDS and BUILDS until- RED flickers through black as the screen BURSTS into life: Clouds of REELING BATS silhouetted against a blood red sky, bolting away from camera, MASSING in the sky... FORMING a density the shape of an enormous BAT-LIKE SYMBOL. More BATS mass, swamping the symbol, DARKENING the screen to- BLACK. Distant children's LAUGHTER which comes closer as- SUNLIGHT flickers through black. Sunlight through trees running through a SUMMER GARDEN. A BOY. Chasing a GIRL. The Boy reaches a Victorian GREENHOUSE. Stands in the doorway catching his breath. This is Bruce Wayne, aged 8, and we are-

1 EXT. GARDENS, WAYNE MANOR -- DAY 1

YOUNG BRUCE peers down rows of plants on long trestle tables.

YOUNG BRUCE
Rachel?

No response. Sunlight streams through wrought iron and glass. Young Bruce advances, cautious. He is GRABBED from behind and pulled under a table by a young girl, aged 10. This is RACHEL. She puts her hand over Young Bruce's mouth.

FEMALE VOICE (O.S.)
Rachel?! Master Bruce?!

A woman STRIDES past the windows: MRS.DODSON, Rachel's mother, housekeeper of Wayne Manor.

YOUNG BRUCE
(whispering)
What're you doing?!

RACHEL
(matter-of-fact)
Kidnapping you. They" pay a lot for
precious Brucie.

Young Bruce stares, wide-eyed. She SMILES. He relaxes. Young Bruce BOLTS out from under the trestle table - SPRINTS for the back door. Rachel TEARS after him.

2 EXT. DISUSED KITCHEN GARDEN, WAYNE MANOR -- CONTINUOUS 2

Young Bruce crouches in the mouth of a DISUSED WELL, peering over the stone wall at Rachel, who searches for him.

(CONTINUED)

RACHEL
Bruce, I can see you.

Young Bruce suppresses a giggle- the BOARDS beneath him GIVE WAY and he PLUMMETS into...

3 INT. OLD WELL -- CONTINUOUS 3

Young Bruce DROPS thirty feet- LANDS painfully on the rubble strewn bottom of the shaft.

4 EXT. KITCHEN GARDEN, WAYNE MANOR -- CONTINUOUS 4

Rachel, hearing, RUNS to the well.

RACHEL
BRUCE?!!

5 INT. OLD WELL -- CONTINUOUS 5

Young Bruce lifts his head from damp dirt and rocks, groaning.

6 EXT. KITCHEN GARDEN, WAYNE MANOR -- CONTINUOUS 6

Rachel SPRINTS towards the house.

RACHEL
MOM!! MISTER ALFRED!!

7 INT. OLD WELL -- CONTINUOUS 7

Young Bruce, in shock, groans. He hears SQUEALING- freezes, PEERING into the DARKNESS of an OPENING between rocks...

BATS EXPLODE from the darkness, filling the air. HE SCREAMSCURLS against their flapping, squawking, fluttering BLACKNESS.

A JOLT: OLDER GREEN EYES FLICK OPEN, WAKING... in DARKNESS. Filthy, sweating darkness... and we are in-

8 INT. BHUTANESE JAIL -- MORNING 8

The eyes belong to a bearded, weathered, young man's face. BRUCE WAYNE aged 28. An OLD ASIAN MAN sits staring at him.

OLD MAN
A dream?

WAYNE
A nightmare.

OLD MAN
Worse than this?

Their cell is a tin box. Light seeps through gaps in the roof. Shouts ECHO. Wayne shrugs.

9 EXT. PRISON COURTYARD -- LATER 9

Wayne and the Old Man line up for gruel. PRISONERS are scattered in small groups. All eyes on Wayne.

OLD MAN
They are going to fight you.

WAYNE
I fought them yesterday.

OLD MAN
They will fight you every day.
Until they kill you.

Wayne holds out his plate. Watches gruel dribbled onto it.

WAYNE
Can't they kill me *before*
breakfast?

Wayne turns from the table. His path is blocked by an ENORMOUS MAN, backed by six aggressive prisoners. The Enormous Man SMASHES his plate away.

ENORMOUS MAN
(broken English)
You are in hell, little man...

He PUNCHES Wayne- Wayne goes down hard.

ENORMOUS MAN (CONT'D)
...and I am the devil.

Wayne picks himself up. Dust himself off.

(CONTINUED)

WAYNE

You're not the devil...

The Enormous Man SWINGS again- Wayne CATCHES his fist, KICKS the big man's knee out an, as he goes down, BOOTS his face.

WAYNE (CONT'D)

...you're practice.

Six Prisoners RUSH Wayne all at once... Wayne fights skillfully and hard, FLIPPING one prisoner into another, KICKING as his arms are held... several Prisoners hit the deck before- GUNFIRE- two GUARDS break it up, shooting into the air... they GRAB Wayne.

GUARD

Solitary!

WAYNE

(indignant)

Why?

GUARD

For protection.

WAYNE

I don't need protection.

The Guard points angrily at the unconscious prisoners.

GUARD

Protection for them.

10

INT. SOLITARY, BHUTANESE JAIL -- MOMENTS LATER

10

Wayne is tossed into the dark cell. The door SLAMS.

VOICE (O.S.)

I often wonder at the riches to be found in dark places.

The voice is mellifluous. European. It comes from the shadows of a deep corner of the cell.

WAYNE

I thought the point of solitary confinement was the solitary part.

Wayne can make out the profile of a MAN seated in the corner.

(CONTINUED)

MAN

These men have mistaken you for a criminal, *Mr.Wayne...*

Wayne reacts to his name. The Man steps into the light: powerfully-built, distinguished, in a well-cut SUIT AND TIE.

WAYNE

Who are you?

MAN

My name is merely Ducard. But I speak for Ra's Al Ghul. Have you heard the name?

WAYNE

I've heard the legends...master warrior, international mercenary, feared by all the underworld... some even swear he's immortal.

DUCARD

(smiles)

Ra's Al Ghul uses theatricality and deception as powerful weapons.

Ducard approaches Wayne. Looks deep into his eyes.

DUCARD (CONT'D)

You have not escaped his notice- a man like you is here by choice... or because he is truly *lost*.

Wayne's eyes flick away from Ducard's penetrating gaze.

DUCARD (CONT'D)

Ra's Al Ghul and his League of Shadows offer a path to those that are capable of upholding our code.

WAYNE

Code? Aren't you criminals?

DUCARD

A criminal is simply a man that someone else thinks...

(gestures around them)

... should be put in jail.

Wayne nods, conceding the point.

(CONTINUED)

DUCARD (CONT'D)

This world is run by tyrants and corrupt bureaucrats. Our code respects only the natural order of things- we're not bound by their hypocrisy. Are you?

Ducard moves to the door. Knocks. It is opened by a guard.

DUCARD (CONT'D)

There is a rare flower- a blue doublebloomed poppy- that grows on the Eastern slopes. Tomorrow you will be released. Pick one of the flowers. If you can carry it to the top of the mountain, you may find what you are looking for.

WAYNE

And what am I looking for?

Ducard looks at Wayne with a glint in his eye.

DUCARD

Purpose.

The door slams shut leaving Wayne in DARKNESS...

11 INT. BOTTOM OF THE OLD WELL -- DAY (WAYNE'S MEMORY) 11

Silence. Young Bruce lies there, exhausted, weeping softly.

MALE VOICE

Bruce?

Young Bruce looks up: a FIGURE, long coat billowing, is lowered down the shaft... THOMAS WAYNE, Young Bruce's father.

12 EXT. GARDENS, WAYNE MANOR -- MOMENTS LATER 12

Thomas carries his son towards the house. At his side, a 50-year-old man in a somber suit calmly coils a rope: ALFRED.

ALFRED

Will we be needing an ambulance, Master Wayne?

THOMAS

We have everything I need to set the bone. I'll take him for x-rays later.

(CONTINUED)

ALFRED
Very good, sir.

They pass a tearful Rachel standing with her mother.

13 INT. HALL, WAYNE MANOR -- CONTINUOUS 13

Thomas carries Bruce up the main stairs. The house is vast and grand, but full of flowers and life. Bruce's Mother (MARTHA) appears at the landing, distraught.

THOMAS
(reassuring)
He'll be fine.

14 INT. BRUCE'S BEDROOM, WAYNE MANOR -- LATER 14

Alfred moves to the bedside. Looks down at Young Bruce.

ALFRED
Took quite a fall, didn't we?

Young Bruce looks up at Alfred. Manages a slight smile.

ALFRED
And why do we fall, Master Bruce?

Alfred reaches up to the curtains. Young Bruce says nothing.

ALFRED
So that we might better learn to
pick ourselves up.

Alfred smiles gently. PULLS the curtains shut, and we-

CUT TO:

An exquisite double-bloomed BLUE POPPY... and we are-

15 EXT. HIMALAYAN FOOTHILLS -- DAY 15

A field of the blue poppies. Wayne approaches. Picks one. Studies its brilliant blue in the cold sunshine.

16 EXT. TINY HAMLET, HIMALAYAS -- DAY 16

Wayne, exhausted, freezing, hungry, wanders up the street. As locals see him they head inside. DOORS SLAMMED, BOLTED.

CHILD (O.S.)
No one will help you.

Wayne turns to find a YOUNG CHILD STARING at him. The Child POINTS at the blue flower pinned to Wayne's chest. An OLD MAN appears at the Child's side.

WAYNE
(weak)
I need food.

OLD MAN
Then turn back.

Wayne looks at the Old Man. Then carries on up the mountain.

17 EXT. MOUNTAIN -- DAY 17

Wayne, struggles through DRIVING SNOW up an ICY RIDGE...

He clears the ridge, FLOPS down into the snow, Painfully raises his scarf-wrapped face to the cutting wind to see a MONASTERY perched on jagged rock.

18 EXT. HIMALAYAN FORTIFIED MONASTERY -- DAY 18

Wayne climbs up the steps to the VAST DOORS of the monastery. Unwraps a severely FROSTBITTEN FIST. POUNDS against the icecovered wood, knocks ECHOING deep within.

Nothing. Wayne lowers his forehead to the door, shoulders wracked by SOBS, pounding accelerating to a FRENZY.

A GRINDING noise from within. Wayne STOPS, straightens. The doors SWING OPEN to DARKNESS...

19 INT. GREAT HALL, MONASTERY -- CONTINUOUS 19

Wayne shuffles forward into a low-ceilinged wooden hall lit by flickering lamps. Hands trembling, Wayne pulls at brittle scarves. He STARTS as the doors THUD shut behind him.

At the far end, on a raised platform, sits a dark robed figure; RA'S AL GHUL. Wayne moves unsteadily towards him...

(CONTINUED)

WAYNE
(hoarse)
Ra's Al Ghul?

ARMED WARRIORS of various races emerge from the SHADOWS:
BOWS taut, SWORDS drawn... NINJAS. Wayne freezes.

DUCARD (O.S.)
Wait.

The Warriors hold. Wayne looks at the source of the command:
Ducard leans against a nearby pillar.

Wayne reaches into his layers of clothing. Pulls out the
DOUBLE-BLOOMED BLUE POPPY. Holds it out, shaking.

Ra's Al Ghul starts to speak in Urdu. Ducard TRANSLATES.

DUCARD
Fear has been your guide. But now
you must advance or fear will keep
you on your knees. We will help you
conquer your fear. In exchange you
will renounce the cities of man.
You will live in solitude. You will
be a member of the Leagues of
Shadows. And you will be without
fear.

Ducard takes the flower. Considers its delicate blue petals.

DUCARD (CONT'D)
Are you ready to begin?

Ducard threads the flower through the buttonhole of his
lapel. Wayne looks at Ducard, shaking with hunger and
fatigue.

WAYNE
Ready? I... I can barely-

Ducard KICKS him- Wayne Crashes to the floor.

DUCARD
Death does not wait for you to be
ready...

Wayne crawls, gasping. Ducard STRIKES him in the ribs.

DUCARD (CONT'D)
Death is not considerate, or fair.
And make no mistake- today, death
is your opponent.

(CONTINUED)

Ducard turns- WHIPS his leg in a fearsome roundhouse KICK aimed straight at Wayne's NECK-

-but Wayne BLOCKS the kick with a lateral movement of his forearm. He stares at Ducard, eyes BLAZING. Ducard SMILES.

Wayne RISES. Assumes a martial STANCE. Ducard STRIKES Wayne BLOCKS and PARRIES, driving his body through pain into a series of FLUID, SKILLED moves...

DUCARD (CONT'D)
Tiger Crane... Ju Jitsu...
(smiles)
Skilled. But this is not a dance-

Ducard GRAPPLES Wayne, BRAWLING, BITING, ENERGIZED, MESSY...

DUCARD (CONT'D)

Facing death you learn the truth... Ducard's head smashes Wayne's cheek- Wayne FALTERS-

DUCARD (CONT'D)
You are weak...

Ducard SMASHES him in the groin.

DUCARD (CONT'D)
You are alone...

Ducard SLAMS Wayne's chin, sends him DOWN HARD.

DUCARD (CONT'D)
And you are afraid...

Ducard crouches at Wayne's side. Looks into his glazed eyes.

DUCARD (CONT'D)
(curious)
But not of me.

Ducard pulls the flower from his lapel. Leans in close to replace it on Wayne's chest, his lips at Wayne's ear...

DUCARD (CONT'D)
Tell us, Wayne...

VIOLENT FLAPPING, SCREECHING BLACK RATS- swarming, chittering-

DUCARD (V.O.)
(whispers)
What do you fear?

Young Bruce's eyes OPEN, and we are-

20 INT. BRUCE'S BEDROOM, WAYNE MANOR -- DAWN (WAYNE'S MEMORY) 20

Young Bruce, breathing hard. Light cuts across the bedclothes. He looks to the door. Thomas is there.

THOMAS
(gentle)
The bats again?

Young Bruce nods. Thomas approaches. Sits on the bed.

THOMAS (CONT'D)
You know why they attacked you?
(off look)
They were afraid of you.

YOUNG BRUCE
Afraid of me?

THOMAS
You're a lot bigger than a bat,
aren't you? All creatures feel
fear.

YOUNG BRUCE
(smiles)
Even the scary ones?

Thomas smiles back, reaches into his dressing gown pocket.

THOMAS
Especially the scary ones.
(thinks)
Here, let me show you something-
(freeze)
But you can't tell anyone, right?

Young Bruce nods, eager. Thomas pulls out a long jewel case. He opens it: PEARLS glow in the half-light.

THOMAS (CONT'D)
For your mother.

Young Bruce GRINS. Thomas winks at him, SNAPS the case shut.

21 INT. ELEVATED TRAIN (MONORAIL) -- EVENING 21

Young Bruce watches the glory of Gotham glide past. His parents beside him, dressed up- Martha idly stroking her pearls. She smiles at Thomas.

YOUNG BRUCE
Did you build this train, Dad?

THOMAS
Your great-grandfather built the first trains in Gotham. The city's been good to our family- it was time to give something back...

Thomas draws a CIRCLE in the CONDENSATION on the window...

THOMAS (CONT'D)
A new public transportation system for the whole city...

Thomas draws SPOKES through the circle, creating a WHEEL. Thomas TAPS his diagram at the central HUB of the wheel, then points through the glass to a tall 1930's SKYSCRAPER.

THOMAS (CONT'D)
...and at the cent... Wayne Tower.

22 EXT. GOTHAM -- CONTINUOUS 22

The monorail train TURNS INWARDS on a "SPOKE"... SHOOTING towards the central station at the base of Wayne Tower.

23 INT. CONCOURSE, WAYNE STATION -- MOMENTS LATER 23

Young Bruce STARES at the MAGNIFICENT STATION. He looks up through the vaulted glass ceiling... WAYNE TOWER rises above... Rich ORCHESTRAL STRINGS rise, and we are-

24 INT. GOTHAM OPERA HOUSE -- LATER 24

A gilded house packed to the rafters for Boito's Mefistofle. Young Bruce seated between his parents, On stage: WITCHLIKE CREATURES cavort. DARK BIRDS on wires descend, FLAPPING.

Young Bruce STARES, uneasy, at their VIOLENT motions.

INSERT CUT: BATS EXPLODE FROM A DARK CREVICE.

Young Bruce starts breathing faster, STARES fixedly.

(CONTINUED)

SCREECHING, FLAPPING BLACK BATS SWARM ALL AROUND...

Young Bruce, gulping PANIC breaths, looks around for an exit- they're in the middle of a row. He GRABS his Dad's arm.

YOUNG BRUCE
(desperate whisper)
Can we go?!

Thomas stares at his son, confused. Martha looks over. Young Bruce looks at his father, PLEADING. Thomas nods. They make their way along the row, Thomas nodding apologies...

25

EXT. SIDE ALLEY, GOTHAM OPERA HOUSE -- CONTINUOUS

25

The Waynes emerge from a side exit. Martha crouches before Bruce, tries to meet his eyes. He stares down, ashamed.

MARTHA
Bruce, what's wrong?

THOMAS
He's fine.

Martha looks up. Thomas gives her a conspiratorial look.

THOMAS (CONT'D)
I just needed a bit of air. Bit of
opera goes a long way, right,
Bruce?

Young Bruce looks up at his Dad, who winks. Young Bruce smiles gratefully.

THOMAS (CONT'D)
Come one.

Thomas, coat over his arm, ushers his family down the dark alley, heading for the WELCOMING GLOW of the main boulevard.

A FIGURE emerges from the shadows in front of them. A MAN. With a GUN. Shifting uneasily.

MAN
Wallet, jewelry! Fast!

THOMAS
(calm tone)
That's fine, just take it easy.

(CONTINUED)

Thomas hands Young Bruce his coat, then reaches for his wallet. The Man JERKS the gun at Thomas, eyes DARTING. Young Bruce stares up at the gun TREMBLING in the Man's hand.

THOMAS (CONT'D)

Here you go.

The man GRABS at the wallet but FUMBLES it. It FALLS. The Man glances down at the wallet then back to Thomas, scared.

THOMAS (CONT'D)

(reassuring tone)

It's fine, it's fine...

The Man crouches for the wallet, eyes on Thomas.

THOMAS (CONT'D)

...just take it and go.

The Man feels for the wallet, looks at Martha. Her pearls.

MAN

I said jewelry!!

She starts pulling off her rings. The Man JERKS the gun at her neck. Thomas STEPS protectively in front of his wife.

THOMAS

Hey, just-

BOOM. Young Bruce FLINCHES. Thomas looks down at his bleeding chest. Then back to the Man, saddened.

Thomas CRUMPLES. Martha SCREAMS. The Man REACHES for Martha's pearls- but she SCREAMS desperately for Thomas.

MARTHA

THOMAS!! THOMAS!!

MAN

Gimme the damn...

But Martha FLAILS, trying to grab her fallen husband.

The Man SHOOTS her. Then YANKS at her necklace, which BREAKS. Spilling PEARLS all over the asphalt.

The Man stands. Turns to Young Bruce. Who STARES at him. Uncomprehending. The Man cannot bear the boy's gaze...

And then he RUNS. Young Bruce looks at the bodies of his parents. DROPS to his knees, head down: PEARLS dot the asphalt beneath him. Some of them are bloody.

Young Bruce starts to SHIVER.

26 INT. POLICE STATION -- NIGHT

26

CHAOS: REPORTERS and COPS vying for a piece of the crime of the decade. In the Captain's office, Young Bruce. Bewildered, forgotten. Still clutching his father's overcoat.

MALE VOICE (O.S.)
Is that your father's?

Young Bruce looks up: a young beat cop stands over him- JIM GORDON (29). Gordon crouches, reaches for the coat. Young Bruce huddles over it, protective.

