You should therefore read this User Agreement carefully and in its entirety.

It is also important that you understand fully what data we collect from you and from your Device. For full details of the type of information we collect via our App and the Subscription Services, our use of such information and to whom we may disclose this information, you must read and accept our Privacy Statement which is hereby incorporated into and forms part of this User Agreement.

PLEASE NOTE ALSO THAT THIS USER AGREEMENT CONTAINS TERMS WHICH LIMIT OUR LIABILITY TO YOU. IF YOU DO NOT AGREE TO THIS USER AGREEMENT THEN YOU SHOULD NOT ACCESS OR USE THIS APP AND/OR THE SUBSCRIPTION SERVICES.

3. Important Notice and Disclaimer About this App and our Subscription Services

We make this App, and the Subscription Services through it, as an aid for Parkinson's Disease sufferers.

BEATS MEDICAL IS NOT ENGAGED IN THE PRACTICE OF MEDICINE, DOES NOT PROVIDE MEDICAL OR HEALTHCARE SERVICES, AND IS NOT A HEALTHCARE PROVIDER. This App and any information provided in, via or obtained from it should not be relied whatsoever for any purpose that may require medical consultation, diagnosis, decision and/or prescription. We do not offer or give medical advice. This App is intended to assist Parkinson's Disease sufferers, but not to replace the relationship between you and your medical professional(s). By using this App and the Subscription Services you agree that the information provided in, via or obtained from this App are not a substitution for proper consultation or care by a doctor, psychiatrist, physiotherapist, therapist, nutritionist, support group or other medical or health professional. Always seek the advice of your doctor, psychiatrist, physiotherapist, therapist, nutritionist or other medical or health professional with questions regarding your health. Never disregard professional medical advice or delay seeking such advice because of your use of the App or the Subscription Services and/or anything you may have read on this App.

As noted above, our App and Subscription Services are intended as an aid for Parkinson's Disease sufferers. The Subscription Services and/or any Commentary, opinions and other messages or materials posted on or obtained from our App are not intended to amount to advice on which reliance should be placed. In no circumstances should the Subscription Services and/or information obtained through this App be considered a substitute for conventional treatments or of the

information and results garnered and provided by a qualified health professional, owing a duty of care to his/her patient. This duty of care is not transferred to, or shared by, us or any other user of the App. We do not recommend or endorse any specific tests, studies, treatments, protocols, medical practitioners, products, procedures, opinions or other information that may be found on this App or on links reached through the App. You retain sole responsibility for, without limitation, all assumptions, interpretations, conclusions and actions made by you arising from your use of this App and/or the Subscription Services.

Therefore, to the maximum extent permitted by applicable law, your use of this App and/or the Subscription Services is at your own risk and we therefore disclaim all liability and responsibility arising from your use or inability to use the App and/or the Subscription Services and any reliance placed on commentary and other materials posted on or obtained from our App by any visitor to our App, or by anyone who may be informed of any of its contents.

We do not warrant the accuracy, precision, updating or exhaustiveness of information made available on this App or through the Subscription Services. Accordingly, to the maximum extent permitted by applicable law, we disclaim all liability for any loss, damage or distress resulting from any information made available on this App or the Subscription Services and from your use of such information.

You understand and agree that to the maximum extent permitted by applicable law we are not responsible or liable whatsoever for any claim, loss or damage directly or indirectly resulting from your use of this App and/or the Subscription Services. Therefore, you understand and agree that:

- our App does not guarantee recovery from any medical condition or complaint experienced at the time of using our App or thereafter; and
- you should seek the advice of a doctor or other qualified health professional in respect of any questions concerning medical conditions, psychological distress, nutrition and/or other matters of health.

PARKINSON'S DISEASE SUFFERERS MAY BE MORE SUSCEPTIBLE TO LOSSES OF BALANCE AND/OR HAVE A HIGHER RISK OF FALLING. USERS OF THE APP, ESPECIALLY THE METRONOME SERVICE, COULD BE AT RISK FOR FALLING WHILE USING THE SERVICE AND COULD SUFFER SIGNIFICANT INJURIES OR EVEN A FATALITY. CONSEQUENTLY, PEOPLE WHO HAVE A HISTORY OF A LOSS OF BALANCE OR OF FALLING, OR THAT HAVE SUFFERED A LOSS OF BALANCE OR A FALL IN THE RECENT PAST, SHOULD NOT USE THE APP OR THE SUBSCRIPTION SERVICES.

