

INDIA'S
No. 1
STEEL PIPES COMPANY

THE WORLD OF APLAPOLLO STEEL PIPES

*India's No. 1 by Market Share

COMPANY OVERVIEW

APL Apollo Tubes Limited is the largest producer of Electric Resistance Welded (ERW) steel pipes and tubes in India, with a capacity to produce more than 25.5 lakh tonnes per annum. It caters extensively to the region and exports to over 20 countries globally. The company's vast distribution network is spread across India, with warehouses and branch offices in 29 cities.

Founded in 1986 in the capital city of India, Delhi. It has catapulted its growth over the last three decades by introducing a range of new products, improvising quality, increasing productivity, benchmarking the entire product line and eventually gaining the mind space of a large number of customers, therefore, redefining the market space for steel pipes business. The Company's products are certified by reputed international agencies like SGS (France), CE (Europe) etc. It has received the Recognised Export House status and is also ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 certified. Additionally, all our products are BIS - marked.

**PROJECT - KARTARPUR CORRIDOR
PASSANGER TERMINAL AT DERA BABA
NANAK, PUNJAB
CONSULTANT - CREATIVE GROUP
CONTRACTOR - SHAPORJI PALLONJI & CO.
PVT. LTD.
YEAR - 2019**

ABOUT THE PROJECT

Kartarpur Corridor has been one of our most prestigious projects, as it is a gateway for pilgrims to visit the Gurudwara Kartarpur Sahib in Pakistan. The project was under the limelight of different international and national media houses as this project has been a stepping stone towards improving ties between the two countries.

CHALLENGE

The project was scheduled to be inaugurated as per the defined timeline. But the contractors of the project, were running behind time with their approved vendors for supplying structural pipes & tubes. However, approved vendors were unable to cater to the demand due to shorter lead time.

SOLUTION

Creative Group & Shapoorji Pallonji & Co. Pvt. Ltd. approached APL Apollo Tubes and requested to supply the required structural pipes & tubes in the given time frame. The principals to the project – Land Port Authority of India, a part of Ministry of Home Affairs, were approached by APL Apollo along with Creative Group & Shapoorji Pallonji & Co. to get the approval. The LOI was provided by Shapoorji Pallonji & Co. itself. A presentation was made by APL Apollo to the concerned authorities which highlighted the manufacturing capabilities along with the credentials of the company.

RESULTS AND CONCLUSION

APL Apollo was given a pre-approval on the 24th July 2019 & an LOI on the 26th July 2019 to supply structural pipes. APL Apollo started dispatches from the 27th July 2019 and had supplied approximately 500 Tons out of the total requirement of 615 Tons within 7 days of LOI. With APL Apollo Tube's faster delivery, pan India flexibility on sizes and proximity of plant locations, the company was able to complete the project with great precision.

CASE STUDY

PROJECT - KEMPEGOWDA INTERNATIONAL AIRPORT, BENGALURU
CONTRACTOR- L&T
SUB CONTRACTOR - M/S. YONGNAM ENGINEERING INDIA PVT LTD
CLIENT - GMR/BIAL
YEAR - 2019

ABOUT THE PROJECT

Kempegowda International Airport, the third-biggest airport in India, is constructing a garden terminal called T2 to accommodate the increasing passenger traffic. The terminal will feature trees, small gardens and ponds with local species of plants. It is expected to serve approximately 25 million passengers a year. Operated by Bengaluru International Airport Limited (BIAL), it is claimed to be India's first greenfield airport

terminal to be built under a public-private partnership. Construction of the terminal began in 2019. With the expected completion of phase one works in March 2021.

CHALLENGE

M/S. Yongnam Engineering Sub - Contractor for Bengaluru Airport had a requirement of hollow sections 350 mm x 250 mm X 10 mm from BIAL's preferred make list suppliers for constructing the Terminal building.

The preferred make list suppliers were not able to manufacture the required sizes considering they had the capability and capacity constraints

Yongnam Engineering had almost decided to import these sizes from China with a 60 day lead time which would have increased costs.

SOLUTION

The contractor approached APL Apollo Tubes Ltd, for supplying Hollow Sections of size 350 mm x 250 mm x 10 mm. APL APOLLO was able to provide the required sizes and quantity within 7 days of issuing the purchase order.

RESULT AND CONCLUSION

APL Apollo has the technology to service customized Sizes in Minimum Lead Time. This was possible because of DFT (Direct Forming Technology) which is connected only with APL APOLLO in India. This technology helps in giving customized size more exceptional flexibility and minimum lead time.

Kind Attn:- Mr. Nidhi Gupta

Sub:- Approval for name change in DMRC vendor list from "Bihar Tubes Limited" to "**APL Apollo Tubes Ltd.**" for MS ERW Black, Galvanized Round Piles & Hollow Sections.

Ref:- Your letter dated March 22, 2014

Dear Madam,

This has reference to your letter dated March 22, 2014 regarding the subject mentioned above and the technical documents submitted by you to this office.