GORDON
(reassuring)
It's okay.

Gordon's tone prompts Young Bruce to trust him. Gordon takes the coat, DRAPES it gently across Young Bruce's shoulders.

MALE VOICE (O.S.)
GORDON! You gotta stick your nose
into everything!

Gordon turns to CAPTAIN LOEB, who glares at him.

CAPTAIN LOEB
Outta my sight.

Gordon NODS at Young Bruce, whose eyes wish Gordon would stay. Gordon leaves. Loeb turns to Young Bruce.

CAPTAIN LOEB (CONT'D)
Good news... we got him, son.

Young Bruce looks up at him dazed. Uncertain.

27 EXT. GROUNDS, WAYNE MANOR -- DAY

27

Snow falls over two open graves. MOURNERS disperse, guided by SECURITY GUARDS. Alfred stands with Young Bruce. A man approaches, EARLE (47). He nods at Alfred, crouching.

EARLE
(indicates Alfred)
You're in excellent hands, Bruce.
And we're minding the empire. When
you're all grown up, it'll be
waiting.

Young Bruce looks blankly at Earle.

28 EXT. WAYNE MANOR -- LATER 28

Mourners file towards the gates. Rachel walks with her mother. Looks up at Bruce's high window. Sees him watching. Waves. Young Bruce pauses, then returns the wave.

29 INT. BRUCE'S BEDROOM -- CONTINUOUS 29

Alfred enters. Looks tenderly at Young Bruce's back.

ALFRED
I thought I'd prepare a little
supper.

No response. Alfred turns.

ALFRED (CONT'D)
Very well.

YOUNG BRUCE (O.S.)
Alfred?

Alfred turns back. Young Bruce is looking at him with TEARS POURING down his cheeks. Alfred tilts his head.

ALFRED
(voice catching)
Master Bruce?

YOUNG BRUCE
It was my fault, Alfred.

Alfred's mouth opens.

YOUNG BRUCE (CONT'D)
I made them leave the theater-

ALFRED
Oh, no, no, no-

Alfred moves to Young Bruce, taking the boy in his arms.

YOUNG BRUCE
If I hadn't got scared-

ALFRED
No, no, Master Bruce. Nothing you
did. Nothing anyone ever did can
excuse that man.

(CONTINUED)

Alfred holds Young Bruce away to look directly into his eyes.

ALFRED (CONT'D)
It's his, and his alone. Do you understand?

Young Bruce nods. Then BURIES his face in Alfred's chest, sobbing.

YOUNG BRUCE
I miss them, Alfred. I miss them so much.

ALFRED
(whispering)
So do I, Master Bruce. So do I.

Tears well in Alfred's eyes as he HOLDS the boy, watching snowflakes swirl past the window.

DUCARD (V.O.)
And do you still feel responsible?

30 INT. PASSAGEWAY, MONASTERY -- DAY 30

Ducard leads Wayne along a screened passage overlooking extraordinary mountains.

WAYNE
My anger outweighs my guilt.

Ducard opens a door...

31 INT. DOJO, MONASTERY -- DAY 31

Leads Wayne onto a MEZZANINE LEVEL stacked with boxes and bottles. NINJAS pour powders into packets, mixing compounds. Ducard takes a pinch of a powder- throws it down- BANG! Wayne FLINCHES- Ducard SMILES good-naturedly.

DUCARD
Advanced techniques of Ninjitsu employ explosive powders.

WAYNE
As weapons?

DUCARD
Or distractions. Theatricality and deception are powerful agents.

(CONTINUED)

Ducard hands Wayne a pinch of the powder.

DUCARD (CONT'D)

To be a great warrior is not
enough. Flesh and blood, however
skilled, can be destroyed... you
must be more than just a man in the
minds of your opponents.

Wayne listens to this. Tosses the powder- BANG!

32

EXT. FROZEN LAKE, HIMALAYAS -- DAY

32

Wayne and Ducard CIRCLE each other on the ICE, SWORDS poised
to strike. Dark figures in the white and blue landscape.

Ducard STRIKES at Wayne, who DEFLECTS the blow using a
SILVER GAUNTLET with THREE SCALLOPS (thick, hook-like
projections). Ducard SKIDS left, breath STEAMING, fainting
with his sword.

Wayne steps sideways on the ice, his foot landing on a thin
patch which CREAKS, water BUBBLING underneath.

DUCARD

Mind your surrounding. Always.

Wayne STRIKES- Ducard BLOCKS with his own BRONZE GAUNTLET.
Wayne SLIPS right and FLIES IN with a short THRUST- Ducard's
arm flips down in a backhand move-

Ducard CATCHES Wayne's sword in one of his SCALLOPS.

DUCARD (CONT'D)

Your parent's death was not your
fault...

Ducard ROTATES his arm, WRENCHING Wayne's sword from his
grasp- it SKIDS along the ice.

DUCARD (CONT'D)

...it was your father's.

Wayne, ENRAGES, dives at Ducard, SWINGING at him with the
scallops, FURIOUS, RECKLESS. Ducard parries with his sword,
they LOCK- noses inches apart, Wayne BREATHING... ANGRY...

DUCARD (CONT'D)

Anger does not change the fact that
your father failed to act.

(CONTINUED)

WAYNE

The man had a gun!

DUCARD

Would that stop you?

WAYNE

I've had training-

DUCARD

The training is nothing. The will to take control is everything. Your father trusted his city, its logic... he thought he understood the attacker and could simply give him what he wanted...

Wayne considers this... breathing slowing... CALMER... they separate.

DUCARD (CONT'D)

(gently)

Your father did not understand the forces of decay- cities like Gotham are in their death throes- chaotic, grotesque. Beyond saving.

WAYNE

Beyond saving? You believe that?

Ducard regards the harshly beautiful landscape.

DUCARD

It is not right that one must come so far to see the world as it is meant to be. Purity. Serenity... Solitude. These are the qualities we hold dear. But the important thing is whether you believe it...

Wayne stares at Ducard.

DUCARD (CONT'D)

Can Gotham can be saved, or is she an ailing ancestor whose time has run?

Ducard STRIKES DOWN at Wayne with his sword. Wayne BLOCKS the strike with FOREARMS CROSSED, SLIDES BETWEEN DUCARD'S LEGS across the ice to where his sword lies.

GRASPING his sword he SPINS, SWEEPING at Ducard's feet. Ducard LEAPS- Wayne CATCHES his foot, brings him down onto the ice. Wayne THRUSTS his sword at Ducard's throat-

(CONTINUED)

STOPS INCHES from Ducard's bare neck. Ducard freezes, arms at his sides. Wayne looks down at Ducard, SMILING in triumph.

WAYNE

Yield.

Ducard smiles. Shakes his head.

DUCARD

You haven't beaten me. You've sacrificed sure footing for a killing stroke.

Ducard TAPS the ice beneath Wayne's feet with his sword- the ice gives way, PLUNGING Wayne through the surface.

33 EXT. SHORE, FROZEN LAKE -- EVENING

33

Ducard feeds a small FIRE. Wayne RUBS his arms, SHIVERING violently against hypothermia. Ducard looks at him.

DUCARD

Don't rub your arms, rub your chest. Your arms'll take care of themselves.

Wayne rubs his torso, NODS at Ducard. Ducard feeds the fire.

DUCARD (CONT'D)

You have strength born of years of grief and anger, Wayne. The strength of a man denied revenge.

Even in his shivering, Wayne REACTS to this.

DUCARD (CONT'D)

Why, Wayne..?

34 INT. WAYNE STATION PLATFORM -- DAY (WAYNE'S MEMORY)

34

A monorail pulls into the platform. Disgorges passengers.

DUCARD (V.O.)

Why could you not avenge your parents?

Amongst them, Bruce, AGED 20, holding a bag. He sees Alfred, now 62, craning his neck, SEARCHING. He waves.

(CONTINUED)

BRUCE

You didn't have to pick me up-

ALFRED

Well, sir, the red line... well, it's closed. Apparently Mr.Earle thought it wasn't making enough money.

35 INT. CONCOURSE, WAYNE STATION -- MOMENTS LATER

35

Bruce looks sadly at the DECAY to his father's station: glass CRACKED, marble chipped, HOMELESS bundled in shuttered storefronts... He looks up through the sparing glass: WAYNE TOWER looms overhead, gold lettering catching the sun...

BRUCE

How is Mr.Earle?

ALFRED

Oh... successful.

36 INT. ROLLS ROYCE -- LATER

36

Alfred glances at Bruce in the rear-view mirror.

ALFRED

Will you be heading back to Princeton tomorrow or could I persuade you to spend an extra night or two?

BRUCE

I'm not heading back at all.

ALFRED

You don't like it there?

Bruce smiles, sardonic. Looks out at the trees flashing by.

BRUCE

I like it fine... they just don't feel the same way.

Alfred purses his lips, IRRITATED.

37 EXT. WAYNE MANOR -- MOMENTS LATER 37

Bruce STARES up at house. Alfred pulls the bag out of the car and, to Bruce's surprise, DROPS it at Bruce's feet.

38 INT. WAYNE MANOR -- CONTINUOUS 38

Alfred leads Bruce up the main staircase. The house is now dark and empty. Dust-cloths cover much of the furniture.

ALFRED

(tense)

I've prepared the master bedroom.

BRUCE

My old room will be fine.

ALFRED

(stern)

With all due respect, sir, your father is dead. Wayne Manor is your house.

BRUCE

(irritated)

No, Alfred, his isn't my house.

(gestures)

It's a mausoleum. A reminder of everything I lost. And when I have my way I'll pull the damn thing down brick by brick-

Alfred turns on Bruce, angry.

ALFRED

This house, *Master Wayne*, has sheltered six generations of the Wayne family, and stood patiently by while you've cavorted in and out of a dozen private schools and colleges. As have I.

Bruce stares at Alfred. Eyes burning. Chastened.

ALFRED (CONT'D)

(softer)

The Wayne family legacy is not so easily shrugged off.

BRUCE

(sadly)

Nor borne, old friend. I'm sorry to have disappointed you.

(CONTINUED)

ALFRED

Master Wayne... I was at your father's side when you were born. And at your side when he was laid to rest.

BRUCE

(voice catching)
I know.

ALFRED

Your father was a great man. But I have every confidence that you will exceed his greatness.

BRUCE

Haven't given up on me, yet?

ALFRED

(conviction)
Never.

Bruce sags under the burden of Alfred's faith. He opens the door to his bedroom, then turns back to Alfred...

BRUCE

I may not get another chance to thank you for all you've done for me.

Alfred looks at him, curious.

ALFRED

Are you going away after the hearing?

Bruce shrugs, hard to read. Then enters his old bedroom.

39

INT. BRUCE'S BEDROOM -- CONTINUOUS

39

Bruce puts his bag on the bed. Looks around the room.

At the mantel, Bruce stares at a framed photograph: Young Bruce on his Dad's shoulders, arms raised in triumph. Bruce wipes dust from the photograph. Smiles at it.

INSERT CUT: Young Bruce on Thomas's shoulders- Thomas TIPS back, threatening to drop Young Bruce who LAUGHS and LAUGHS.

Bruce moves to the bed. Opens his case.

Inside it is a GUN.

40 EXT. GATES, WAYNE MANOR -- MORNING 40

Rachel, now 23, stands by her car looking up at the house. She can see Bruce in the window. She gives a small wave.

41 INT. BRUCE'S BEDROOM -- CONTINUOUS 41

Bruce returns Rachel's wave. Then FINISHES LOADING HIS GUN.

42 EXT. GATES, WAYNE MANOR -- MOMENTS LATER 42

Bruce walks down the drive to Rachel. He smiles gently.

BRUCE

You look well. "Assistant District Attorney", right?

RACHEL

(nods, smiles)

You still trying to get kicked out of the entire ivy league?

BRUCE

(shakes head, smiling)

Turns out you don't actually need a degree to do the international playboy thing.

Rachel smiles. Looks down at her shoes. Then back to Bruce.

RACHEL

Bruce, I don't suppose there's any way I can convince you not to come-

BRUCE

(cold)

Someone at this *proceeding* should stand for my parents.

RACHEL

Bruce, we all loved your parents. What Chill did is unforgivable-

BRUCE

Then why is your boss letting him go?

RACHEL

Because in prison he shared a cell with Carmine Falcone. He learned things and he'll testify in exchange for early parole.

Bruce shakes his head, opens the car door. Rachel sighs.

43 INT./EXT. RACHEL'S CAR ON FREEWAY, GOTHAM -- MORNING 43

Rachel's car heads towards the golden spires of Gotham.
Bruce stares out the window in silence.

44 INT. RACHEL'S CAR -- MOMENTS LATER 44

Rachel pulls into the PARKING LOT of the COURTHOUSE. Parks.
Bruce looks at her through the strained silence.

BRUCE

Rachel, this man killed my parents.
I cannot let that pass.

Rachel almost says something. Then SHRUGS.

BRUCE (CONT'D)

Rachel, I *need* you to understand.

Rachel looks at Bruce. Considering. Gently NODS. Bruce nods
back. Rachel opens her door and starts getting out.

Bruce slips out his GUN, placing it on the ground behind the
front wheel of Rachel's car as he gets out.

45 INT. COURTHOUSE -- DAY 45

A small bureaucratic proceeding. A five person PANEL. Bruce
sits amongst the OBSERVERS. Watching the back of Chili's
head. Rachel's boss, FINCH, addresses the panel.

FINCH

Given the exemplary prison record
of Mr.Chill, the 14 years already
served and his extraordinary level
of cooperation with one of this
office's most important
investigations... we strongly
endorse Mr.Chill's petition for
early release.

The CHAIRMAN nods, consults his paperwork.

CHAIRMAN

I gather a member of the Wayne
family is here today...

Chill REACTS, TURNING. Bruce STUDIES his weathered face.

(CONTINUED)

CHAIRMAN (CONT'D)
 ...does he have anything to say?

Chill notices Wayne's cold eyes. Has to look away. Bruce RISES, walks out, all eyes on him. Including Rachel's.

46 EXT. PARKING LOT, COURTHOUSE -- MOMENTS LATER 46

Bruce MOVES to Rachel's car. Picks up his GUN, stuffs it up the sleeve of his overcoat. Waits.

The side exit opens and two COPS come out. A shout goes up from the pressmen around the front of the courthouse.

REPORTERS
 They're taking him out the side!!

REPORTERS swarm around the building as Chill emerges.

REPORTER1
 Chill, any words for the Wayne family?!!

Chill, head down, presses on. Bruce straightens. Breathes. Starts WALKING towards Chill. A Reporter SPOTS him.

REPORTER2
 It's Bruce Wayne!

The Reporters clear a path, eager for a confrontation.

BLONDE FEMALE REPORTER
 Joe! Hey Joe!!

This one catches Chill's eye- blonde, local t.v. type. Bruce's hand DROPS to his side as he MOVES... he's BREATHING HARD... THINKING... DECIDING...

BLONDE FEMALE REPORTER (CONT'D)
 Falcone says hi!!

She THRUSTS a gun at Chill's chest and FIRES. Chill DROPS- Bruce STOPS in his tracks. Reporters DIVE for cover- COPS jump on the Blonde Reporter, pinning her...

Bruce. Fifteen feet away. Loaded gun up his sleeve. Face as uncomprehending as the night Chill killed his parents. Rachel moves to Bruce, pulling him away from the chaos.

(CONTINUED)

RACHEL
Come on, Bruce. Come on, we don't
need to see this.

Bruce yanks his arm away.

BRUCE
I do.

47 INT. RACHEL'S CAR -- EVENING

47

Rachel drives. Bruce sits there, hands in his lap. Staring.
Rachel glances over at him. Then pulls over. Turns to him.

RACHEL
(gentle)
Are you okay?

BRUCE
(distant)
All these years I wanted to kill
him. Now he's gone. Now I can't.

RACHEL
You don't mean that.

BRUCE
(bitter)
What if I do, Rachel? Chill killed
my parents. They deserved justice.

Rachel looks at him, appalled.

RACHEL
You're not talking about justice,
you're talking about revenge.

BRUCE
Sometimes they're the same.

RACHEL
They're never the same, Bruce.
Justice is about harmony... revenge
is about you making yourself *feel*
better. That's why we have an
impartial system-

Rachel pulls out into the street.

BRUCE
Well, your *system* of justice is
broken-

(CONTINUED)

RACHEL

Don't you tell me the system's broken, Bruce! I'm out here every day trying to fix it while you mope around using your grief as an excuse to do nothing. You care about justice..?

Rachel YANKS the wheel-

48 EXT. FREEWAY, GOTHAM -- CONTINUOUS 48

Rachel's car SCREECHES across two lanes, onto an EXIT RAMP.

49 INT./EXT. RACHEL'S CAR ON SURFACE STREETS -- CONTINUOUS 49

The streets below are DARK, crowded and THREATENING-

RACHEL

Look beyond your own pain, Bruce.

Rachel gestures at the filthy streets. Down dark alleys-shadowy figures conduct business.

RACHEL (CONT'D)

This city is *rotting*. Chill is not the cause, he's the effect. Corruption is killing Gotham and Chill being dead doesn't help that-it makes it worse because Falcone walks. He carries on flooding our city with crime and drugs... creating new Joe Chills... Falcone may not have killed your parents, Bruce, but he's destroying everything they stood for...

They pull up in front of a BASEMENT CLUB.

RACHEL (CONT'D)

They all know where to find Falcone...

(gestures at club)

But no one will touch him because he keeps the bad people rich and the good people scared.

Rachel turns on Bruce.

(CONTINUED)

RACHEL (CONT'D)

(quiet)

And what chance does Gotham have
when the good people do nothing?

She pokes him in the chest. Bruce looks down at her finger.

BRUCE

I'm not one of your "good people",
Rachel. Chill took that from me.

Rachel looks at Bruce strangely.

RACHEL

What do you mean?

Bruce pulls up his sleeve. Turns his hand over. Rachel
stares at the GUN in his hand, SHOCKED.

BRUCE

I was going to kill him myself.

She looks at Bruce. Then SLAPS him. Bruce does nothing.
Rachel SLAPS him again and again... Nothing. She stops.
Tears flowing.

RACHEL

You're no better than the rest.

Rachel points at the gun. Looks into Bruce's eyes.

RACHEL (CONT'D)

Your father would be ashamed of
you.

Bruce stares at Rachel. Opens his door.

50

EXT. DOCK AREA, GOTHAM -- CONTINUOUS

50

Bruce watches Rachel's car disappear. Turns to look at the
line of SHIPS in the harbor. He makes his way to the water.
Takes out his gun. Turns it, STUDIES the light off its
metal-

*INSERT CUT: the TREMBLING BARREL of Chill's gun, inches from
Thomas Wayne's chest.*

Bruce, with contempt, FLINGS his gun into the black water.

51 EXT. BASEMENT CLUB, FACING DOCKS -- LATER 51

Bruce walks towards the entrance. A BOUNCER steps out, looking at him with contempt.

BOUNCER
Get lost, kid.

Bruce pulls a massive wad of cash from his pocket. Splits it in two. Offers one half.

BRUCE
The other half when you give me the
nod that Falcone's leaving.
Unawares.

The Bouncer looks at Bruce. Takes the money.

52 EXT. BASEMENT CLUB, FACING DOCKS -- LATER 52

Bruce watches the entrance from the shadows. Two THUGS escort a thickset man out of a club. The Bouncer waves-

BOUNCER
'Night, Mr. Falcone.

The three men move towards a waiting limo-

WHAM- one Thug takes a kick to the head, goes down- Bruce steps from the shadows- the Second Thug goes for his gun- Bruce GRABS his arm- CHOPS his throat- JUDO FLIPS the thug...