Use of the App and/or the Subscription Services in an outdoor environment, especially through the use of headphones, is at a heightened risk due to the ability of the App and/or the Subscription Services to distract a user from his or her surrounding environment, including causing an inability to hear noises or see and identify risks. WE STRONGLY RECOMMEND THAT THE APP AND THE SUBSCRIPTION SERVICES BE USED ONLY IN AN INDOOR ENVIRONMENT THAT HAS BEEN ESTABLISHED AS A SAFE AND RISK-FREE ENVIRONMENT AND THAT IS FREE OF OBSTACLES.

Our Metronome Service (as defined below) is designed to work with your lifestyle and not be intrusive or affect your activities. However, we strongly recommend that you take extra care using the Metronome Service such that you do not become distracted by or unduly focused on the metronome such that you put yourself or others at danger. Our Metronome Service should not be used while operating a vehicle or machinery. Individuals that have a history of falls or that have had one or more recent falls in the past should not use the App and/or the Subscription Services, especially the Metronome Service.

Use of our Speech Services (as defined below), like our other Subscription Services, is not without risk. Among other concerns, users of the Speech Services may speak or otherwise verbalize sounds too loudly, which can cause damage to the user, including vocal strain and/or breathlessness. A volume gauge has been included in order to help you identify if you are speaking or verbalizing too loudly, but it is reliant on you monitoring and responding to this gauge, and the gauge can be affected by background noise.

Use of our Dexterity Exercises (as defined below) requires fine and repetitive hand movements, such as pinching, drawing, and releasing. Such movement, especially if done frequently, may result in certain consequences associated with those activities, including muscle cramps.

Our Calendar Service (as defined below) is intended as a handy reminder to take your medications. It is only as reliable as the information you input into the App and we do not recommend you rely on the Calendar Service as your sole means of reminder to take medication. Taking your medication is solely your responsibility.

The Subscription Services may be monitored by us but we do not offer 24/7/365 monitoring as part of the Subscription Services and we are not a medical alert service.

Nothing in this User Agreement shall affect any rights to which you are entitled under applicable law.

4. Services

We offer six primary services: (i) a daily 2 minute metronome assessment; (ii) our metronome therapy which if used correctly provides you with a daily, tailored metronome which is intended to assist your mobility. (“**Metronome Service**”); (iii) speech exercise, which includes words, sentences, and “ahh” exercise (“**Speech Exercises**”); (iv) dexterity exercises, including the 9-hole peg test, handwriting, and agility exercises (“**Dexterity Exercises**”); (v) a calendar service where you can insert daily and hourly reminders to take your medication (“**Calendar Service**”); and (vi) reports on your progress (“**Reporting Service**”). We also provide support to users, such as phone support with the set-up of the services and thereafter (all such services collectively referred to as the “**Subscription Services**,” which term also shall include any additional or replacement services offered by us via the App from time to time).

In order to use the Metronome Service you must use the App each morning to perform a test of your mobility using your Device. It is intended that you use this metronome for at least ten minutes, twice daily. This is repeated daily for the duration of your Subscription (as defined below) or as often as you use the Metronome Service.

As part of the Reporting Service we review your use of the metronome provided to you and we will provide you with monthly reports which are accessible via the App or via our website www.beatsmedical.com. When accessing our website www.beatsmedical.com, in order to access your reports, you are subject to this User Agreement.

The Calendar Service provides reminders via the App and your Device to take any medication which you have inputted into the App. This is a reminder service only and is only as reliable as the information inputted by you and the availability to you of your Device and the App.

5. Subscriptions and Payment

We currently offer an annual subscription to the Subscription Services (“**Subscription**”) payable monthly in arrears at a daily charge of €1.00 (“**Subscription Fee**”). The Subscription Fee must be paid by direct debit, and the Subscription Services will only commence after receipt of your completed direct debit mandate.

In consideration of payment of the Subscription Fee, we grant you the right to access and use the Subscription Service available from this App for the duration of your Subscription and any Renewal, subject to the terms and conditions of this User Agreement.

