

Google Cloud

Next '24

The ultimate hybrid example

A fireside chat about how Google Cloud powers (part of) Alphabet

Bobby Allen

Group Product Manager
Google Cloud

Seth Vargo

Principal Software Engineer
Google Cloud

Scale

**Tell us about Alphabet's
footprint on Google Cloud.**

History

**What did Google's
infrastructure look like in the
pre-cloud era?**

Reflection

**Where is Google's center of
infrastructure innovation?**

Understanding

**What does "hybrid cloud"
actually mean?**

Big Query

**Why doesn't all of Google run
on Google Cloud?**

Inception

**Does Google Cloud use
Google Cloud to build on
Google Cloud?**

Moving Forward

Will more Google workloads adopt Google Cloud?

Wrap Up