Bruce turns to Falcone who looks at him, curious.

FALCONE
The little rich kid. No gun? I'm
insulted.

The First Thug lunges at Bruce with a KNIFE- Bruce puts him down with a graceful SWEEP-

BRUCE
I don't need a gun.

FALCONE
Yes, you do.

CLICK. A gun is at Bruce's head. Held by the Bouncer.

(CONTINUED)

FALCONE (CONT'D)
Money isn't power down here- *fear*
is.

The Bouncer pistol whips him once, hard. Bruce goes down.
The Bouncer drops Bruce's money onto him.

FALCONE (CONT'D)
You shoulda just sent me a
thank-you note...

Bruce looks up at Falcone. Spits blood.

BRUCE
I didn't come here to thank-you. I
came to show you that not everyone
in Gotham is afraid of you.

FALCONE
(laughs)
Just those that know me. You got
balls, kid...
(cold)
But you don't belong down here with
us. We don't play fair. Now go back
to your big house, wrap yourself in
your silk sheets and I'll send you
a shoulder to cry on.

BRUCE
You don't dress well enough to be a
pimp.

Falcone lights a cigar. Stares down at Bruce. Ice.

FALCONE
You miss your Mommy and Daddy? Come
down here again, I send you to
them.

Falcone turns. His thugs get into the limo with him. Bruce
watches it slide into the night. Struggles to his feet...

Bruce walks the docks, wiping blood from his mouth. SHADOWS
in doorways mark his progress. Three YOUTHS approach. Bruce
stiffens, but they cross the street to avoid him.

MALE VOICE (O.S.)
No one'll mess with ya.

Bruce turns. A HOMELESS MAN warming at a flaming oil drum.
One of many HOMELESS clustered around the docks.

(CONTINUED)

HOMELESS MAN

Wander 'round here dressed like that, means you got something to prove. Man with something to prove is dangerous.

Bruce STARES at the man. Thinking. Takes out his wallet. Removes the money. Hands it to the Homeless Man.

HOMELESS MAN (CONT'D)

For what?

BRUCE

Your jacket.

Bruce DROPS his wallet into the fire. The Homeless Man LAUGHS. Bruce pulls off his tie, throws it into the fire. He pulls off his overcoat, bundles it up ready to-

HOMELESS MAN

Lemme have it, that's a good coat.

Bruce looks at the Homeless Man, who has removed his own. They EXCHANGE clothing.

BRUCE

Be careful who sees you with that.
(off look)
They're gonna come looking for me.

HOMELESS MAN

Who?

Bruce smiles.

BRUCE

Everyone.

Bruce, less incongruous in his "new" coat, moves down towards the stacks of containers...

Bruce wanders the stacks. A HORN sounds. Bruce's eyes lock onto the ship preparing to leave. Bruce runs towards it through the shadows...

DUCARD (O.S.)

And when you left Gotham...

And we are-

53 EXT. HIMALAYAN MONASTERY -- DAY

53

DUCARD

...what were you seeking?

Ducard LEAPS up onto a STONE WALL. GRABBING ON using pikes on his palms and on his feet. Wayne watches.

WAYNE

To lose myself. I couldn't do anything as Bruce Wayne. I felt useless.

Ducard gestures up to the top of the 50-ft wall.

DUCARD

Perhaps you can beat my record.

Bruce JUMPS up onto the wall, HIGHER than Ducard. Confident.

WAYNE

How long?

DUCARD

Two days.

(off look)

The test is not to see how quickly you can climb, but how *slowly*. The Ninja is thought invisible, but invisibility is largely a matter of patience.

Ducard reaches up for another handhold. Slowly.

DUCARD (CONT'D)

On your journey... you sought knowledge of the criminal world?

WAYNE

(nods)

I needed to understand the thoughts and feelings of those who stand in the shadows...

CUT TO:

54 EXT. CROWDED MARKET, AFRICAN PORT TOWN -- EVENING (MEMORY) 54

WAYNE (V.O.)

The first time you're forced to steal not to starve...

Bruce picks up a mango from a stack to examine it. As he does so he uses his lower hand to slip a PLUM into his pocket.

55 EXT. ALLEY, AFRICAN PORT TOWN -- LATER 55

Bruce squats in a doorway. Bites hungrily into his plum. He looks up. A CHILD in rags sits in the next doorway, STARING. Bruce stares back, juice dripping.

WAYNE (V.O.)
*...you lose many assumptions about
 the simple nature of right and
 wrong.*

Bruce hands the Child the plum. Licks his fingers. Hard.

56 INT. TRAIN STATION, LONDON -- DAY 56

Bruce (bearded, filthy) in a crowd, with an ELDERLY MAN.

WAYNE (V.O.)
*I needed to feel the fear before a
 crime...*

The Elderly Man SPOTS a BUSINESSMAN hurrying along- STEPS into his path, engineering a COLLISION, tumbling to the pavement. The Businessman and Bruce both CROUCH to help.

WAYNE (V.O.) (CONT'D)
And the thrill of success...

Bruce SLIPS the Businessman's wallet out of his pocket. The Businessman moves off. Bruce shows the Elderly Man the wallet for APPROVAL. Then HURRIES after the Businessman.

WAYNE (V.O.) (CONT'D)
...without becoming one of them.

Bruce CATCHES the Businessman, gives him the wallet. The Businessman thanks Bruce- noticing his destitution, he HANDS Bruce a banknote. Bruce nods thanks.

57 INT. WAREHOUSE, UNDER THE ARCHES, EASTERN EUROPE -- NIGHT 57

Bruce tries to crack a safe under the supervision of a YOUNG TOUGH. The Young Tough shakes his head, spins the dial and whips open the safe. Showing Wayne the action.

WAYNE (V.O.)

I thought I would find something...

58 INT. SMOKE-FILLED BACKROOM, SHANGHAI -- NIGHT 58

At a table with a CHINESE BOSS and SEVEN CRIMINALS drinking, laughing, showing each other their spoils (watches, phones).

WAYNE (V.O.)

I thought I would learn what I needed to do with my skills and my anger...

59 INT. WAREHOUSE, SHANGHAI -- DAY 59

A TRUCK races through the door. Two Criminals yank the doors shut after. Bruce and the Boss jumps down from the cab.

WAYNE

But the harder I looked the less I saw. The less I knew...

Bruce turns to the Boss wary.

BRUCE

Where's this friend of yours?

BOSS

(shrugs)

Not friend. Friend of friend.

Bruce rolls his eyes. Looks at the Boss with contempt.

WAYNE (V.O.)

Until I wasn't even sure what I'd been looking for in the first place...

The doors EXPLODE COPS burst in, shouting in Mandarin.

60 INT. SAME -- LATER

60

The back of the truck is opened. Cops inventory piles of BOXES pulled out of the back.

WAYNE (V.O.)
And I was lost.

Bruce sits in a line of criminals, hands cuffed behind back. A Cop YANKS him to his feet, hauling him over to an OFFICER.

COP
 (in Mandarin)
 He refuses to give his name.

The Officer smiles solicitously at Bruce.

OFFICER
 (in Mandarin)
 Fool- this is China, you're a
 criminal, what the hell do I care
 what your name is?

BRUCE
 (in fluent Mandarin)
 I'm not a criminal.

The Officer, surprised, waves Bruce away. Looks at the truck.

OFFICER
 (in accented English)
 Tell that to the guys who owned
 these!

He KICKS a BOX: CLOSE ON the WAYNE INDUSTRIES logo.

CUT TO:

61 EXT. WALL, HIMALAYAN MONASTERY -- DAWN

61

Wayne and Ducard cling to the wall just short of the roof, eyes LOCKED. Both are in AGONY, sweat-drenched, STRAINING.

Ducard BLINKS. REACHES for the roof and pulls himself up. Wayne closes his eyes in relief. Ducard pulls Wayne up onto the roof. They lie there in the half-light. Ducard turns to Wayne. Puts a hand on his shoulder. Proud.

DUCARD
 You are ready.

62

INT. THRONE ROOM -- NIGHT

62

Close on Wayne's BLUE POPPY- now SHRIVELED DRY- on the altar. Wayne, clad in black ninja uniform watches as Ducard, also in black, picks it up, takes a pestle and mortar, drops in the dried flower, and grinds it to dust.

Ducard pours the dust into a small brazier. Lights it. Motions to Wayne, who approaches the smoking altar.

DUCARD

Drink in your fears. Face them.

Wayne breathes the smoke. He shakes his head, REACTING to the effects of the smoke... his mind is plagued by IMAGES:

Chill's trembling gun- Young Bruce FALLING- Thomas STAGGERING-

Ducard puts on his ninja mask. Motions Wayne to do the same. Wayne STRUGGLES to think through the effects of the smoke...

WAYNE

Why The masks?

As if in reply, DOZENS of NINJAS step forward from the shadows: the hall is filled with identical Ninjas. Ducard has melted into the crowd. Wayne raises his guard...

DUCARD

To conquer fear, you must *become* fear... you must bask in the fear of other men... and men fear most what they cannot see-

Ducard STRIKES at Wayne- Wayne SPINS, PARRIES- but Ducard has gone. The Ninjas move in unison, forming WALLS...

DUCARD (CONT'D)

It is not enough to be a man... you have to become an idea... a terrible thought... a *wraith-*

The Ninja nearest Wayne TURNS and SLASHES- it is Ducard. Wayne LEAPS sideways, ROLLING through the wall of Ninjas. He looks at his arm- it has been slashed, the uniform torn a dead giveaway. Wayne looks around, crouched, READY...

One wall of Ninjas PARTS, revealing a WOODEN BOX. Wayne stares at it, MIND SPINNING from the smoke.

(CONTINUED)

DUCARD (O.S.)
Face your fear...

Wayne cautiously approaches the box. Carefully lifts the lid. PEERS inside...

BATS EXPLODE from the box, FILLING the air- Wayne dives away from the box, STARING up at the squawking bats- flinching...

Ducard LEAPS at Wayne, who ROLLS sideways, blocking- Wayne turns to face Ducard, but he is lost in the Ninjas, bats filling the air, Wayne FLINCHING with their attacks...

Wayne stays low, SLASHES the arm of the Ninja nearest him- the man does not move. Wayne turns. Fighting to THINK.

A Ninja paces softly through the crowd, as he speaks, we can tell this is Ducard...

DUCARD
Become one with the darkness...

Ducard falls in behinds a Ninja with a SLASHED SLEEVE... He KNOCKS him to his knees, sword against throat-

DUCARD (CONT'D)
You cannot leave any sign...

Ducard pulls off his own mask. Disappointed.

WAYNE (O.S.)
I haven't.

A SWORD IS AT DUCARD'S NECK- Wayne is behind him, pulling off his mask. Ducard looks around... several of the Ninjas around them have slashed sleeves. Ducard smiles.

The Ninjas TURN, in unison, and sit.

Ra's Al Ghul is seated on a small stage at the head of the room. Ducard leads Wayne to sit down in front of Ra's. A Ninja places a tray between them: a bottle and a burning candle. Ducard places the candle in front of Wayne and hands him a small glass. Ra's Al Ghul begins speaking in Urdu.

DUCARD
We have purged your fear. You are ready to lead these men. You are ready to become a member of the League of Shadows. Drink.

Wayne tips back the glass. Strong stuff.

(CONTINUED)

DUCARD (CONT'D)

By blowing out this candle you
renounce your mortal life. You
renounce forever the cities of man.
You dedicate your life to solitude.

Wayne leans forward to blow out the candle. PAUSES. Looks at
the rows of seated Ninjas.

WAYNE

Where will I be *leading* these men?

DUCARD

You will need them in Gotham.

WAYNE

You want me to go back to Gotham?

Ra's stares at Wayne. Starts speaking...

DUCARD

You yourself are a victim of
Gotham's decay. That is why you
came here, and that is why you must
go back. You will assume the mantle
of your birthright. As Gotham's
favored son you will be ideally
placed...

WAYNE

For what?

DUCARD

To help us destroy the city.

WAYNE

What?!

DUCARD

When Gotham falls, the other cities
will follow in short order.
Nature's balance will be restored
and Man will finally return to
solitude.

Wayne turns to Ducard.

WAYNE

You can't believe in this.

Ducard looks at Wayne, troubled.

(CONTINUED)

DUCARD

Ra's Al Ghul has rescued you from the darkest corner of your own heart... what he asks in return is obedience. And the courage to do what is necessary.

Wayne stares down at the flickering candle. At the bottle. Wayne FLICKS his sword out, SMASHING the bottle, TIPPING the candle- FLAMES spread across the wooden floor-

DUCARD (CONT'D)

(reaching to extinguish flames)

What are you doing?

WAYNE

What's necessary.

Wayne STRIKES Ducard in the head with the butt of his sword, DOUSES his mask in the liquid fire and TOSSES it back into the mezzanine where the explosive powders are stored...

Ra's LEAPS from his throne, STRIKING at Wayne with his sword- Wayne parries- EXPLOSIONS roar from the balcony, shooting flame across the ceiling- Ra's and Wayne fight as EXPLOSIONS surround them...

Wayne LEAPS clear as FLAMING DEBRIS collapses onto Ra's, CRUSHING him... the flames are rising, Ninja bodies are strewn around, fresh explosions rip across the hall as Ninjas flee and Wayne spots Ducard lying unconscious.

Wayne PICKS UP Ducard, hauls him out of the Throne room, into a passage, SMASHING THROUGH an ornate screen...

63

EXT. MOUNTAINS -- CONTINUOUS

63

Wayne and Ducard CRASH down onto a steep slope of ice and rock, the monastery exploding above them... Wayne rolls over, GRABS a rock, looks across to see-

Ducard UNCONSCIOUS, SLIDING down the icy slope. His limp form ROTATES, spinning as his body gathers MOMENTUM, rushing towards the EDGE of the CLIFF...

Wayne DIVES AFTER HIM, SLIDING HEAD-FIRST down the ice... the cliff closer and closer as Wayne RACES after Ducard...

MERE FEET FROM THE CLIFF EDGE, Wayne GRABS Ducard- raises his free GAUNTLET-CLAD ARM, and SMASHES AT THE ICE, DIGGING IN with the BRONZE SCALLOPS... STOPPING on the edge- Ducard HANGS LIMPLY over a tremendous drop- Wayne STRUGGLES with the dead weight. Wayne PULLS Ducard up onto the ice. BREATHING.

64 EXT. TINY HAMLET, HIMALAYAS -- DAY 64
Wayne CARRIES Ducard down the road.

65 INT. SHERPA'S HUT -- MOMENTS LATER 65
Wayne KICKS the door open. The Old Man he saw on his way up the mountain stares back at him. Then motions Wayne to put Ducard down onto some mats. The Old Man wipes blood from Ducard's temple. Looks at Wayne, who is moving to the door...

OLD MAN
I will tell him you saved his life.

Wayne stops. Turns. Looks back at Ducard.

WAYNE
Tell him... I have an ailing ancestor who needs me.

Wayne puts his hands together in formal salute. Bows.

66 INT. CLIMBER'S BAR, BHUTAN -- DAY 66
A smoky inn, full of SHERPAS and CLIMBERS. Wayne enters, FILTHY, RAGGED. Conversation CEASES. Everyone STARES.

67 INT. SAME -- MOMENTS LATER 67
Wayne uses a phone at the bar, waiting for an answer-

ALFRED (O.S.)
Wayne residence.

Wayne SMILES at Alfred's familiar voice.

WAYNE
(hoarse)
Alfred.

(CONTINUED)

ALFRED
(unflappable)
Master Wayne. It's been some time.

WAYNE
Yes. Yes it has. I need a ride.

ALFRED
And where are we, sir?

Wayne glances around.

WAYNE
Bhutan, I think.

A curious Sherpa nearby NODS at Wayne.

ALFRED
Am I to assume that you're without
money and passport?

WAYNE
I'm traveling a bit light, yes.

ALFRED
I believe there's an airstrip at
Khatmandu long enough for a G5.
Make your way there, I'll have the
jet down in fifteen hours.

WAYNE
Very good. Oh, and Alfred?

ALFRED
Yes, sir?

WAYNE
Bring some painkillers.

68

INT. PRIVATE JET -- DAWN

68

Wayne steps out of the washroom, clean-shaven, fresh
tailored clothes. The jet breaks cloud, revealing GOTHAM
bathed in glorious SUNRISE. Wayne looks out at the city.
Alfred, sleeping opposite, opens an eye.

WAYNE
Have you told anyone I'm coming
home?

(CONTINUED)

ALFRED

I thought you might like to surprise a few people.

WAYNE

No one can know I'm back. Not until I'm ready. I'll need everything on the company- shareholders' reports, holdings. Everything.

Alfred SMILES to himself. Closes his eyes again.

ALFRED

You sound like a man with purpose.

Wayne stares at the vast city beneath them as the jet BANKS.

WAYNE

Gotham needs me, Alfred. Gotham needs... a symbol.

ALFRED

What symbol, sir?

WAYNE

I'm not sure. Something for the good to rally behind...

69 EXT. GOTHAM -- SUNRISE 69

MOVING over SPIRES of the city catching GOLD of first light.

WAYNE (V.O.)

...and the criminals to fear.

70 INT. LIBRARY, WAYNE MANOR -- NIGHT 70

Wayne, cross-legged on the floor, STUDIES a thick report. Circles something, closes it. Draws another from a STACK.

71 INT. KITCHEN, WAYNE MANOR -- EVENING 71

Alfred makes tea. A television plays: business news.

INTERVIEWER

(over television)

Lot of interest in new directions Wayne Industries has been taking...

Alfred looks up: Earle is being interviewed.

(CONTINUED)

INTERVIEWER (CONT'D)
 ...couple big defense contracts in
 the bag... as well as rumors that
 the board is petitioning to have
 Bruce Wayne, missing for seven
 years now, declared officially
 dead.

EARLE
 (smiles thinly)
 Our operating assumption is always
 the hopeful one that Bruce'll
 resurface sometime soon.

72 INT. LIBRARY, WAYNE MANOR -- CONTINUOUS 72

Wayne HEARS a CHITTERING. He rises, moving out into the main
 hall...

73 INT. MAIN HALL, WAYNE MANOR -- CONTINUOUS 73

Wayne STARES: a small shadow SPUTTERS around the ceiling...

ALFRED (O.S.)
 A blessed bat gain, sir.

Wayne turns to find Alfred standing there with a tea
 service.

ALFRED
 They nest somewhere on the grounds.

Wayne watches the dark shape FLICKER around the ceiling.

74 EXT. GROUNDS, WAYNE MANOR -- DAY 74

Wayne walks across the gardens to the greenhouse. He wears a
 long overcoat, a coil of rope over one arm.

75 INT. GREENHOUSE -- CONTINUOUS 75

Now derelict. Glass cracked or missing, paint peeled from
 wrought iron. Wayne stands in the entrance, remembering-

INSERT CUT: Rachel, LAUGHING, SPRINTING between the tables.

76 INT. DISUSED WELL SHAFT -- MOMENTS LATER 76

DARKNESS, punctured by LIGHT as BOARDS are YANKED, splintering from the mouth of the well, high above.

Wayne LOWERS himself down the shaft, overcoat billowing. He undoes his rope at the bottom. TURNS, finding-

The DARK CREVICE between the rocks. Wayne CROUCHES, pushing into the BLACKNESS, crawling through into-

77 INT. CAVERNS -- CONTINUOUS 77

Wayne climbs down a jagged rock crevice. Air blows in his face. The crevice WIDENS into a low-ceilinged chamber. Wayne hears the RUSH of WATER. He crouches, advances through the low chamber. It turns DOWNWARDS, steeper- Wayne carefully slides on his back, LOWERING HIMSELF into...

