

Dear Valued Customer,

As you must be aware, India is moving towards a Pan Country Goods & Services Tax (GST) regime, which would substantially transform the current Indirect Tax landscape in the country. GST is perhaps the biggest tax reform in the country and a lot of progress has been made in the last few months on this front. The Government is moving at a fast pace to implement GST with effect from July 1, 2017.

Please note that all business entities are required to obtain a GST registration (unless exempt under the law). We request you to kindly submit your GST Identification Number (GSTIN) which we will link to your account to enable you to receive credit for GST paid by you (if eligible). Please note that only one GSTIN can be linked against one account. We request you to recheck the details before providing it to us since RBL Bank will not be liable if incorrect GSTIN details has been provided by you.

We also request you to provide the GSTIN details for your company/entity in the below table and send an email from your registered email id to [customer@rblbank.com](mailto:customer@rblbank.com).
