Live-code an app with Cloud Run and Flutter

Katie McLaughlin

Developer Relations Engineer, Google Cloud
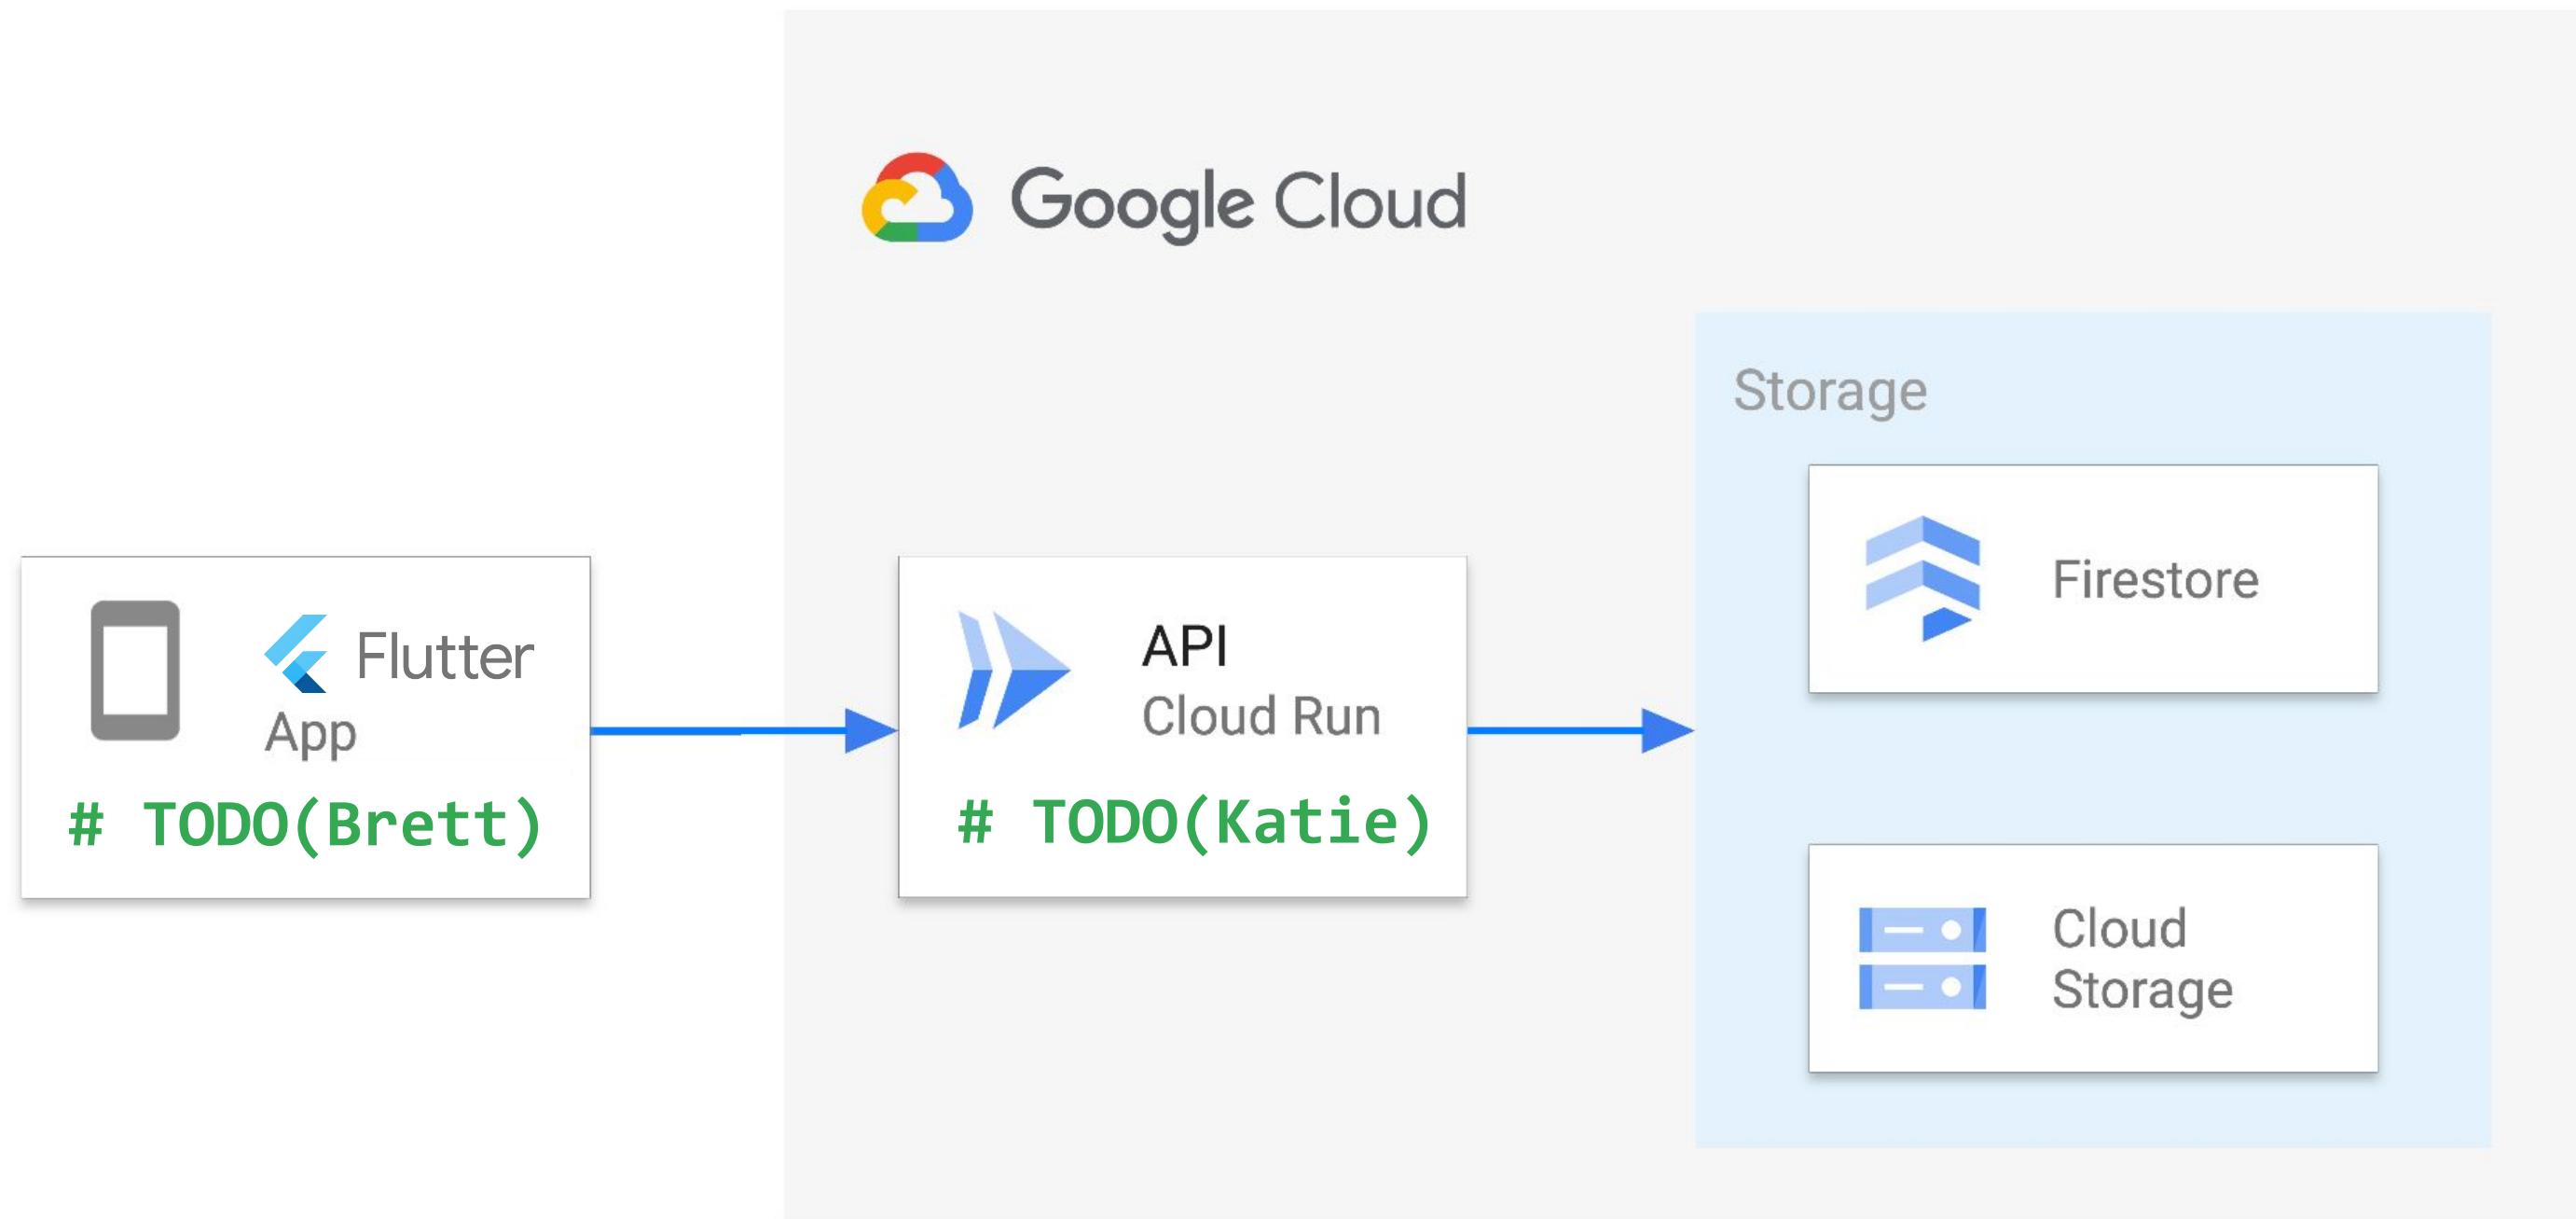

Brett Morgan

Developer Relations Engineer, Google Cloud

What we are going to make today?

Architecture

Flutter App

TODO(Brett)

Google Cloud

API Cloud Run

TODO(Katie)

Storage

Firestore

Cloud Storage

Using Cloud Run

Let's deploy an API

Cloud Run URL

Service
name

https://api-iyxoovcjfq-uc.a.run.app

Secure
by default

Project Hash

Region
Code

Using Flutter

Let's build an app

Let's discuss.

(It's Q&A time.)