LIMITLESS BLACK. Wayne stands. A ROAR of water now. He REACHES into his coat, pulls out a CHEMICAL TORCH. CRACKS it, throwing LIGHT into...

A VAST CAVERN. An underground RIVER, a JAGGED ceiling, far above, which, as Wayne PEERS, starts to MOVE-

BATS EXPLODE from the ceiling. THOUSANDS DESCEND, SCREECHING, attracted to the light- Wayne instinctively CROUCHES. But as they SWARM around him terrifyingly...

Wayne RISES to his feet amidst a CYCLONE of bats, watching the fluttering blackness with a profound CALM.

And he knows the symbol he must use.

78 INT./EXT. ROLLS ROYCE ON GOTHAM STREETS -- MORNING 78

Wayne stares at the DECAY. Sadness gives way to anger.

79 EXT. WAYNE PLAZA -- LATER 79

The Rolls pulls up onto the Plaza in front of Wayne Station. The station is deserted. Derelict. Wayne gets out, staring.

WAYNE

Is it closed?

ALFRED

They still run a token service out of respect for your father.

WAYNE
 (low)
 Respect?

80 INT. BOARD ROOM, WAYNE TOWER -- CONTINUOUS 80

A board meeting in full swing. Earle presiding. He is addressing a portly, distinguished man at the other end. This is JUDGE PHELAN.

EARLE
 Clearly, Judge Phelan, moving to have Bruce declared dead is not something that any of us here relishes... but as responsible managers it falls to us to act on behalf of Wayne Industries...

81 INT. OUTER OFFICE, WAYNE TOWER -- CONTINUOUS 81

Wayne walks past the young, beautiful ASSISTANT sat her desk.

WAYNE
 Morning.

The Assistant gets to her feet.

ASSISTANT
 Sir, you can't go in there!

Wayne turns to her. Smiles.

WAYNE
 Yes, I can.

The Assistant RECOGNIZES him, stands there, SHOCKED.

82 INT. BOARD ROOM, WAYNE TOWER -- CONTINUOUS 82

As the door OPENS, Earle looks over, annoyed.

EARLE
 I'm sorry, can I...?

Earle STARES. Dumbstruck. All heads TURN- Wayne smiles.

WAYNE
 Sorry to barge in, but I was in the areas...

(CONTINUED)

SILENCE. Earle gets to his feet, approaching Wayne, STARING. He SHAKES Wayne's hand, claps the other on his shoulder.

EARLE

My boy! We thought you were gone for good.

WAYNE

What can I say? "Reports of my death have been greatly exaggerated".

Nervous chuckles. Judge Phelan stares at Wayne, incredulous.

EARLE

Can I ask where you've been?

WAYNE

(mischievous)
You can ask...

EARLE

(smiles)
Well, perhaps you'll tell us your plans. Are you back to finish college?

WAYNE

Actually, I thought I'd get to grips with what we actually do around here. From the ground up-one division at a time.

Earle takes this in, nodding.

EARLE

Any idea where you'd like to start?

WAYNE

Applied sciences caught my eye.

EARLE

Mr. Fox's department. I'll make a call. You can start today.

WAYNE

Actually, I've got a one o'clock tee-off, and it took me all morning to convince the club to honor my old membership.

(grins at Earle)

Apparently they don't have to meet the same high standards as you when it comes to declaring someone dead.

83 INT. STAIRCASE, DISTRICT ATTORNEY'S OFFICE -- DAY 83

Rachel HURRIES down marble stairs to catch Finch.

RACHEL
Mr. Finch.

FINCH
(weary)
Yes, Miss Dodson?

RACHEL
Mr. Finch, on the Falcone matter-

FINCH
(here we go again)
The case against Falcone died with
Chill. We had our shot.

They walk out into the parking lot...

84 EXT. PARKING LOT, COURTHOUSE -- CONTINUOUS 84

RACHEL
That was then- but now he's
importing drugs, everybody knows
it, let's take it to Harvey Dent
and-

FINCH
(looking around)
Keep your voice down.
(quite, sympathetic)
Look, Rachel, Falcone's got Judge
Phelan and half of City Hall bought
and paid for. So you got burned on
Falcone- let it go, we've got
bigger fish to fry.

RACHEL
That would make a lot more sense if
we were doing any frying.

Finch, uncomfortable, TURNS. Rachel WATCHES him exit...

85 INT. ROLLS ROYCE -- CONTINUOUS 85

In the back seat, Wayne WATCHES Rachel standing there.

(CONTINUED)

ALFRED

Shall I park, sir?

Wayne wrestles for a moment...

WAYNE

No, let's go.

Alfred pulls out with a touch of disappointment.

86

INT. APPLIED SCIENCES DIVISION -- DAY

86

A massive WAREHOUSE, stacked with crates, odd-shaped under dust covers, lab equipment. LUCIUS FOX, aged 52, leads Wayne through the stacks, speaking in calm, knowledgeable tones.

FOX

Environmental applications, defense projects, consumer products... all prototypes, none if production at any level whatsoever.

WAYNE

None?

Fox pauses, turns to Wayne, a wicked gleam in his eye.

FOX

What did they tell you this place was?

WAYNE

They didn't tell me anything.

FOX

They told me *exactly* what it was when they sent me here... a dead end where I couldn't cause any more trouble for the rest of the board.

WAYNE

You were on the board?

FOX

Back when your father ran things.

WAYNE

You knew my father?

FOX

Sure. Helped him build his train. Beautiful project- routed right

into Wayne Tower, along with the
water and power utilities. Made
Wayne Tower the unofficial heart of
Gotham.

Fox stops at a tall CRATE. Checks paperwork. Opens the
crate: a BODYSUIT- clear silicone over jointed armor.

FOX (CONT'D)
Here it is: the nomex survival suit
for advanced infantry. Kevlar
biweave, reinforced joints...

Wayne feels the fabric of the suit.

WAYNE
Bullet-proof?

FOX
Anything but a straight shot.

WAYNE
Tear-resistant?

Fox HACKS at the suit with his pen- it doesn't even mark.

FOX
This sucker'll stop a *knife*.

WAYNE
Why didn't they put it into
production?

FOX
The bean counters figured a
soldier's life wasn't worth the 300
grand.

Fox looks at Wayne. Suspicious.

FOX (CONT'D)
What do you want with it, Mr.Wayne?

WAYNE
I want to borrow it. For
spelunking.
(off look)
You know, cave-diving.

Fox shrugs. Puts the lid back on the crate.

(CONTINUED)

FOX
You get a lot of gunfire down in
those caves?

WAYNE
(smiles)
Listen, I'd rather Mr. Earle didn't
know about me borrowing-

FOX
Mr. Wayne, the way I see it...

Fox waves his arm, taking in the enormous facility.

FOX (CONT'D)
All this stuff is yours, anyway.

87

INT. CAVERNS BENEATH WAYNE MANOR -- DAY

87

Wayne, high on the cavern wall, in climbing harness, HAMMERS
a bracket into the rock securing a line of industrial LAMPS.

WAYNE
Okay! Give it a try.

Alfred throws a switch on a portable GENERATOR: the lamps
flicker on, dimly lighting the length of one wall. Alfred
peers at the DAMP, DINGY surroundings.

ALFRED
Oh, *charming*.

Alfred sees the BATS covering the entire ceiling.

ALFRED (CONT'D)
At least you'll have company.

Wayne RAPPELS to the cave floor, looks up to a HIGH corner:
CRUMBLING BRICKWORK. Alfred follows his gaze.

ALFRED (CONT'D)
Must be the lowest foundations of
the Southeast wing.

Wayne CLIMBS up: poking through the rock ceiling: the bottom
of a wrought-iron SPIRAL STAIRCASE. In the center of the
spiral: a dumb-waiter lift, fallen off its track. Wayne
grabs the chains of the lift, RATTLES them- sending a wave
ECHOING up into the darkness.

(CONTINUED)

ALFRED (CONT'D)

During the civil war your greatgrandfather was involved with the underground railroad. Secretly transporting freed slaves to the North. I suspect these caverns came in handy.

Wayne jumps down. Moves to the small river. Follows it where it disappears under rocks. Steps over. Alfred waits. The ROAR of WATER gets louder and the light gets BRIGHTER. Wayne follows the tunnel around a dog leg, emerging...

BEHIND THE FACE OF A WATERFALL. Wayne grins, HOPS along slick rocks right up to the beautiful CURTAIN of water.

WAYNE

(awe)

Alfred, come up here.

Alfred is twenty feet behind on the dry rocks.

ALFRED

I can see it very well from here, thank-you, sir.

Wayne, mesmerized, reaches for water that is liquid light.

88

INT. UNMARKED POLICE SEDAN -- EVENING

88

Gordon, now 46 and a Detective, in the passenger seat. Worn eyes watching his partner, FLASS, 42, glad-hand the owner of the liquor store they are parked outside. Flass squeezes into the driving seat holding a wad of CASH.

FLASS

Don't s'pose you want a taste?

Gordon looks at Flass, cold. Flass shrugs. Counts his money.

FLASS (CONT'D)

I keep offering 'cause who knows, maybe one day you'll get wise.

GORDON

Nothing wise in what you do, Flass.

FLASS

Yeah? Well, Jimbo, you don't take your taste- makes us guys nervous you might decide to roll over-

(CONTINUED)

GORDON
 (irritated)
 I'm no rat, Flass.
 (calmer)
 In a town this bent, who's there to
 rat to, anyway?

Flass LAUGHS at this, hits the gas.

89 EXT. ROOFTOPS, GOTHAM -- CONTINUOUS 89

Moving in on a rooftop balustrade to discover Wayne, wearing the bodysuit, crouched, watching the police station across the street. He pulls on a black balaclava. CLIMBS through the SHADOWS using Ninja SPIRES on his hands and feet.

90 EXT. POLICE STATION -- MOMENTS LATER 90

Gordon slams the car door. Watches Flass pull away. Weary.

91 INT. GORDON'S OFFICE -- CONTINUOUS 91

Gordon SLUMPS into his chair, back to the window. Reaches for the phone- notices a BOOK sitting on his desk: an old, worn copy of: "PHYLUM PERACOPDA: THE TWILIGHT WORLD OF BATS".

Gordon frowns at the book, CONFUSED. The light goes OUT.

WAYNE (O.S.)
 Don't turn around.

Gordon FREEZES- Wayne is behind his, pressing a stapler between Gordon's shoulder blades as if it were a gun.

GORDON
 What do you want?

WAYNE
 I've been watching. You're a good cop. One of the few. What would it take to get Falcone?

Gordon narrows his eyes, puzzled.

GORDON
 Carmine Falcone?

(CONTINUED)

WAYNE

He brings in shipments of drugs every week, nobody takes him down. Why?

GORDON

He's paid up with the right people.

WAYNE

What would it take?

GORDON

Leverage on Judge Phelan. And a D.A. brave enough to prosecute.

WAYNE

Rachel Dodson in the D.A.'s office.

GORDON

Who are you?

WAYNE

Watch for a sign.

GORDON

You're just one man?

WAYNE

Now we are two.

GORDON

We?

No response. Gordon turns around. No one. He JUMPS to the window- looks down, looks up: a SHADOW slips onto the roof-

92 INT. BULLPEN -- CONTINUOUS 92

Gordon RACES across the bullpen, drawing his gun, hits the stairwell- two UNIFORMS see him go, run after him.

93 EXT. ROOFTOP -- CONTINUOUS 93

Wayne moves to the edge of the roof- the gap is TOO BIG- he TURNS BACK- the DOOR SMASHES open: Gordon GUN RAISED.

GORDON

FREEZE!

Wayne RACES for the GAP- LEAPS... DROPS FAST... misses THE TOP STORY- GRABS the balcony below... it BREAKS AWAY- DROPS him onto the one below. Winded, Wayne CLIMBS onto the wall.

(CONTINUED)

From the other roof, Gordon watches Wayne melt into the shadows. The Uniforms arrive either side.

UNIFORM 1
The hell was that?

GORDON
(dismissive)
Some nut.

But Gordon's expression is less certain.

94

INT. EARLE'S OFFICE, WAYNE TOWER -- DAY

94

Earle sits at his desk conferring with two board members.

BOARD MEMBER
Is he taking over?

EARLE
Not yet. I checked the trust, and
Bruce can't assume control until
his thirtieth birthday.
(presses intercom)
Jessica, where's that coffee?

BOARD MEMBER
But that's in three months.

EARLE
We'll have to move fast.

BOARD MEMBER 2
To do what?

EARLE
An IPO. There's nothing in Bruce's
trust to stop us taking the company
public... we'll have an offering...

BOARD MEMBER
(getting it)
And Bruce will become just another
board member.

EARLE
Precisely. We can't have some clown
prince running things.
(presses intercom)
Jessica?

No answer. Earle steps to the door and opens it. His assistant is GONE. So is the receptionist.

The SWISH-CLICK of a Titleist rocketing off the roof and out towards Gotham River. Wayne stands behind the Beautiful Assistant, hand on her hip, adjusting her grip on a gold club. Another YOUNG WOMAN watches, leaning on a driver.

WAYNE

Keep your elbows in...

EARLE (O.S.)

Ladies?

They turn. Earle is standing there.

JESSICA

Sorry, Mr.Earle, Mr.Wayne insisted that all junior executives need to know how to play golf.

EARLE

Junior Executive? Who's answering the phones?

Wayne smiles pleasantly at Earle.

WAYNE

This is Wayne Industries, Mr.Earle- I'm sure they'll call back.

Wayne unwraps himself from Jessica and approaches Earle.

WAYNE (CONT'D)

(conspiratorial)

I thought a few promotions might be good karma forgetting my new job.

Earle smiles patiently.

EARLE

Of course, you're not actually starting just yet, Bruce. Not until your birthday.

WAYNE

(grins)

Three month's time- I'm having a huge blowout and I expect everyone to be there.

EARLE

With bells on. How are things down at Applied Sciences?

(CONTINUED)

WAYNE

Great- there's some cool stuff down there. Although that Mr.Fox goes on a bit once you get him talking.

Earle takes Wayne by the elbow, walking him away.

EARLE

Since you're here, there is a business matter that I wanted to make you aware of...

Wayne assumes a pose of seriousness.

WAYNE

Business... sure.

EARLE

We've been thinking for some time about offering shares... I think the time is right.

WAYNE

Offering shares?

EARLE

It's just a way of raising capital for growth... it's important to me that the company be in great shape when you take over. Consider it my legacy.

Wayne nods.

EARLE (CONT'D)

Well, I guess I'd better go hire a new secretary and receptionist...

Earle head to the door. Wayne smiles, turns back to Jessica.

WAYNE

Right, who's turn is it?

96

EXT. FALCONE'S BASEMENT CLUB, DOCK AREA -- NIGHT

96

Judge Phelan exits the club, a GIRL on his arm.

BOUNCER

Night, Judge Phelan.

Phelan turns, giddy with drink, puts his finger to his lips.

(CONTINUED)

PHELAN

Shhhhh.

The Girl giggles. Phelan guides her into a waiting limo. A STREET PERSON comes over to the rear windows of the car, knocking. The DRIVER gets out.

DRIVER

Get lost!

The Driver KICKS the Street Person away from the limo. A Homeless Man warming by a fire starts shouting. It is the Homeless Man that Bruce gave his coat to years before. The coat is worn but recognizable.

HOMELESS MAN

Leave him alone! Let him be!

The limo moves off. Close on the Street Person watching it leave. IT IS BRUCE. He glances down at a tiny CAMERA in his lap. Smiles at the screen: Phelan and the Girl.

97 INT. BAT CAVE -- DAY 97

Wayne places two BRONZE GAUNTLETS on a trestle table. FIRES up a paint sprayer. Starts coating them matte BLACK.

98 INT. SAME -- LATER 98

Wayne is showing Alfred DIAGRAMS. We catch only GLIMPSES.

ALFRED

If we order the main part of this...

(points)

...cowl from Singapore-

WAYNE

Via a shell corporation.

ALFRED

Indeed. Then quite separately, place an order through a Chinese manufacturer for these-

Alfred points at a diagram which looks like a pair of HORNS.

WAYNE

(nods)

Put it together ourselves.

(CONTINUED)

ALFRED

Precisely. Of course, they'll have to be large orders to avoid suspicion.

WAYNE

How large?

ALFRED

Say, ten thousand.

WAYNE

(smiles)

Least we'll have spares.

99 INT. APPLIED SCIENCES DIVISION -- MORNING

99

Fox, at his desk, watches Wayne approaching.

FOX

(smiles)

What's it today? More "spelunking"?

WAYNE

Sper-lunking. And no, today it's base-jumping.

FOX

Base-jumping? What, like parachuting?

WAYNE

I need some kind of lightweight grappling hook...

FOX

For what?

WAYNE

Base jumping's illegal-you can't just take the elevator.

Fox shakes his head at Wayne. Gets to his feet. They sit.

FOX

We've got suction pads, grapples...

WAYNE

Any good?

(CONTINUED)

FOX

Nope. But this thing's pretty neat.

Fox pulls out a box. Inside: a bronze GRAPPLING GUN and HARNESS.

FOX (CONT'D)

Pneumatic. Magnetic grapple.
Monofilament tested to 350 pounds.

Wayne feels the weight. It is light. Strong. He picks up the HARNESS that goes with it. Shoulder straps with a wide, hi-tech BELT. Wayne shoves the back end of the gun into the belt buckle- it CLICKS into place.

WAYNE

Too expensive for the army?

Fox takes it back from Wayne. Sardonic.

FOX

Guess they never thought about marketing to the billionaire base-jumping, spelunking market.

WAYNE

Look, Mr.Fox, if you're uncomfortable-

FOX

Mr.Wayne, if you don't tell me what you're really doing, then when I get asked... I don't have to lie. But don't treat me like an idiot.

WAYNE

(nods)
Fair enough.

Fox looks at Wayne. Thinking.

FOX

Come on, I'll show you something.

100

INT. LOADING DOCK, APPLIED SCIENCES DIVISION -- LATER

100

Fox hands Wayne a sheet of black fabric.

FOX

Notice anything?

Wayne examines it, shrugs. Fox puts on a GLOVE.

(CONTINUED)

FOX (CONT'D)

Memory fabric- dual layer polymers
with variable alignment molecules.
Flexible ordinarily, but put a
current through it...

Fox GRABS the fabric- which instantly POPS into the RIGID
shape of a small one-man TENT. Wayne raises his eyebrows.

FOX (CONT'D)

...the molecules align and become
rigid. Wayne pushes on the tent,
feeling its strength, fascinated.

WAYNE

What kind of shapes can you make? Fox releases the tent,
which instantly COLLAPSES.

FOX

It could be tailored to any
structure based on a rigid
skeleton.

Wayne lifts the black fabric, FLICKING it in a WHIPPING
motion. Thinking. Then he sees something. Some kind of
vehicle, covered by a tarp. HUGE TIRES visible.

WAYNE

What's *that*?

Fox, a twinkle in his eye, rolls up the memory fabric.

FOX

The Tumbler? Oh, you wouldn't be
interested in that.

Wayne shoots Fox a look, and we

CUT TO:

101

P.O.V.: RACING ALONG, INCHES ABOVE A TEST TRACKINT. TUMBLER
ON TEST TRACK -- MOMENTS LATER 101

Wayne pilots using aircraft-like control sticks. Fox, in the
passenger seat, hangs on as Wayne PUSHES the vehicle...

