## UNESCO Director-General condemns killing of social media producer Jaime Vásquez in Colombia

Paris, 21 May 2024 - Audrey Azoulay, Director-General of UNESCO, has condemned the killing of journalist and social media producer Jaime Alonso Vásquez Giraldo in Cúcuta, Norte de Santander province, Colombia on 14 April.

*"I condemn the killing of Jaime Vásquez and call for a thorough investigation to ensure that the perpetrators are brought to justice. Impunity for such crimes must not be tolerated as it only emboldens those who seek to silence critical journalists,"* said **Audrey Azoulay, UNESCO Director-General**.

Jaime Vásquez was a columnist, blogger and social media producer, notably covering local governance issues. He was shot and killed by two unidentified assailants inside a local store. He was reportedly receiving police protection at the time of his killing.