We have gone through all the documents submitted by you and it is noticed that you are already an approved vendor under name "Bihar" (correct name is "Bihar Tubes Limited") for MS ERW Black, Galvanized Round Pipes & Hollow Sections in our vendors' list for Delhi Metro Rail Projects. We hereby rectify the mistake in incorporating your name as "Bihar" instead of "Bihar Tubes Limited" in our vendors' list. The name "Bihar", as incorrectly incorporated in our vendors' list, is now corrected as "Bihar Tubes Limited".

You have further brought to our notice that the name of "Bihar Tubes Limited" has been changed to "**APL Apollo Tubes Limited**" in the year 2010 and have attached relevant documents for the same. In the wake of this, we have considered your request for change of your name from "Bihar Tubes Limited" to **APL Apollo Tubes Ltd** and hereby reissuing the letter.

Ghaziabad – 201 010

Subject: Revalidation and Enhancement of Enlistment with EIL

Dear Sirs,

We refer to your application on subject matter and are pleased to inform that your enlistment with EIL has been revalidated and enhanced for the item as described below:

Item Description	Material / Range		
	Size(mm)	Thickness	Specification
Pipe - Carbon Steel to Indian Std.	15-150mm	Light/Medium/Heavy	IS1239
	168.3-219.1	Upto 8mm	IS 3589

(This enlistment is valid for your works located at A-19, Industrial Area, Sikanderabad, Dist. Bulandshahar – 203 205).

Please note that this enlistment is subject to satisfactory execution of orders in delivery and quality of above mentioned items when ordered for our various projects.

Further, it may be noted that any change in the product range, location of Works/Sales Office, Management/Organisation structure etc. shall be intimated to us immediately along with relevant document for our necessary action. In case, information to any of the above referred changes is not intimated timely, our enquiries may not reach you.

Enlistment with EIL shall not guarantee any regular flow of enquiries.

In the event of direct / indirect orders for EIL associated projects, materials will be supplied strictly as per the material / range / works as stated above including agreed responsibility matrix, if applicable, failing which your enlistment with EIL is liable to be cancelled.

The validity of this ENLISTMENT is upto 31st December, 2020.

You are advised to apply for revalidation "on-line", 6 months before expiry of the enlistment. Detailed procedures for revalidation can be seen on our website www.engineersindia.com.

Thanking you,

Very truly yours,

Subject: Extension of Approval of APL Apollo Tubes Ltd, Sikandrabad, Bulandshahar for supply of ERW Pipes up to 250Nb.

Dear Sir,

This has reference to your letter on the subject matter. Based on review of submitted documents and process audit by POWERGRID on 10.04.2017, we hereby extend the validity of approval of **APL Apollo Tubes Ltd, A-19/20, Industrial Area, Sikandrabad, Bulandshahar** for supply of ERW Pipes up to 250Nb (as per IS-1161, IS-1239 & IS-3589) for a period up to **16.04.2020**.

Further approval shall be considered based on quality and supply performance.

Please ensure that ERW pipes shall meet the requirement of POWERGRID technical specifications, approved drawing/data sheet of the specific contract and raw material to be procured from POWERGRID approved sources. If, at any point of time, any abnormality is noticed in this regard, we reserve the right to withdraw this approval with immediate effect.

Yours faithfully,

PRINCIPAL CMM's OFFICE, Material Management Department, 1st Floor, New Administrative Building, D. N. Road, CSMT, Mumbai - 400001.
Date : 13/01/20

Sub : Registration of your firm as approved supplier of stores.
Ref : Your Letter No.AATL/CRL-REGN/2015-19 File No 11856 dated 20-DEC-18

1.0 I am directed to inform you that, your application for enlistment of your concern in the approved list of supplier to this Railway has been carefully considered and it has been decided to enlist your firm on the list of approved suppliers with the details mentioned below :

Registration No.	21941
Monetary limit/Category (per individual order) :	Category "B" (Value Limitation upto Rs.40 Lakhs)
Validity :	Upto 12/01/21

The following trade groups are allotted :

Grp	Description of Trade Group
6207	G.I. PIPES AND FITTINGS
6228	PIPES SEAMLESS AND E.R.W

2.0 It should be noted that this registration is valid for the Trade Groups and monetary value as indicated above, and any quotation received for other than the above mentioned trade groups and monetary limit, will be treated at par with the offers received from un-registered firms and will be dealt accordingly.

3.0 The registration is subject to constant review from time to time in consistent with your performance for supply of stores to this Railway. Please note that you may apply for renewal of registration, well in advance, before the expiry of the present registration and ensure to attach the details of the orders executed by you during the last 3 years.

4.0 Please note that as an approved registered supplier of this Railway, you shall abide by the IRS Conditions of Contract supplemented by the Instructions to tenderers contained in the IREPS website under the link [public documents/stores/supply].

5.0 You are also advised that any subsequent changes in the constitution of working of this firm should be promptly communicated to this office.

Copy to :

Yours sincerely,