The Tumbler SHOOTS PAST: LOW and WIDE, a cross between a
Lamborghini Countach and a Humvee. Sandy camouflage,
stealthangled panelling and variable-angle flaps across the
back.

Fox SHOUTS over the noise of the engine.

(CONTINUED)

FOX

She was built as a bridging
vehicle!

You hit that button-

(Wayne reaches)

NO, NOT NOW!!

(Wayne recoils)

It boosts her into a rampless jump!
In combat, two of them jump a river
towing cables, then you run a
bailey bridge across! Damn bridge
never worked- but this baby works
fine!

Wayne inspects the cockpit: a forward-slung "gunner's"
driving position between their legs, video screens,
electronic controls, windows with HEADS-UP DISPLAY. Wayne
ACCELERATES...

The Tumbler TEARS down the straightaway, SKIDS to a HALT.

102 INT. TUMBLER -- CONTINUOUS 102

Fox JOLTS with the stop. Turns to Wayne, a little green.

FOX

What do you think?

Wayne turns to Fox with a slight smile.

WAYNE

Does it come in black?

103 INT. BAT CAVE -- DAY 103

Wayne takes the hi-tech harness for the grapple and CUTS OFF
the shoulder straps, leaving a BELT WITH SLIDING
ATTACHMENTS.

104 INT. SAME -- LATER 104

Wayne lifts a GLOVED hand, metal contacts on the fingertips.
With his other hand, he picks up a FABRIC GLOVE, RIBBONS
dangling from each finger. He thrusts the gloved hand into
the fabric glove- the ribbons SHOOT OUT- RIGID FINGER
EXTENSIONS like the SKELETON of a BAT'S WING. Wayne FANS the
PROJECTIONS, testing.

105 INT. BAT CAVE -- LATER

105

Close on: the COWL. Black, with a slight GRAPHITE sheen. Dramatic, ICONIC even without its ears.

A BASEBALL BAT SMASHES into the crown, CRACKING it in two. Alfred picks the pieces off the table, FROWNING.

ALFRED

Problems with the graphite mixture, apparently. The next ten thousand will be up to specifications.

Wayne looks up from adjusting a servo-mounted microphone.

WAYNE

At least they gave us a discount.

ALFRED

Quite. In the meantime, might I suggest, sir, that you try to avoid landing on your head?

Wayne shoots Alfred a look. Then fits the microphone into the horn-shaped "ear" from the cowl.

106 INT. SAME -- LATER

106

Wayne GRINDS METAL at a lathe. Alfred approaches with a thermos. Wayne stops grinding, BLOWS on his handiwork...

ALFRED

Why the *design*, Master Wayne?

Alfred indicates the steel carved into a BAT'S WING.

WAYNE

A man, however strong, however skilled, is just flesh and blood. I need to be more than a man. I need to be a symbol.

ALFRED

And why the symbol of the bat?

WAYNE

Bats frighten me.
(slight smile)
And it's time my enemies shared my dread.

Wayne tilts the crude BATARANG, watching light dance across the brushed steel. He THROWS it WHISTLING into darkness...

107 INT. FALCONE'S CLUB, DOCK AREA -- NIGHT 107

Judge Phelan sits sandwiched between two GIRLS, drink and cigar in hand. He looks up.

PHELAN
Carmine! Where are you going?

Falcone is putting his coat on.

FALCONE
Duty calls. You have yourself a good time, Judge.

Falcone turns to the CLUB MANAGER. Leans in.

FALCONE (CONT'D)
If he's too cheap to get a hotel,
at least make him take his car
around to the alley.
(shakes his head)
No class.

108 EXT. DOCKS -- CONTINUOUS 108

Down in the stacks, THUGS unload BOXES an open container. HEADLIGHTS light them up- everyone FREEZES. A sedan pulls up. FLASS emerges. Approaches one of the thugs holding a box. OPENS it, YANKS out a STUFFED TOY.

FLASS
Cute.

Flass RIPS open the toy, pulls a plastic PACKAGE from inside.

FLASS (CONT'D)
(mock surprise)
Oh? What have we here?

Nobody reacts. Flass hands the toy back to the Thug.

FLASS (CONT'D)
Carry on, gents.

Flass heads inside a massive warehouse to a set of offices.

109 INT. OFFICE, DOCKS -- CONTINUOUS 109

Flass enters. Falcone sits at the desk.

FALCONE
You believe this hump, Flass?

He indicates a thin man opposite. Flass sits.

FLASS
Problem?

FALCONE
Crane here's making insinuations.

The thin man, CRANE, leans forward. A cold presence.

CRANE
Insinuations? Well, let me be clearer- you stepped on the last shipment before you delivered it to me. You cut it with baby powder, and rendered it useless for my purposes. Falcone stares at the slight man, incredulous.

FALCONE
(furious)
Flass, tell this guy what happens to people who talk to me this way.

110 EXT. FALCONE'S CLUB, DOCK AREA -- CONTINUOUS 110

Judge Phelan stumbles out of the club with the GIRLS. They pile into the waiting limo. The Club Manager gestures to the Driver to pull around into the alley.

111 EXT. ALLEY, DOCK AREA -- CONTINUOUS 111

The Limo idles in the alley.

112 INT. LIMO -- CONTINUOUS 112

The Driver picks his ear. The partition is closed. The Driver examines his finger...

WHAM!!! A BLACK SHAPE LANDS ON THE HOOD- the Driver's eyes go wide as-

SMASH!!!- a BLACK-GLOVED FIST SHATTERS THE WINDSCREEN and GRABS the Driver's neck...

(CONTINUED)

IN THE BACK: Phelan sits BOLT UPRIGHT. The girls look around, ALARMED.

THE PARTITION SLOWLY LOWERS, REVEALING:

BATMAN.

Crouched like a dark animal on the hood- the Girls SCREAM.

113 EXT. ALLEY -- CONTINUOUS 113

The Homeless Man looks up from his brazier, curious. He sees a dark shape on the hood of a limo, a LONG BLACK CLOAK BILLOWING out behind it... screams echo through the alley...

114 INT. LIMO -- CONTINUOUS 114

Phelan scrambles back in his seat, whimpering...

BATMAN

You have eaten well... As Gotham
has starved.

Batman's eyes stare out of the black cowl at Phelan.

BATMAN (CONT'D)

This changes tonight.

Batman SHOOTS UP OFF the hood, banging onto the roof-

115 EXT. ALLEY -- CONTINUOUS 115

The Homeless Man STARES OPEN-MOUTHED at Batman standing, ICONIC, on the roof of the limo, cloak billowing... Batman turns his head towards the Homeless Man-

BATMAN

Nice coat.

-and FLIES UP from the limo, DISAPPEARING into the shadows high above...

The Homeless Man looks down at his coat, then back up to the shadows...

HOMELESS MAN

(small)

Thanks.

116 INT. OFFICE, DOCKS -- CONTINUOUS 116

Crane looks at Falcone, matter-of-fact.

CRANE

I'm aware that you're not
intimidated by me, Mr. Falcone. But
you know who we're working for...
and when he gets here I don't think
he's going to want to hear that
you've been endangering our
operation just to filch a few
dollars from your dealers.

FALCONE

He's coming to Gotham?

CRANE

Soon. This is our last shipment.

Falcone shifts, SUDDENLY UNEASY.

117 EXT. THE STACKS -- CONTINUOUS 117

A THUG hands a box to a SECOND THUG, who walks away along
the corridor of containers. The first Thug turns back to the
darkness of the open container, reaches in-

HE IS YANKED INTO THE DARKNESS WITH AN ECHOING CRY-

Second Thug TURNS, stares uneasily down the deserted
corridor to the BLACK MOUTH of the open container...

SECOND THUG

Steiss?

No reply. He puts down his box. Draws his gun. A THIRD THUG
comes around the corner.

THIRD THUG

Come on, we gotta-

He sees the Second Thug's gun. Draws his own. They move
cautiously towards the open container...

118 EXT. THE STACKS -- CONTINUOUS 118

The Thugs peer into the blackness of the open container-

Behind them, a LAMP hanging above the corridor SHATTERS, the Thugs turn, startled, to see another lamp shatter and go dark- then another and another, DARKNESS ADVANCING TOWARDS THEM...

119 INT. OFFICE, DOCKS -- CONTINUOUS 119

Falcone lifts his hands in a gesture of peace.

FALCONE

There's no need to argue- you can just test the stuff here and now.

CRANE

That's why I came.

Flass tosses the package onto the desk.

120 EXT. THE STACKS -- CONTINUOUS 120

As the closest lamp SHATTERS, a GLINT of metal DROPS to the ground... the Second Thug bends, picks it up, STARING;

A BAT-SHAPED brushed steel plate. The Second Thug looks up, confused, but the Third Thug is STARING above him.

SECOND THUG

What?

The Second Thug looks up himself: a DARK SHAPE HANGING from a CRANE directly above him...

A GIANT BAT, WINGS FOLDED, head pointed towards the ground.

SECOND THUG (CONT'D)

What the hell-

The Bat DROPS- wings WHIP OUT, RIGID- CATCH the air- FLIPPING the shape downwards- ENVELOPING THE SECOND THUG IN DARKNESS- the Third Thug BOLTS, RACING between containers, arms PUMPING-

He SPRINTS headlong down the narrow corridor, SKIDS around a corner, RACES towards-

BLACKNESS SIDESWIPE THE THIRD THUG, SPINNING HIM OFF HIS FEET, WHIPPING HIM INTO DARKNESS WITH A PIERCING SCREAM...

121 EXT. TRUCK OUTSIDE THE STACKS -- CONTINUOUS 121
 Other Thugs REACT to the SCREAM...

122 INT. OFFICE, DOCKS -- CONTINUOUS 122
 Falcone and Crane hear the scream. Flass JUMPS up.

123 EXT. THE STACKS -- CONTINUOUS 123
 Thugs, guns drawn, advance into the stacks...

124 EXT. THE STACKS -- CONTINUOUS 124
 A Fourth Thug WHIPS around a corner to see a JUMPY THUG covering the other end of the corridor...
 The Fourth Thug nods, steps backwards. MOVEMENT in the shadow behind him... BATMAN IS ALREADY IN FRAME- his arm FLASHES forward with his CLOAK, WRAPS the Thug's neck, YANKS him backwards into the shadows...
 Jumpy Thug sees the other Thug DISAPPEAR... he OPENS FIRE, STROBING the stacks, revealing INDISTINCT GLIMPSES of MOVEMENT.
 ELSEWHERE IN THE STACKS: Thugs REACT to the gunfire...
 Flass stands outside the stacks, gun drawn, listening. He moves back into the office.

125 INT. OFFICE, DOCKS -- CONTINUOUS 125
 FALCONE
 What the hell's going on?!

Flass looks at Falcone.

FLASS
 You've got a *problem* out there.

Falcone reaches behind the desk, PULLS out a SHOTGUN.

126 EXT. THE STACKS -- CONTINUOUS 126

Jumpy Thug FIRES blindly at STROBING SHADOWS- GLIMPSES of a DARK CLOAKED FIGURE moving from SHADOW TO SHADOW. Jumpy Thug empties the clip. FUMBLES for another as he looks out into the darkness.

JUMPY THUG
WHERE ARE YOU?!!!

A whispered word at his ear:

BATMAN
Here.

BATMAN'S FACE, UPSIDE DOWN, at the Thug's shoulder- Jumpy Thug SCREAMS as he is ENGULFED by DARKNESS-

127 EXT. OUTSIDE THE STACKS -- CONTINUOUS 127

Flass scuttles over to his car. Crane pauses, listening to the shouts and gunfire. Then moves off into the night.

128 EXT. THE STACKS -- CONTINUOUS 128

Falcone advances through the stacks, shotgun in hand. He rounds a corner to find FIVE THUGS, various weapons in hand, in a loose defensive ring, peering out into the darkness...

A SHADOW DROPS into the center of their ring-

Thugs TURN, SHOUTING, one SWINGS a CHAIN, another a KNIFE-

-Batman DUCKS the chain- SWEEP-KICKS the knife-wielder to the ground. Chain SWINGS again...

Batman JUMPS up, one leg LOW to let the CHAIN WRAP around his ANKLE- Batman KICKS his leg sideways RIPPING the chain from its owner, then HEAD BUTTING him down -

Batman SPINS his CHAIN-WRAPPED LEG in a ROUNDHOUSE KICK, WHIPPING THREE THUGS behind him in the fade with the CHAIN. All three go DOWN. The rest are unconscious or gone.

Batman STANDS there, long cape BILLOWING out to one side. The chain SLIDES from his leg. Falcone is behind him, SHOTGUN aimed dead at Batman's head.

FALCONE
What in God's name are you?

(CONTINUED)

Batman opens his hand, revealing TWO SHOTGUN CARTRIDGES. Then TURNS, billowing cape WRAPPING around him.

BATMAN
I'm Batman.

Falcone pulls the trigger. CLICK.

129 INT. BEDROOM, RACHEL'S APARTMENT -- LATER 129

Rachel TOSSES, trying to sleep, eyes shut.

VOICE (O.S.)
Rachel Dodson.

Rachel bolts upright, GRASPING at her bedside table.

RACHEL
Who's there?!!

She pulls out a TASER- PEERS into the shadows: Silhouetted by the window- a dark, cloaked figure. Batman.

RACHEL (CONT'D)
Take one step, I drop you!

Batman moves his arm- something DROPS onto Rachel's bed: a FILE, spilling PHOTOS. She FLINCHES. GLANCES DOWN: photos of Phelan and the girl in the limo.

RACHEL (CONT'D)
What the hell is this?

BATMAN
Leverage.

RACHEL
What do I need leverage for?

BATMAN
To get things moving.

RACHEL
Who are you?

BATMAN
Someone like you. Someone who'll stand against the corruption.

Rachel reaches for the lamp, her eyes off the window for the INSTANT it takes to ILLUMINATE the room, revealing-

No one.

130 EXT. DOCKS -- CONTINUOUS

130

Gordon approaches, coffee in hand: TIED-UP THUGS sit against the container full of DRUGS. UNIFORMS hold back a line of PRESS, who snap away at the surreal scene. Gordon crouches to look at the Thugs, curious.

UNIFORMED COP (O.S.)
Falcone's men?

GORDON
(shrugs)
Does it matter? We'll never tie him to it, anyway.

UNIFORMED COP (O.S.)
I wouldn't be too sure of that.

Gordon looks up. The uniformed Cop is POINTING. At a HARBOR LIGHT trained on the heavens. Gordon RISES, walks towards it. Two Cops stand there, STARING:

Falcone is STRAPPED to the LIGHT, UNCONSCIOUS, arms spread. Coat RIPPED, hanging from his arms in a STRANGE PATTERN.

COP 1
Th hell *is* that? Looks like...

Gordon follows their gaze up to where the BEAM of light CATS FALCONE'S SHADOW onto the CLOUDS.

COP 2
Like a *bat*.

Gordon stares at the projection. It is a BAT SYMBOL.

GORDON
Cut him down.

Gordon moves away, THINKING. Something catches his eye: a block away. Halfway up a building. A BLACK FLAG blowing in the wind... Not a flag.. a DARK FIGURE, wearing a CAPE, sitting on a LEDGE... BATMAN. WATCHING.

131 INT. FINCH'S OFFICE -- MORNING

131

Rachel TOSSES a newspaper onto Finch's desk, BEAMING. The front page: a huge photo of Falcone strapped to the light.

RACHEL
No way to bury it now.

(CONTINUED)

FINCH

Maybe so, but there's Judge Phelan-

RACHEL

I've got Phelan covered.

FINCH

And this "bat" they're babbling about.

Rachel breaks eye contact for an instant, UNCOMFORTABLE.

RACHEL

Even if these guys'll swear in court to being thrashed by a giant bat... we have Falcone at the scene- drugs, prints, cargo manifest- everything.

Finch considers. Grins.

FINCH

Damn right. Let's get frying.

132

INT. BULLPEN, POLICE HEADQUARTERS -- MORNING

132

Loeb addresses CAPTAINS, SERGEANTS, LIEUTENANTS. Gordon at the back. Loeb HOLDS up the PAPER, SMACKS the front page.

LOEB

Unacceptable. I don't care if it's rival gangs, Guardian Angels or the goddamn Salvation Army- get them off the street, and off the front page.

CAPTAIN SIMPSON

They say it was one guy... or *thing*.

LOEB

Dipping into their own supply- it was some asshole in a costume.

(the room chuckles)

If it's one guy, that'll make it a lot easier for you, won't it?

Gordon RAISES his hand. Loeb NODS, cautious.

GORDON

This guy *did* deliver us one of the city's biggest crime lords.

(CONTINUED)

LOEB

(glares)

No one takes the law into their own
hands in *my* city, understand?

133 INT. MASTER BEDROOM, WAYNE MANOR -- DAY

133

Alfred opens the curtains. Wayne WAKES, squinting.

WAYNE

(groggy)

Bats are nocturnal.

ALFRED

Bats, maybe... but even for
billionaire playboys, 3 o'clock is
pushing it. The price of leading a
double life, I fear.

Alfred PUTS down a tray: water, fruit, newspaper.

ALFRED (CONT'D)

Your theatrics made an impression.

WAYNE

Theatricality and deception are
powerful weapons, Alfred. It's a
start.

Wayne glances at the paper. Gets out of bed, bare-chested.
Alfred sees BRUISES across his torso and arms.

ALFRED

If those are to be the first of
many injuries... it would be wise
to find a suitable excuse. Polo,
for instance.

Wayne throws Alfred a look.

WAYNE

I'm not learning polo, Alfred.

ALFRED

Strange injuries, a nonexistent
social life... these things beg the
question of what, *exactly*, Bruce
Wayne does with his time. And his
money.

Wayne considers this.

(CONTINUED)

WAYNE

What *does* someone like me do?

ALFRED

(shrugs)

Drive sports cars, date movie stars... Buy things that aren't for sale.

Wayne looks at Alfred. Nods. DOWNS the water, stands straight, feet together- FALLS FORWARD to the floor- into his dizzyingly fast push-ups. Alfred watches. Concerned.

ALFRED (CONT'D)

Who knows, Master Wayne- if you start *pretending* to have fun, you might even have a little by accident.

134 INT. COUNTY JAIL, RECEIVING -- DAY

134

Crane, briefcase in hand, is BUZZED through thick steel and glass doors and met inside by a PRISON OFFICIAL. They walk.

PRISON OFFICIAL

Dr.Crane, thanks for coming down...

CRANE

Not at all. So he cut his wrists?

PRISON OFFICIAL

Probably looking for an insanity plea, but if anything happened...

CRANE

Of course, better safe than sorry.

135 INT. INTERVIEW ROOM, COUNTY JAIL -- CONTINUOUS

135

Crane enters. Falcone sits at a table, wrist bandaged. Crane places his briefcase on the table. Falcone smiles.

FALCONE

Doctor Crane, it's all too much, the walls are closing in, blah, blah, blah. Couple more days of this food, it'll be true.

CRANE

What do you want?

(CONTINUED)

FALCONE

We got a lot to talk about.

CRANE

Such as?

FALCONE

Such as, how you're gonna convince me to keep my mouth shut.

CRANE

About what? You don't know anything.

FALCONE

I know you wouldn't want the cops taking a closer look at the drugs they seized.

Crane REACTS to this. Falcone SMILES, enjoying the reaction.

FALCONE (CONT'D)

I know about your experiments on the inmates at your nuthouse...

(off look)

I don't get into business with someone without finding out their dirty secrets. Those goons you hired.. I own the muscle in this town.

Falcone leans forward. Looks Crane in the eye.

FALCONE (CONT'D)

So what *have* I been bringing in for you hidden in my drugs, Crane?