6. Renewal of your Subscription

Your Subscription will automatically renew on each annual anniversary of your Subscription for a further period of 12 (twelve) months (each, a “Renewal”). You can opt-out from this Renewal at any time by emailing us at office@beatsmedical.com, writing to us at 4 Cubes 1, Beacon South Quarter Sandyford, Dublin 18.

We may increase the Subscription Fees in advance of any Renewal to apply to that Renewal. These will be notified to you in advance so that you can decide to renew or not.

7. Amendments and Changes to this User Agreement

We may change the terms of this User Agreement at any time by sending you an SMS with details of the change or notifying you of a change when you next start the App. The new terms may be displayed on-screen and you may be required to read and accept them to continue your use of the Subscription Services.

During your Subscription or any Renewal (other than on Renewal): Your continued use of the App and/or the Subscription Services signifies your acceptance of any revised version of this User Agreement. If you do not agree to any changes during your Subscription or any Renewal you may notify us of your disagreement by e-mailing us at office@beatsmedical.com and we will terminate the Subscription Services as soon as practicable. You will be liable for the Subscription Fees due and payable up to that point and these will be deducted via your direct debit mandate.

On any Renewal: On any Renewal your continued use of the App and/or the Subscription Services signifies your acceptance of the then current version of this User Agreement.

8. Your Device and Updates to this App

You will be assumed to either own or have obtained permission from the owners of the mobile telephone or handheld devices that are controlled, but not owned, by you (“Devices”) and to download a copy of the App onto the Devices. You and they may be charged by your and their service providers for internet access on the Devices. You accept responsibility in accordance with the terms of this User Agreement for the use of the App or the Subscription Services on or in relation to any Device, whether or not it is owned by you.

From time to time updates to the App may be issued through the relevant app store. Depending on the update, you may not be able to use the Subscription Services until you have downloaded or streamed the latest version of the App and accepted any new terms. We are not liable if you do not have a compatible device or if you download the wrong version of the App for your Device.

18. Other

Nothing in the User Agreement shall be construed to create a partnership or agency relationship between you and us and neither party shall have the right or authority to incur any liability debt or cost or enter into any contracts or other arrangements in the name of or on behalf of the other.

If we fail to insist that you perform any of your obligations under the User Agreement, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.

This User Agreement constitutes the entire agreement between us and you with respect to the subject matter contained in this User Agreement and supersedes all previous and contemporaneous agreements, proposals, and communications, written or oral, related to that subject matter.

You also may be subject to additional terms and conditions that may apply when you use the products or services of a third party that are available through the App. In the event of any conflict between such third-party terms and conditions and this Agreement, this Agreement shall govern.

This User Agreement is personal to you and you may not assign it to anyone. If any provision of this User Agreement is found to be unlawful, void or for any reason unenforceable, then that provision will be deemed severable from this User Agreement and will not affect the validity and enforceability of any remaining provisions. This User Agreement is not intended to benefit any third party and does not create any third-party beneficiaries. Accordingly, this User Agreement may be invoked or enforced only by you or us. You agree that, to the extent permitted by applicable law, any claim or cause of action that you may have arising out of or related to use of the App, the Subscription Services or this User Agreement must be filed by you within one year after the claim or cause of action arose or else be forever barred. Any and all provisions of this User Agreement that reasonably would be expected to be performed after the termination or expiration of this Agreement shall survive and be enforceable after such termination or expiration, including, without limitation, provisions relating to ownership, indemnification, limitation of liability and governing law.

19. Irish Law Applies

Ireland is the place of performance in respect of this App. Accordingly, this User Agreement, and any dispute arising under or relating to this Agreement, shall in all respects, be governed by and construed in accordance with the internal substantive and procedural laws of the Republic of Ireland, without regard to any conflicts-of-laws principles.

This User Agreement and any dispute or claim arising out of or in connection with it are or their subject matter or formation (including non-contractual disputes or claims) are governed by and construed in accordance with the laws of Ireland, and you agree that the courts of Ireland have exclusive jurisdiction to hear and determine any actions or proceedings that may arise out of or in

connection with the User Agreement. However, this does not prevent us from instituting proceedings outside of Ireland.