CRANE

If he wanted you to know he'd have told you himself.

Falcone shifts slightly.

FALCONE

I've been smuggling your stuff in for *months*, so whatever he's got planned, it's big. And I want it.

Crane studies Falcone. Considering. Sighs.

CRANE

I already know what he'll say... that we should kill you.

(CONTINUED)

Falcone leans forward, glaring at Crane with contempt.

FALCONE

Even *he* can't touch me in here. Not
in my town.

Crane SHRUGS. Leans forward. Pops the locks on his
briefcase. Smiles at Falcone.

Crane reaches into his briefcase. Inside is a BREATHING
APPARATUS attached to a small BURLAP SACK MASK.

CRANE

Would you like to see my mask?

He pulls the mask out of the case. Holds it up.

CRANE (CONT'D)

I use it in my experiments.
Probably not very frightening to a
guy like you. But those crazies...

Falcone stares at Crane, uneasy. Crane puts on the mask. It
is a sack with eye holes and twine stitching for a mouth.

CRANE (CONT'D)

...they can't stand it...

FALCONE

When did the *nut* take over the
asylum-

WHUMP- a cloud of white SMOKE shoots out of Crane's
briefcase. Falcone pushes his chair back, COUGHING,
surprised.

CRANE

They scream and cry...

Falcone looks up at Crane in his mask-

*Through Falcone's eyes: tiny LIZARD TONGUES FLICK out of the
holes in Crane's mask.*

CRANE (CONT'D)

...much as you're doing now.

Crane TOWERS over Falcone, FLAMING EYES and FLAMING MOUTH...

Falcone SCREAMS.

136 INT. CORRIDOR OUTSIDE INTERVIEW ROOM -- MOMENTS LATER 136

Crane emerges with his briefcase. The Prison Official hovers outside. SCREAMS ECHO from inside the room.

CRANE

Oh, he's not faking. Not that one.

The Prison Official nods gravely. Crane leans in.

CRANE (CONT'D)

I'll talk to the Judge, see if I can get him moved to the secure wing at Arkham. I can't treat him here.

137 EXT. ARCTIC OCEAN -- DAY 137

A COAST GUARD HELICOPTER touches down on the back of a heavily damaged DESERTED CARGO SHIP. Two COAST GUARDSMEN with FLASHLIGHTS jump onto the deck of the ship to take a look around. BAFFLED. The deck is lined with HOLES.

The Coast Guardsman shines his light into a MASSIVE HOLE.

138 INT. EARLE'S OFFICE, WAYNE INDUSTRIES -- AFTERNOON 138

Earle is at his desk. A EXECUTIVE walks in, TROUBLED.

EXECUTIVE

We have a situation.

EARLE

What kind of situation?

EXECUTIVE

Coast guard picked up one of our cargo ships last night. Heavily damaged. Crew missing, probably dead.

EARLE

What happened?

EXECUTIVE

Ship was carrying a prototype weapon. A microwave emitter...

139 EXT. AIRBASE -- MORNING (FLASHBACK) 139

ARMY BRASS and SCIENTISTS waiting for a demonstration... an industrial MACHINE the size of a small van sits on the ground a hundred feet from a WATER TOWER...

EXECUTIVE (V.O.)

*It's designed for desert warfare-
it uses focused microwaves to
vaporize the enemy's water
supply...*

The Scientists and Brass don goggles. Fire up the machine... the water tower starts SHAKING... then EXPLODES in a CLOUD OF STEAM that drifts towards the observers like FOG.

140 INT. EARLE'S OFFICE, WAYNE INDUSTRIES -- CONTINUOUS 140

EXECUTIVE

It looks like someone fired it up at sea- judging from the damage to the ship and cargo.

EARLE

What about the weapon?

The Executive shifts, uneasy.

EXECUTIVE

It's missing.

141 EXT. HOTEL RESTAURANT, DOWNTOWN GOTHAM -- EVENING 141

A BUGATI VEYRON (looks, and costs, a million) pulls up to the valet station. Wayne emerges, impeccably tailored, from the driver side. The VALETS scramble to the passenger side. Open the door to find TWO BLONDES, one on the other's lap.

142 EXT. HOTEL RESTAURANT -- CONTINUOUS 142

Tables around a decorative infinity pool. Earle and his GUESTS at a table. Earle sees Wayne enter with the Blondes. He sighs. Then waves.

143 EXT. SAME -- LATER

143

The table is littered with bottles and empty plates.

FEMALE GUEST

At least he's getting something done.

MALE GUEST

Bruce, help me out here.

Wayne turns from the Blondes. They stand up and walk over to the pool. Wayne smiles, turns to the Female Guest.

WAYNE

A guy who dresses up like a bat clearly has *issues*.

FEMALE GUEST

But he put Falcone behind bars-

MALE GUEST

And now the cops are trying to bring him in, so what does that tell you?

FEMALE GUEST

They're jealous?

Wayne watches as, behind them, one of the Blondes slips off her dress and lowers herself into the pool... the other one, giggling, follows her lead.

WAYNE

If he's so benevolent why does he hide his face?

FEMALE GUEST

Maybe he's protecting the people he cares about from reprisals.

Wayne nods, considering. The MAITRE D' slides up, annoyed.

MAITRE' D

Sir, the pool is for decoration, and your friends do not have swim wear.

WAYNE

Well, they're European.

(CONTINUED)

MAITRE' D
I'm going to have to ask you to
leave.

WAYNE
(turns to Earle)
Mr. Earle, I'm buying this hotel.
Will you please broker a deal?

Earle nods. Patiently.

WAYNE (CONT'D)
(turns to Maitre D')
I think we should make some new
rules for the pool area, don't you?

The Maitre D' stares at Wayne. Dumbstruck.

BLONDES (O.S.)
Bruce!

The Blondes beckon Wayne. He comes to the edge of the pool.

WAYNE
Ladies?

They SPLASH him. Earle turns away, shaking his head. Behind
him, out of focus, Wayne is PULLED into the pool.

144 EXT. HOTEL -- LATER

144

Wayne and the Blondes, wet hair, in white HOTEL ROBES,
waiting. The Valet pulls in the Bugati.

RACHEL (O.S.)
Bruce?

Wayne turns. Rachel is standing there, dressed for dinner.
Stunning.

WAYNE
Rachel.

BLONDES
(from car)
Come on, Bruce. We have some more
hotels we want you to buy.

Rachel glances at the Blondes. Then back to Wayne.

(CONTINUED)

RACHEL
I'd heard you were back.
(Wayne nods)
Where were you?

WAYNE
Oh, kind of all over, you know.

RACHEL
(tense)
No, Bruce, I don't. And neither did
a lot of people. People who thought
you were probably dead.

WAYNE
You didn't?

RACHEL
I never quite gave up on you.

Wayne looks at her. Thinking. Gestures towards the Bugati.

WAYNE
Rachel, all that... that's not me,
inside I'm... different. I'm-

RACHEL
The same great little kid you used
to be? Bruce, deep down, your
friends out there are great, too.
It's not who you are *underneath*...
(pokes his chest)
But what you do that defines you.

Rachel moves past him. Wayne stands there, eyes burning.

145 INT. GORDON'S APARTMENT -- EVENING 145

Gordon's pregnant wife, BARBARA tries to get their TWO-YEAR
OLD to eat. Gordon KISSES her, picks up the trash.

146 EXT. BACK ALLEY, GORDON'S APARTMENT -- CONTINUOUS 146

Gordon sticks the lid on the trash can. THUNDER rolls
around.

FLASS (O.S.)
Gonna rain, huh?

(CONTINUED)

GORDON

What do you want, Flass?

Flass, leaning on his car, feigns offence. Pulls a pint bottle from his pocket.

FLASS

How's Barbara? The kid?

Gordon takes a drag, eyeing Flass coldly.

FLASS (CONT'D)

Another one on the way, right? Big responsibility. And when you're on a big case like Falcone... lot of time away from here.

GORDON

Cut to it, Flass.

FLASS

Just saying it's good the case is clear cut- you'll wrap it up easy.

Flass finishes his bottle. Throws it at the trash cans.

GORDON

You come around here making threats, pretending to be liquored up... tells me you're scared.

FLASS

(cold)

Take care of yourself, pal.

Gordon watches him head back to his car.

BATMAN (O.S.)

Trouble?

Gordon looks up: Batman is crouched in the fire escape.

GORDON

(shrugs)

The scum's getting jumpy because you stood up to Falcone.

BATMAN

It's a start. Your partner was at the docks with Falcone.

(CONTINUED)

GORDON
He moonlights as a low-level enforcer.

BATMAN
There was another man. Testing the drugs.

GORDON
(surprised)
It wasn't a buy- why risk opening a package on the docks?

BATMAN
Flass knows.

GORDON
He won't talk.

BATMAN
He'll talk to me.

Gordon looks up. Close on Batman, in the shadows.

GORDON
Commissioner Loeb set up a massive task force to catch you. He thinks you're dangerous.

BATMAN
What do you think? Gordon gets to his feet, dusts off his pants.

GORDON
I think you're trying to help...

Gordon looks up. But Batman is gone.

GORDON (CONT'D)
...but I've been wrong before.

147 EXT. CARGO SHIP, DOCKS -- NIGHT

147

Three MEN walk through the canyons of shipping containers, checking the tags with a flashlight. They stop at one.

CUSTOMS AGENT
This is the one I'm talking about.

DOCK EMPLOYEE 1
What's your problem with it?

(CONTINUED)

CUSTOMS AGENT

It shouldn't exist. This ship left Singapore with 246 containers and arrived with 247. Probably dead illegals. You got a strong stomach?

They HAUL the doors open. The Customs Agent looks inside: an industrial machine the size of a small van. His torch picks out the WAYNE INDUSTRIES logo on the side.

CUSTOMS AGENT (CONT'D)

What the hell is this thing?

BEHIND HIM: Dock Employee 1 raises a SILENCED GUN. FIRES. Dock Employee 2 helps DRAG the body into the container.

148

EXT. FALAFEL STAND, SURFACE STREET -- NIGHT

148

Raining. Flass stuffs falafel into his mouth. Grabs a banknote from the VENDOR. Flass walks down a dark street...

YANKED from the pavement, he's PULLED up between buildings, falafel falling, UP and UP until face-to-face with. The Batman. Rain pouring off his cowl. Holding Flass by his ankle. Flass is SCREAMING.

BATMAN

Who was with Falcone at the docks?

FLASS

I don't know, I swear to God-

BATMAN

Swear to ME.

Batman DROPS Flass three flights down on the wire. PULLS TAUT- WHIPS him back up.

FLASS

(terrified whispers)

I never knew his name... never... Sometimes shipments went to this guy before they went to the dealers-

BATMAN

Why?

FLASS

There was something else in the drugs, something hidden-

(CONTINUED)

BATMAN

What?

FLASS

I don't know- something! I never went to the drop-off- it's in the Narrows- cops can't go into the Narrows except in force...

BATMAN

Batman can.

149 EXT. THE NARROWS -- NIGHT

149

AN ISLAND IN GOTHAM RIVER: a ramshackle LABYRINTH of crumbling public housing, makeshift additions GROWING LIKE FUNGUS AROUND AN INSANE ASYLUM. A walled city. Slick with rain.

Batman LANDS, CROUCHING, looking at the windows of a WAREHOUSE built around the supports of the MONORAIL tracks.

150 EXT. WAREHOUSE, SHANGHAI -- MOMENTS LATER

150

Batman slips through a louver, drops SILENTLY to the floor amidst. By the freight elevator is a massive shipping crate. Batman leaps up onto its lid- pries it open.

Inside: the industrial machine the size of a small van. Batman sees the WAYNE INDUSTRIES logo and a number:
M-EMIT.42B

NOISES. Batman melts into the shadows. THREE MEN enter. Two are the Dock Employees. The third is Crane.

DOCK EMPLOYEE 1

The boss wants you to keep it in the asylum until the time comes.

CRANE

Fine, leave the body. Torch the place. No traces.

The Thugs pull the Customs Agent's body out then push the crate onto the elevator. Crane notices RAIN spattering off the open louver. He steps towards it. Thug 2 turns from the elevator holding a Molotov cocktail. LIGHTS it-

A cord WRAPS around the BOTTLE- YANKS it into the shadows. Its fuse is EXTINGUISHED. The Thugs STARE at the darkness.

(CONTINUED)

Batman RIPS from the shadows- Thug 1 pulls a gun- Batman SMASHES his arm to the ground. Thug 2 moves in from the side- is DROPPED by a fast elbow to the neck.

Batman turns to Crane- now wearing his MASK. Crane's hand FLASHES towards Batman, who DODGES a small puff of SMOKE. Batman moves for Crane- COUGHS, CHOKES- losing BALANCE- GASPING... Batman looks at Crane, sees a monster: *FLAMING EYES, ELONGATED LIMBS, SPINNING like a DERVISH...*

Batman REELS, in the throws of a hallucination. Crane SMASHES the BOTTLE over him, soaking him with GASOLINE... Batman LURCHES for the windows, IMAGES ASSAULTING his mind:

INSERT CUT: BATS EXPLODE from the DARK CREVICE-

Batman TURNS to Crane. Who holds a FLAMING LIGHTER.

CRANE (CONT'D)
Need a light?

Crane TOSSES the lighter at Batman... who BURSTS into FLAMES.

INSERT CUT: Ra's Al Ghul OPENS his BOX- BATS BURST FORTH-

Batman, IN FLAMES, SPINS- LEAPS desperately at the windows-

151

EXT. WAREHOUSE, THE NARROWS -- CONTINUOUS

(CONTINUED)

Batman, smoldering, LURCHES into an alley, raises his grapnel gun, FIRES up at the enclosed roof- RIDES up- PUNCHES his way through wire and metal, CRAWLS onto his back, STARING up at the skyscrapers of Gotham. Rain blurring his vision.

Insert cut: Young Bruce watches his Father CRUMPLE-

Batman FUMBLES at his belt. Pulls out a tiny phone.

BATMAN
(hoarse)
Alfred?! Alfred?!

152 INT. ROLLS -- LATER

152

Alfred DRIVES, looks through the rear-view mirror at Batman, who lies in the back, FLINCHING at invisible antagonists.

BATMAN
BLOOD! Alfred?! Blood! A sample-
take a sa- sample- poisoned...

To Batman- the car is FILLED WITH BATS... Mefistofle rises...

Young Bruce in the throws of his PANIC ATTACK GULPS AIR- turns to his Father, LOOKS him in the eye and CONDEMNS HIM-

YOUNG BRUCE
(shouting)
We HAVE to go NOW, Dad!!

Young Bruce DRAGS his parents from their seats...

153 INT. MASTER BEDROOM, WAYNE MANOR -- MORNING

153

Wayne awakes. Shivering. Red-eyed from crying. Alfred sits at his bedside, watching over him.

WAYNE
(hoarse)
How long did I sleep?

ALFRED
Two days. It's your birthday.

WAYNE
It was some kind of gas... I only
breathed the slightest amount...

(CONTINUED)

ALFRED

I dread to think, sir, what would've happened if you'd had a lungful.

WAYNE

I've felt those effects before... but this was much more *potent*.

ALFRED

I took a blood sample and sent it to a laboratory known discreet both discreet...

(hands Wayne paper)

...and *prompt* bloodwork.

BRUCE

(reading)

Protein-based compounds... might be possible to work up an antidote.

ALFRED

Shall I contact Wayne Pharmaceutical?

BRUCE

I've got a better idea.

154 INT. APPLIED SCIENCES DIVISION -- DAY

154

Fox looks over the toxicology report. Looks up at Wayne.

FOX

This was in your *blood*?

WAYNE

It's some kind of weaponized hallucinogen. Administered in aerosol form.

FOX

Mr. Wayne, you are *definitely* hanging out at the wrong clubs.

WAYNE

Could you synthesize an antidote?

FOX

Well, the hallucinatory compounds can be balanced... but this receptor's a compound I've never seen before.

(CONTINUED)

WAYNE
(reaches for paper)
So you can't.

FOX
(snatches it away)
Did I say that? I just want you to
know how hard it's gonna be.

Fox puts the report on his desk.

WAYNE
Do you know what a Wayne Industries
M-Emit42B is?

FOX
No. But she will...

Fox starts typing on his computer.

FOX (CONT'D)
Oh.

WAYNE
What?

FOX
It won't tell us...
(turns to Wayne)
It must be a defense prototype.

WAYNE
Could you find out?

FOX
I'll make a couple calls... I still
have a couple friends in defense.

155 INT. D.A.'S OFFICE -- AFTERNOON

155

Gordon finds it. Knocks. Rachel looks up from her desk.

RACHEL
Sergeant Gordon?

GORDON
Councilor. Thanks for seeing me.

Gordon enters, shuts the door behind himself.

(CONTINUED)

GORDON (CONT'D)
(they shake hands)
Will Finch go the distance on
Falcone?

RACHEL
He'll have to because of the press.

GORDON
What about Judge Phelan?

RACHEL
Someone gave me leverage.

GORDON
Who?

RACHEL
I'd rather not say.

GORDON
(shrugs)
There's a loose thread on the
Falcone case- I want to see what
unravels higher up. I'm told you
can be trusted.

RACHEL
Who told you that?

GORDON
(smiles)
I'd rather not say.

Rachel looks at Gordon, sizing him up.

RACHEL
Gordon, we're working for a masked
vigilante. Maybe from a rival gang.

GORDON
My gut says he's okay. And he's
getting things *moving* in this town.

RACHEL
And when he gets bolder with
success? Goes too far?

GORDON
Councilor, this guy took down a
dozen of Gotham's most vicious
wiseguys *single-handed* and without
killing one of them- he's plenty
bold already.

(CONTINUED)

RACHEL

If he takes a life... it's on us.

Gordon looks at her. Nods. A KNOCK at the door. Wayne puts his head around the door. Rachel stares at him.

WAYNE

I'm sorry, I'll come back.

GORDON

I was just leaving, Mr.Wayne.

WAYNE

I'm sorry, have we..?

GORDON

Gordon. Sergeant. No, I just recognized you. From your pictures.

Wayne nods. Gordon looks at Rachel, nods goodbye.

RACHEL

(cold)

What do you want, Bruce?

WAYNE

I wanted to invite you a party-

RACHEL

A party. Great. Just what I need...

WAYNE

Today's my birthday. And I wanted to apologize.

RACHEL

You don't owe an apology, Bruce. You are who you are. It' simple. I don't have the right to expect anything more.

WAYNE

I thought you could never quite give up on me.

RACHEL

Is the party at the house? I miss it.

WAYNE

I hate the place. I'd tear it down if I could.

(CONTINUED)

RACHEL
(appalled)
Bruce, don't say that.

WAYNE
The place is nothing without the
people who made it what it was. Now
there's only Alfred.

RACHEL
And *you*.

Rachel looks at him. An ASSISTANT sticks her head in.

ASSISTANT
It's Falcone. They moved him to
Arkham Asylum on suicide watch.

RACHEL
Who authorized that?!

ASSISTANT
Judge Bentley, on the advice of the
head psychiatrist, Dr. Jonathan
Crane.

Rachel starts getting her things together.

RACHEL
Get Crane there right now- don't
take no for an answer... and call
Dr. Lehmann, we'll need our own
assessment on the Judge's desk by
morning.

The Assistant nods, leaves. Rachel heads for the door.

RACHEL (CONT'D)
Guess I won't make your party...

WAYNE
You're going to Arkham now? It's in
the Narrows, Rachel.

Rachel gives him a look.

RACHEL
You have yourself a great time-
some of us have work to do.

She hurries past him. Stops. Turns. Looks at him, softer.

(CONTINUED)

RACHEL (CONT'D)
Happy Birthday, Bruce.

She races down the steps. Wayne watches her go, thinking.

156 INT. MAIN HALL, WAYNE MANOR -- LATER 156

Wayne hurries through the hall. Alfred in pursuit. Tables of food and decoration fill the hall.

ALFRED
But Master Wayne, the guests will
be arriving.

Wayne turns.

WAYNE
Keep them happy until I arrive.
Tell them that joke you know.

Wayne hurries off. Alfred watches him go, exasperated.

157 INT. STUDY -- CONTINUOUS 157

Wayne steps to the piano, hits 4 notes- the bookcase
SWINGSOPEN. Wayne steps through.

158 INT. STONE STAIRCASE -- CONTINUOUS 158

Wayne descends. Arrives at the top of a wrought iron SPIRAL
STAIRCASE, steps onto the dumb waiter at its center.

Wayne pulls a lever, RELEASING the lift which PLUMMETS
VERTIGINOUSLY DOWN the CENTER of the SPIRALING stair.

159 INT. BATCAVE -- CONTINUOUS 159

The lift hits the bottom with a great RATTLE of crimes.
Wayne moves to a PADLOCKED BOX. Opens it: the BAT SUIT hangs
there- a PHANTOM, black eyes STARING back at him. He reaches
for it.

160 EXT. ARKHAM ASYLUM, THE NARROWS -- EVENING 160

Rachel's car crosses the bridge to the Narrows.

161 INT. CRANE'S OFFICE, ARKHAM ASYLUM -- MOMENTS LATER 161

Rachel sits in front of Crane at his desk..

CRANE

Ms.Dodson, there's nothing to add to the report I filed with the judge.

RACHEL

Well, I have questions about your report.

(off look)

Such as, is it unusual for a 58-year old man with no history of mental illness to have a complete psychotic break?

CRANE

Yes. But this is a mental asylum for the criminally insane. The unusual is usual here.

162 EXT. ARKHAM ASYLUM -- CONTINUOUS 162

The GLOWING WINDOW of Crane's office. Batman, crouched on the fence, adjusts mikes in the ears of his cowl.

163 INT. CRANE'S OFFICE -- CONTINUOUS 163

RACHEL

But isn't it *convenient* for Falcone to suddenly develop these symptoms when he's about to be indicted?

CRANE

There's nothing convenient about his symptoms, Miss Dodson.

(smiles, sympathetic)

Look, I doubt we're even supposed to be having this conversation, but off the record...

Crane RISES, motioning.

164 INT. CORRIDOR, ARKHAM ASYLUM -- CONTINUOUS 164

An ORDERLY talking to a NURSE. Crane leads Rachel past.

CRANE

We're not talking about a few
easily-manufactured eccentricities.

Crane stops at a door. Motions Rachel to look: Falcone STRAPPED to the bed. He STARES at the door, mumbling.

FALCONE

Scarecrow... s-scarecrow... s-s...

RACHEL

What's "scarecrow"?

CRANE

Patients suffering delusional
episodes often focus their paranoia
onto an external tormentor, usually
one conforming to the Jungian
archetypes.

(shrugs)

In this case, a scarecrow.

165 EXT. ARKHAM ASYLUM -- CONTINUOUS 165

Batman, upside down, CLINGS to the wall above the window at the end of the corridor. He RACKS AUDIO FOCUS THROUGH the Orderly's conversation, SETTling on Crane's voice.

166 INT. CORRIDOR, ARKHAM ASYLUM -- CONTINUOUS 166

Rachel looks at Falcone, mumbling, delusional.

RACHEL

He's drugged.

CRANE

(nods)

Psychopharmacology is my primary
field- I'm a strong advocate.

Crane turns to Falcone. Staring.

CRANE (CONT'D)

Outside, he was a giant. In here,
only the mind can grant you power.

(CONTINUED)

RACHEL
You enjoy the reversal.

CRANE
(shrugs, smiles)
I respect the mind's power over the
body. It's why I do what I do.

RACHEL
(hard)
And I do what *I* do to put scum like
Falcone behind bars, not in
therapy. I want my own psychiatric
consultant to have full access to
Falcone, including bloodwork to
find out *exactly* what you have him
on.

Crane stares at her. Shrugs.

167 INT. ELEVATOR -- CONTINUOUS 167

Crane steps in, Rachel follows. He puts a key into the
panel.

CRANE
First thing tomorrow, then.

RACHEL
Tonight. I've already paged
Dr. Lehmann over at County General.

Crane turns the key.

CRANE
As you wish.

The elevator descends. The doors open onto:

168 INT. DESERTED WING, SUB-LEVEL ARKHAM ASYLUM -- CONTINUOUS 168

A long, decrepit corridor. Water dripping, clearly disused.
Crane steps off the elevator. Rachel follows, perturbed.

169 INT. ABANDONED REFECTORY -- CONTINUOUS 169

Rachel follows Crane into a vast room:

Tables stretch off into the room, covered in bags of powder,
scales, aluminum barrels and DOZENS OF INMATES working the
powder, refining it.

(CONTINUED)

Armed THUGS look up, curious. Crane surveys the room.

CRANE

This is where we make the medicine.
Perhaps you should have some. Clear
your head.

He turns, but Rachel is gone. Crane smiles...

170 INT. DERELICT CORRIDOR, DISUSED WING -- CONTINUOUS 170

Rachel RACES into the elevator...

171 INT. ELEVATOR -- CONTINUOUS 171

Rachel HITS the 2nd floor button. Nothing. She HITS all the
buttons, floors the alarm... all dead without the key.

The door opens to Crane's MASKED FACE. He reaches out-

CRANE

Boo.

A small puff of GAS sprays from his sleeve. Rachel RECOILS,
coughing, choking. She looks up at Crane:

The eyeholes of the burlap mask are FLAMING.

Rachel SCREAMS.

172 INT. ABANDONED REFECTORY, ARKHAM ASYLUM -- CONTINUOUS 172

The Thugs DRAG Rachel into the room. The inmates stare
blankly, clearly drugged. Crane turns Rachel's reluctant
face to look up at his mask. She GULPS PANIC BREATHS-

CRANE

Who knows you're here? Rachel
SHAKES her head.

CRANE (CONT'D)

WHO KNOWS?!!

Rachel PULLS away, BURYING her head in her arms.

THE LIGHTS GO OUT.

The Thugs look around, unnerved. Crane PULLS OFF his mask.

(CONTINUED)

CRANE (CONT'D)
(fascinated)
He's here.

FIRST THUG
Who?

CRANE
The batman.

The Thugs exchange nervous glances.

FIRST THUG
What do we do?

CRANE
What anyone does when a prowler
comes around.
(off look)
Call the police.

The First Thug looks at Crane.

SECOND TECHNICIAN
You want the cops here?

CRANE
At this point, they're irrelevant.
But the Batman... he has a talent
for disruption. Let the cops
wrangle him.

CRANE (CONT'D)
Force him outside, the police will
take him down.
(indicates inmates)
Get them out of here.

FIRST THUG
(indicates Rachel)
What about her?

CRANE
She's gone. I gave her a
concentrated dose. The mind can
only take so much.

SECOND THUG
The things they say about him...
Can he really fly?

173 EXT. ARKHAM ASYLUM -- CONTINUOUS 173

Batman's cape FLUTTERS as he SWINGS down two stories, LANDING at the high windows of the derelict corridor.

174 INT. ABANDONED REFECTORY -- CONTINUOUS 174

THIRD THUG

I heard he can disappear-

Crane backs into the shadows, smiling at the Third Thug.

CRANE

We'll find out, won't we?

The Thugs move either side of the door... GLASS SMASHES, across the room- a Shadow drops from a high window. Rachel SCREAMS. The two thugs advance through the darkness.

Second thug is GRABBED from above- PULLED UP, SCREAMING, into the blackness of the rafters.

The First Thug peers up into the darkness, gun aimed.

A SHADOW DESCENDS, SHOUTING- First Thug FIRES- the Shadow CRUMPLES onto him. It is the Second Thug- First Thug ROLLS the body off, SCRAMBLES to his feet- Batman STRIKES him from behind, KNOCKING him unconscious.

SIRENS outside, close.

Batman looks at Rachel-

Crane BURSTS from the shadows, arm high, aimed at Batman's face- Batman grabs his arm, DUCKING away from the puff of GAS from Crane's sleeve... Batman SPINS Crane, RIPPING off his mask, WRENCHES his arm around to his own face, RIPS Crane's jacket open and pulls out the BLADDER full of toxin.

BATMAN

Taste of your own medicine, doctor?

Crane's eyes go wide as Batman SQUEEZES the bladder and a choking cloud of dust sprays into Crane's face...

Crane falls to the ground, CHOKING. Batman turns him over, pulls his face up to meet his.

BATMAN (CONT'D)

Who are you working for?!

Crane's eyes are wide with TERROR.

(CONTINUED)

Batman is a DEATH'S HEAD- black eyes, fangs.

CRANE

Ra's... Ra's... Al Ghul...

Batman reacts, pulls Crane tighter.

BATMAN

Ra's Al Ghul is dead, Crane! Who
are you really working for?
CRANE!!!

But Crane just STARES at him, EYES GLAZING- MIND
FLYINGIMAGES CASCADING THROUGH HIS FEVERED BRAIN... Crane
smiles.

CRANE

Dr. Crane isn't here right now, but
if you'd like to make an
appointment-

Sirens outside. Batman TURNS to Rachel. Through her eyes:

Batman is a towering HORNED, WINGED DEMON...

Rachel LASHES OUT at the demon with all her might... Batman
applies a GRIP to her neck that renders her unconscious.

COP

(over bullhorn)

BATMAN. PUT DOWN YOUR WEAPONS AND
SURRENDER. YOU ARE SURROUNDED.

Batman RISES, carrying Rachel.

175

EXT. ARKHAM ASYLUM -- CONTINUOUS

175

POLICE CARS surround the building. COPS have guns drawn,
WAITING. STAFF emerge, blinking, from the darkened asylum.
Flass and Gordon arrive. Flass shouts at the Uniforms:

FLASS

What're you waiting for?!

UNIFORMED COP

Backup.

FLASS

Backup?!

Flass gestures at the DOZEN police cars outside the
building.

(CONTINUED)

UNIFORMED COP

The Batman's in there. SWAT's on the way, but if you want to go now...

(smiles)

I'm right behind you, sir.

Flass turns to Gordon. Shrugs.

FLASS

SWAT's on the way.

Gordon shakes his head. Approaches the front doors.

- 181 INT. STAIRWELL, ARKHAM ASYLUM -- CONTINUOUS 181
Gordon locks down the stairwell- the way down to the disused wing is fenced off. He heads up- and is GRABBED and SWUNG OUT into the stairwell. Batman holds him as they ROCKET UPWARDS.

GORDON

What-!

(CONTINUED)

Batman covers Gordon's mouth- down below: the door SMASHES OPEN- SWAT team lights CROSS the darkened stairwell. Batman PULLS Gordon into the rafters. Gordon turns, FURIOUS- sees:

Rachel. Lying in a storage space/open attic. Twitching:

GORDON (CONT'D)
(whispering)
What's happened to her?

BATMAN
Crane poisoned her with his toxin.
He was the third man at the docks.

GORDON
Let me take her down to the medics-

BATMAN
They can't help her. But I can.

THE LIGHTS COME ON- bleaching the stairwell- Batman, Rachel and Gordon are in the shadow of the attic.

Batman reaches down to his boot. Presses a SWITCH in the heel, producing a barely audible HIGH-FREQUENCY WHINE.

BATMAN (CONT'D)
(indicates Rachel)
I need to get her the antidote
before the damage becomes
permanent.

GORDON
How long does she have?

BATMAN
Not long.

182 EXT. ARKHAM ASYLUM -- CONTINUOUS 182

A strange SQUEALING SOUND rises. Flass looks around, curious. A dark CLOUD crosses the moon... not a regular cloud...

183 INT. STAIRWELL, ARKHAM ASYLUM -- CONTINUOUS 183

BATMAN
Get her downstairs, meet me in the
alley on the Narrows side.

(CONTINUED)

GORDON
How will you get out?

BATMAN
(indicates his boot)
I called for backup. Crane's been
refining his toxin, stockpiling it.

GORDON
What was he planning?

BATMAN
I don't know, but he's been working
for someone else.

Gordon frowns at the loud SQUEALING noise.

GORDON
What *is* that?

BATMAN
Backup.

Batman amidst the bats. Calm. Pulls the sounder out of his
heel, leans over the stairwell and DROPS it...
Bats CYCLONE down the stairwell, FOLLOWING the signal.
Batman JUMPS into the center of the black cyclone- HIDDEN
FALLING...

188 INT. CORRIDOR, ARKHAM ASYLUM -- CONTINUOUS 188

Batman OPENS his cloak with a JOLT- lands HARD. He moves calmly through the bats, slipping past COWERING SWATS, moving past cell doors. Inmates STARE, wide-eyed out their windows as he passes. Batman turns to a cell door, pulls a small package out of his utility belt...

LUNATIC

What'd I tell ya?

190 EXT. SIDE STREET -- CONTINUOUS 190

Gordon lowers Rachel to the asphalt. She STIRS.

BATMAN (O.S.)

How is she?

Gordon looks up to see Batman standing there.

A SEARCHLIGHT from a chopper blasts them. Batman GRABS Rachel. Gordon points back to the street.

GORDON

Take my car.

BATMAN

I bought mine.

Batman has disappeared into the dark end of the alley.

GORDON

Yours?

BLINDING HEADLIGHTS FLARE. A MASSIVE ENGINE ROARS-

Gordon DIVES out of the way as-

The BATMOBILE comes flying out of the darkness... the matteblack, muscularity of the stealth-finished "car" BLOWS by. Gordon's jaw drops.

 Cloak BILLOWING in his wake, he heads for the GLOW of his work table. Gently lays Rachel on the table. RACKS up the scaffold to his computer station. A CONTAINER sits there with paperwork from Fox. Batman opens it, removes a VIAL. He plugs it into a pneumatic SYRINGE, puts the syringe between his teeth- GLIDES off the scaffold, LANDING beside Rachel. He INJECTS her in the biceps.
 Batman steps back, watching Rachel's breathing SLOW.
- 245 INT. ABANDONED REFECTORY, ARKHAM ASYLUM -- CONTINUOUS 245
 Gordon surveys the scene: COPS and SWATS dig through the mess, interviewing Inmates and sifting rubble. A DETECTIVE sits in a cell doorway examining Crane's mask. Crane is huddled in the corner, STARING.

(CONTINUED)

GORDON
Is he cooperating?

DETECTIVE
If by cooperating you mean chewing
his way through three sets of
restraints, then yes, he's
cooperating. Did we catch the
Batman?

Gordon tries not to smile.

GORDON
Nope.

A cop hurries over.

COP
Sir, there's something you should
take a look at...

246 INT. DERELICT BATH HOUSE, ARKHAM ASYLUM -- CONTINUOUS 246

Tiled baths and hydrotherapy equipment. A POOL in the
center. The Cop leads Gordon to the edge... A massive HOLE
has been dug through the bottom.

Dozens of ALUMINUM BARRELS sit alongside. Gordon climbs
down, PEERS into the hole... A TORRENT of water runs at the
bottom.

GORDON
Looks like they tapped the mains...

Gordon looks at the dozens of aluminum barrels. Realizing.

GORDON (CONT'D)
Get me somebody at the water board!

247 INT. BATCAVE -- LATER 247

Rachel's eyes flicker open to the cavernous damp darkness.
She sees BATS banging high above. CLOSES her eyes again.

RACHEL
(under her breath)
Oh. My. God.

BATMAN (O.S.)
How do you feel?

His voice ECHOES as if spoken from all shadows at once.

(CONTINUED)

RACHEL
(hoarse)
Where are we?

Nothing.

RACHEL (CONT'D)
Why did you bring me here?

BATMAN
If I hadn't... your mind would now
be lost. You were poisoned.

Rachel thinks..., concentrating..., remembering.

RACHEL
I remember... nightmares. This...
face, this... *mask*.
(realizes)
Crane. It was Crane-

Rachel STRUGGLES off the table, trying to stand.

RACHEL (CONT'D)
I have to tell the police- we've
got-

She SLIPS- Batman is there, CATCHING her.

BATMAN
Rest. Gordon has Crane.

In his arms she looks up at him- he lays her gently back
onto the table. Retreats into shadow.

RACHEL
Is Sergeant Gordon your friend?

BATMAN
I don't have the luxury of friends.

Rachel watches this dark shadow hover just outside the
light.

RACHEL
Why did you save my life?

BATMAN
Gotham needs you.

RACHEL
And you serve Gotham?

(CONTINUED)

BATMAN
I serve *justice*.

Rachel STARES at the solitary shadow. Fascinated. Pitying.

RACHEL
Perhaps you do.

Batman steps into the light. Holding a pneumatic syringe and two vials. Rachel stares at him.

BATMAN
I'm going to give you a sedative.
You'll wake up back at home...

Batman holds up the two vials.

BATMAN (CONT'D)
And when you do, get these to
Gordon, and Gordon alone. Trust no
one.

RACHEL
What are they?

BATMAN
The antidote. One for Gordon to
inoculate himself, the other to
start mass-production.

Batman hands Rachel the vials. She looks at him, curious.

BATMAN (CONT'D)
Crane was just a pawn. He was
working for someone else.

RACHEL
(remembering)
Ghul... something Al Ghul...

BATMAN
Ra's Al Ghul. It's not him. He's
dead.

RACHEL
How do you know?

BATMAN
I watched him die.

Batman approaches with the syringe. Rachel offers her arm. Batman injects her. Her eyes close. Batman removes his cowl. Wayne stands above the sleeping Rachel. Stares at her for an inexpressibly lonely moment.

248 INT. BATH HOUSE, ARKHAM ASYLUM -- CONTINUOUS 248

Gordon is on the phone-

GORDON

Someone's been dumping a dangerous
contaminant into the supply from
this location for days, maybe
weeks-

249 INT. CONTROL ROOM, WATER BOARD -- CONTINUOUS 249

Two TECHNICIANS sit there, one on the phone to Gordon. A large screen in front of them maps the water supply of Gotham.

TECHNICIAN

If that's true then it's already
spread through the whole system.
But no one's reported any
effects...

250 INT. BATH HOUSE, ARKHAM ASYLUM -- CONTINUOUS 250

Gordon looks around, thinking, frustrated.

GORDON

It must be like chlorine or
fluoride- harmless to drink, but
when you *breathe* it it's deadly...
look, wake up your boss, see if
there's a way to flush out the
system.

Gordon hangs up. Frustrated. Notices something. A large SHIPPING CRATE. He turns to the Cop.

GORDON (CONT'D)

Open that up.

251 INT. STUDY, WAYNE MANOR -- EVENING 251

Wayne emerges from the bookcase. The noise of a PARTY outside the door. Alfred is there waiting, dinner jacket over his arm. Wayne grabs the shirt- dressing hastily.

WAYNE

Rachel's sedated. You can take her home.

(CONTINUED)

ALFRED

Very good, sir.

WAYNE

Is Fox still here?

(Alfred nods)

Tell your staff to stop serving drinks and move everybody on after the cake.

Alfred nods. Wayne moves to the door. Alfred STOPS him. Hands him a towel, gesturing at his face: Wayne is still wearing BLACK MAKEUP around his eyes.

252 INT. MAIN HALL, WAYNE MANOR -- CONTINUOUS 252

Hundreds of GUESTS. Music. Tables groaning with food

FEMALE GUEST (O.S.)

There he is!

Guests look up- Wayne WADES INTO the throng, GRINNING and GLAD-HANDING. The band strikes up with "Happy Birthday", Wayne spots Fox at the buffet.

253 EXT. SIDE ENTRANCE, WAYNE MANOR -- CONTINUOUS 253

As sounds from the party drift over, Alfred gently arranges the unconscious Rachel on the rear seat of the car. He frowns as Rachel's legs get stuck. He looks up to see a PARTY GUEST, cigarette in hand, staring, curious.

ALFRED

(smiles)

A little the worse for wear, I'm afraid.

Alfred YANKS Wayne's gold clubs to one side, Rachel settles.

254 INT. MAIN HALL, WAYNE MANOR -- CONTINUOUS 254

Guests are leaving. Wayne works the room, charming, but distracted... heading to Fox.

WAYNE

Any word on that... *item*.

Fox nods, glances around. Leans in, conspiratorial.

(CONTINUED)

FOX

A contact in heavy weapons tipped me off- it's a microwave emitter. It vaporizes water.

Wayne thinks.

WAYNE

Could you sue it to put a biological agent into the air?

FOX

Sure, if the water supply were poisoned before you vaporized it.

Wayne takes this in. Grave. Nods at Fox.

EARLE (O.S.)

Happy Birthday, Bruce.

Wayne turns to Earle.

WAYNE

Mr. Earle, good of you to come.

EARLE

(smiles)

Not everybody thought you'd make it this far.

WAYNE

Sorry to disappoint. How did the stock offering go?

EARLE

Very well- the price soared.

WAYNE

Who was buying?

EARLE

A variety of funds and brokerages... it's all a bit technical- the key thing is, our company's future is secure.

Wayne nods. Gestures to Fox.

WAYNE

Have you met Lucius Fox?

(CONTINUED)

EARLE

Of course, Lucius, how are you?

WAYNE

Fox is showing me the ropes down at Applied Sciences... he's a great untapped resource at our company, aren't you, Mr.Fox?

Fox shoots Wayne a look, but Wayne WINKS and moves off.

FOX

He's a good kid.

EARLE

(cold)

Fox, forget about kissing Wayne's ass to get back in- I'm merging Applied Sciences with central archiving and you're top of the early retirement list...

(smiles at reaction)

Didn't you get the memo?

255 INT. BATH HOUSE, ARKHAM ASYLUM -- CONTINUOUS 255

Gordon and the other Cops STARE at the MICROWAVE EMITTER.

COP

What the hell is it?

Gordon turns to the SWAT team members.

GORDON

I don't know, but *nobody* gets near it, understand? We're closing the bridges, locking down the whole island.

256 INT. BEDROOM, RACHEL'S APARTMENT -- CONTINUOUS 256

Rachel STIRS. On her bed fully clothed. Trying to remember a strange dream. She sees the two vials of antidote sitting on her bedside table. HURRIES to her feet.

257 INT. MAIN HALL, WAYNE MANOR -- CONTINUOUS

257

Wayne moves across the party, heading for the study... An ELDERLY SOCIETY DAME grabs him-

SOCIETY DAME

Bruce, there's somebody here you simply must meet...

WAYNE

Mrs. Delane, I *can't* just now...

She TURNS Wayne to face an ASIAN MAN in his fifties.

SOCIETY DAME

Now, am I pronouncing it right..?

In the Asian Man's buttonhole is a DOUBLE-BLOOMED BLUE POPPY.

SOCIETY DAME (CONT'D)

Mr. *Al Ghul*?

The Asian Man nods. Wayne STARES at him.

WAYNE

You're not Ra's Al Ghul. He's dead.

The Society Dame laughs nervously, confused.

VOICE (O.S.)

But is Ra's Al Ghul *immortal*..?

Wayne TURNS. Standing there. Smiling. Ducard.

DUCARD

Are his methods *supernatural*..?

WAYNE

(understanding)

Or cheap parlor tricks to conceal your trues identity.., Ra's?

Ducard (THE REAL RA'S AL GHUL) smiles acknowledgment.

DUCARD/RA'S AL GHUL

Surely you don't begrudge me dual identities?

Ra's Al Ghul walks Wayne through the dwindling party.

(CONTINUED)

RA'S AL GHUL
I've been admiring your work, even
as it's interfered with my plans...

Ra's Al Ghul looks at Wayne with a tinge of sadness.

RA'S AL GHUL (CONT'D)
You were my greatest student...
until you betrayed me.

Wayne notices CERTAIN GUESTS staring at him: members of the League of Shadows. Wayne looks at the departing Guests.

WAYNE
Your quarrel is with me. Let these
people go.

RA'S AL GHUL
As you wish. But they don't have
long to live- your antics at the
Asylum have forced my hand...

WAYNE
Crane was working for you.

RA'S AL GHUL
His toxin is derived from the
organic compound in our blue
poppies. Crane was able weaponize
the compound. A brilliant
scientist, but no visionary. He
just wanted money and power-
(smiles)
I told him the plan was to hold the
city to ransom... but, in fact-

WAYNE
You're going to unleash Crane's
poison on the entire city...

RA'S AL GHUL
(nods, serious)
Then watch Gotham tear itself apart
through fear...

258 EXT. BRIDGE TO THE NARROWS/ARKHAM ASYLUM -- CONTINUOUS 258
COP CARS BLOCK the bridge. Police in RIOT GEAR, some on
HORSEBACK. Rachel argues with a POLICE OFFICER.

(CONTINUED)

POLICE OFFICER
Orders are, no one crosses-

RACHEL
Officer, I'm a Gotham City District
Attorney with information relevant
to this situation- so let me pass.

Rachel brushes past him. He follows, shaking his head.

259

INT. LIBRARY, WAYNE MANOR -- CONTINUOUS

259

Wayne and Ra's enter. The library is empty of guest.

WAYNE
You're going to destroy millions of
lives.

RA'S AL GHUL
No. *Billions* of lives. Gotham is
just the beginning. The world will
watch in terror as the greatest
city falls. Anarchy and chaos will
spread... mankind will ravage
itself, the species will be culled
and the balance of nature restored.
The planet will be saved for all
species.

Wayne stares at Ra's appalled.

WAYNE
You're inhuman.

RA'S AL GHUL
Don't question my humanity,
Bruce when I found you in that fetid
hole you were *lost*. I *saved* you- I
showed you a path and took away
your fear- I *made* you what you are.
(stares at Wayne)
And in return... you attacked me
and burned my home...

Ra's looks up at his MEN in the gallery. Nods. The Men start
SETTING FIRE TO THE DRAPES.

RA'S AL GHUL (CONT'D)
Since then, you've used my skills
and techniques to interfere with my
plans, plans in which you were
supposed to play a part...

(CONTINUED)

WAYNE

What part was that, Ra's? To put my company at your disposal? To obtain your microwave emitter and plant it somewhere in Gotham?

RA'S AL GHUL

(smiles, nods)

You were supposed to be Gotham's destroyer... instead you became her *only* protector.

WAYNE

You underestimate Gotham.

RA'S AL GHUL

You underestimate Gotham's corruption we've infiltrated every aspect of the city's infrastructure...

260 INT. BATH HOUSE, ARKHAM ASYLUM -- CONTINUOUS

PASSENGERS groan, get to their feet.

262

INT. LIBRARY, WAYNE MANOR -- CONTINUOUS

262

The FLAMES ARE RISING. SMOKE GATHERING at the ceiling...

RA'S AL GHUL
Gotham is helpless without you.
That's why I'm here.

WAYNE
To kill me?

Ra's Al Ghul looks at Wayne. Emotional.

RA'S AL GHUL
To bring you back to us, Bruce. The
world will need great men like you-

WAYNE
To take *power*.

RA'S AL GHUL
This is not about power... this is
about saving the planet before man
destroys it with his greed, with
his pollution, with his weaponry...

Ra's holds out his hand. A Ninja THROWS him a SWORD. He
HANDS it to Wayne, placing the point at his own throat.

RA'S AL GHUL (CONT'D)
You still doubt me? Apply a few
pounds of pressure... buy your
precious city a reprieve.

Ra's looks into Wayne's eyes with absolute conviction.

RA'S AL GHUL (CONT'D)
Kill me. Then you'll understand how
simple it is to do what's
necessary.

Wayne holds the sword at Ra's throat. Thinking. Ra's stares
at Wayne with absolute conviction.

WAYNE
I will not take life. I will not be
a part of this.

RA'S AL GHUL
But you already are. You've given
Gotham a potent symbol of fear...

(CONTINUED)

WAYNE

I frighten *criminals*.

RA'S AL GHUL

You frighten *everybody*. A giant
vengeful bat? What better
apocalyptic symbol to haunt
Gothams' dreams as panic takes
hold?

Wayne stares at Ra's Al Ghul. Pulls the sword away from his
throat. Ra's Al Ghul looks at him, contemptuous. Pulls at
the handle of his cane, producing a SWORD.

RA'S AL GHUL (CONT'D)

Then die with Gotham-

Ra's STRIKES Wayne's sword from his throat- lays into him,
sword in one hand, CANE/SHEATH in the other-

Wayne PRESSES Ra's back under the gallery... Ra's THRUSTS, OFF BALANCE- Wayne dodges- Ra's goes DOWN- Wayne holds his sword at Ra's throat...

WAYNE

Perhaps you taught me too well.

Ra's looks up at Wayne with a sly smile.

RA'S AL GHUL

Or perhaps you'll never learn-

A section of the BURNING GALLERY DROPS onto Wayne.

RA'S AL GHUL (CONT'D)

313 EXT. MONORAIL TRAIN -- CONTINUOUS

313

Batman moves forward along the roof, cloak FLAPPING madly behind. Wayne Tower visible up ahead, the train STREAKING DIZZYINGLY through the tight CANYONS of Gotham...

Ra's Al Ghul climbs up onto the roof at the front of the train. Standing tall before Gotham, long coat blowing around his legs. He marvels at Batman.

RA'S AL GHUL
You took my advice about
theatricality a bit literally,
don't you think?

He draws his sword from his cane. Batman LUNGES at Ra's, who SWINGS his sword at him- Batman PARRIES with his gauntlet, SPARKS striking off the metal scallops.

The train SHOOTS through a building, the airflow WHUMPING down on the duelists...

Ra's SWINGS his cane- Batman TRAPS it in his scallop- TWISTS his arm- sends the cane SPINNING away.

RA'S AL GHUL (CONT'D)
Familiar...

Ra's THRUSTS his sword at Batman's chest, Batman DODGES left, dangerously close to the EDGE. He DUCKS at Ra's, who KNEES him sideways, SWINGING him at the FRONT EDGE of the train...

Batman REGAINS FOOTING- Ra's STRIKES DOWN at his head... Batman CROSSES HIS ARMS, CATCHING THE SWORD in the scallops of BOTH gauntlets, HOLDING FAST...

RA'S AL GHUL (CONT'D)
Don't you have anything *new*?

(CONTINUED)

BATMAN
How about *this*?

Batman YANKS his ARMS in OPPOSITE directions, BREAKING RA'S AL GHUL'S SWORD IN TWO.

Ra's STUMBLES back, loses footing, SLIPS onto the roof, SLIDING back toward the rear...

Batman looks ahead to Wayne Tower approaching...

314 INT. CONTROL ROOM, WATER BOARD, WAYNE TOWER -- CONTINUOUS 314

The first technician watches the pressure gauge needle slide up through the red. He CLOSES HIS EYES.

315 EXT. TRAIN -- CONTINUOUS 315

Batman leans over the front of train- FIRES his GRAPPLING GUN into the front GUIDE WHEELS- which JAM, SPARKING, GRINDING... cable SPOOLS out of the grappling gun... the train SHUDDERS...

RA'S AL GHUL
(climbing to his feet)
What're you doing?!!

Batman THROWS the grappling gun at the SPARKING guide wheel...

BATMAN
What's necessary.

The guide wheel HITS the grappling gun- BUMPS OFF ITS TRACK...

Ra's DIVES onto Batman- SMASHES him against the roof- the train LURCHES, SCRAPING against the concrete guiderails... Batman ROLLS Ra's onto the bottom- but Ra's is CHOKING Batman, THUMBS PUSHED DEEP INTO THE FLESH ABOVE BATMAN'S NECKPIECE...

Batman STRUGGLES uselessly against Ra's Al Ghul IRON GRIP...

RA'S AL GHUL
Are you afraid?!!

Ra's looks up at Batman's DYING eyes... Batman's hands STOP PUSHING against Ra's...

(CONTINUED)

BATMAN
 (choked)
 Yes...

...and slip down his cloak to the activating pockets-

BATMAN (CONT'D)
 ...but not of you.

The cloak goes RIGID- CATCHES THE WIND- like pulling a rip cord- Batman YANKED from Ra's Al Ghul's hands, INTO THE AIR...

Ra's SCREAMS as he rides the train OFF THE MONORAIL...

CRASHING DOWN INTO WAYNE PLAZA- DIGGING THROUGH THE CONCRETOMETAL SHREDDING, MARBLE SHATTERING, DUST CLOUDS FLYING, PARKED CARS EXPLODING...

The Train has disintegrated into burning rubble just short of the entrance to Wayne Station...

316 INT. CONTROL ROOM, WATER BOARD, WAYNE TOWER -- CONTINUOUS 316

The Technician opens one eye. Then the other. And starts breathing again.

317 EXT. WAYNE PLAZA -- CONTINUOUS 317

Massive fiery destruction. And above it all-

Batman SOARS in a high bank, riding the thermals, staring down at Ra's Al Ghul's funeral pyre... And we-

318 EXT. WAYNE PLAZA -- MORNING, DAYS LATER 318

Construction CREWS clear the RUBBLE, Lucius Fox, in hard hat, supervises. Earle approaches, livid. Fox spots him.

FOX
 This is a hard hat area.

EARLE
 What are you doing here, Fox? I seem to remember firing you.

(CONTINUED)

FOX

Might be something to do with my
new job as head of Wayne
Industries.

(off look)

Didn't you get the memo?

Earle stares at Fox, hard.

EARLE

Whose authority?

Fox points at Wayne's Rolls Royce idling nearby. Earle
strides towards it. Fox quietly smiles, turns to his work.

319 INT. ROLLS -- CONTINUOUS

319

Earle is BANGING on the window. Wayne rolls it down.

EARLE

You think you have authority to
decide who runs this company,
Bruce?

WAYNE

It is *my* company.

EARLE

Not anymore. Wayne Industries went
public a week ago-

WAYNE

And I bought most of the shares. A
controlling interest, in fact.

(off look)

Through various charitable
foundations, trusts and so forth...

Alfred is smiling in the front seat.

WAYNE (CONT'D)

Look, it's all a bit technical, but
the important thing is.... *my*
company's future is secure.

Earle is speechless. Wayne smiles. The Rolls pulls away.

320 EXT. GROUNDS, SMOKING RUINS OF WAYNE MANOR -- DAY 320
WORKERS sift through the smoking ruins, supervised by Alfred.

321 INT. ORANGERY -- CONTINUOUS 321
Soot-stained glass crunches underfoot as Rachel picks her way through the smoking remnants of the greenhouse.

322 EXT. DISUSED KITCHEN GARDEN -- CONTINUOUS 322
Rachel finds Wayne hammering a board across the disused well. He looks up at her. She approaches. He turns to the well.

WAYNE
Do you remember the day I fell?

RACHEL
Of course.

Wayne looks down at the black gap yet to be covered.

WAYNE
As I lay there, *I knew...* I could sense it...

RACHEL
What?

WAYNE
That things would never be the same.

RACHEL
What did you find down there? Wayne picks up another board.

WAYNE
Childhood's end.

Wayne places the board over over the gap. Closing the well.

323 EXT. SMOKING RUINS OF WAYNE MANOR -- MOMENTS LATER 323
Wayne walks Rachel past the ruins.

(CONTINUED)

RACHEL

The day you left Gotham... the day
Chill was murdered... I said
terrible things.

WAYNE

True things. You made me see that
justice is about more than my own
pain and anger.

RACHEL

Well, you proved me wrong.

WAYNE

About what?

RACHEL

Your father would be proud of you.
Just as I am.

Wayne looks at her, emotion rising. He takes Rachel in his
arms and they kiss, passionately... desperately.

They break, Wayne looks into Rachel's eyes, hopeful. But she
gently shakes her head.

RACHEL (CONT'D)

(soft)

Between Batman and Bruce Wayne,
there's no room for me.

WAYNE

Rachel, this life I chose... I can
give it up.

Rachel reaches up to his face with her hand.

RACHEL

You didn't choose the life, Bruce.
It was thrust upon you, the way
greatness often is. You've given
this city hope- now she's depending
on you. We all are.

Wayne looks at her. Aching. He nods.

RACHEL (CONT'D)

Good-bye, Bruce.

She walks away. Stops. Turns. Points at the ruins.

(CONTINUED)

RACHEL (CONT'D)
What will you do?

Wayne looks at her. Glorious purpose in his eyes.

WAYNE
I'm going to rebuild it just the
way it was. Brick for brick.

Rachel nods. Walks off. Wayne stares after her. Alone...

But Alfred is at Wayne's shoulder. Watching his gaze.

ALFRED
Just the way it was, sir?

Wayne turns to Alfred.

WAYNE
Yes, why?

They stroll, side by side, towards the smoking ruins.

ALFRED
I thought we might take the
opportunity of making some
improvements to the foundation.

WAYNE
In the south east corner?

ALFRED
Precisely, sir.

324 EXT. ROOF, POLICE STATION -- NIGHT

324

Gordon sips coffee from a styrofoam cup. Beside him- an
upturned spotlight with a METAL STENCIL bolted to it.

A dark FLUTTERING, and Batman is standing the other side of
the spotlight. He reaches out, taps the stencil.

BATMAN
Nice.

(CONTINUED)

GORDON
(crushing his cup)
Couldn't find any mob bosses to
strap to the light.

Gordon kills the searchlight. The two men stand opposite
each other in the dark.

BATMAN
Well, Sergeant?

GORDON
It's *Lieutenant*, now. Commissioner
Loeb had to promote me. And he had
to disband the task force hunting
you. Amazing what saving a city can
do for your image.

BATMAN
Then things are better.

GORDON
(nods)
You've started something- bent cops
running scared, hope on the
streets...

Gordon leaves his sentence hanging between them.

BATMAN
But?

GORDON
But there's a lot of weirdness out
there right now... the Narrows is
lost... we still haven't picked up
Crane or half the inmates of Arkham
that he freed...

BATMAN
We will. Gotham will return to
normal.

GORDON
Will it? What about escalation?

BATMAN
Escalation?

GORDON
We start carrying semiautomatics,
they buy automatics... we start
wearing kevlar, *they* buy
armorpiercing rounds...

(CONTINUED)

BATMAN

And?

Gordon leans closer to Batman. Points at him.

GORDON

And... you're wearing a mask and
jumping off rooftops...

Gordon fishes in his pocket.

GORDON (CONT'D)

Take this guy...

He pulls out a clear plastic evidence bag.

GORDON (CONT'D)

...armed robbery, double
homicide...

Inside the clear plastic bag is a PLAYING CARD.

GORDON (CONT'D)

Got a taste for theatrics, like
you...

Gordon hands Batman the bag.

GORDON (CONT'D)

Leaves a calling card.

Batman turns the card over. It is a JOKER.

BATMAN

I'll look into it.

He steps up onto the balustrade. Gordon looks at him.

GORDON

I never said thank you.

Batman looks out at the lights of Gotham. Cloak billowing
around him.

BATMAN

And you'll never have to.

Batman DROPS from the rooftop, GLIDING on the night wind.
Gordon smiles. He can't help it.
