

App Privacy Policy

Last updated 8th November, 2021

SeniorTalk (“we” or “us” or “our”) respects the privacy of our users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (the “Application”). Please read this Privacy Policy carefully. IF YOU DO NOT AGREE WITH THE TERMS OF THIS PRIVACY POLICY, PLEASE DO NOT ACCESS THE APPLICATION.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted.

This Privacy Policy does not apply to the third-party online/mobile store from which you install the Application or make payments, including any in-game virtual items, which may also collect and use data about you. We are not responsible for any of the data collected by any such third party.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the Application depends on the content and materials you use, and includes:

Personal Data

Demographic and other personally identifiable information (such as your Name, Profile Picture and Phone Number) that you voluntarily give to us when choosing to participate in various activities related to the Application, such as chat, posting messages, sending feedback, and responding to surveys. If you choose to share data about yourself via your profile, online chat, or other interactive areas of the Application, please be advised that all data you disclose in these areas is public and your data will be accessible to anyone who accesses the Application. Your name, profile picture, phone number & other basic details will be shown in the Admin App.

Derivative Data

Information our servers automatically collect when you access the Application, such as your native actions that are integral to the Application, including liking, re- blogging, or replying to a post, as well as other interactions with the Application and other users via server log files.

Contact Permissions

The Application may by default access your Device Contact List basic which allows you to select a contact to start a chat with. Your Contact List is not uploaded in our server & is only visible within the device itself.

Audio & Video Recording Permissions

The application needs Audio & Video recording permissions to render Audio & Video Calls services within the Application. Audio & Video services are only active during Video & Voice calling feature being used in the App. Audio recording is also used for sending voice messages in chat.

Gallery & Storage Permissions

We may request access or permission to gallery & mobile storage to pick or save media data from your device upon your request.

Geo-Location Information

We may request access or permission to and track location-based information from your mobile device to send your location to the peer on your request while chatting, if you wish to share your location with the peer.

Mobile Device Access

We may request access or permission to certain features from your mobile device including storage, contacts, gallery, camera, microphone, Bluetooth, etc. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Information

Device information such as your mobile device ID number, model, and manufacturer, version of your operating system, phone number, country, location, and any other data you choose to provide.

Push Notifications

We may request to send you push notifications regarding your account or the Application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

1. Administer sweepstakes, promotions, and contests.
2. Assist law enforcement and respond to subpoena.
3. Compile anonymous statistical data and analysis for use internally or with third parties.
4. Create and manage your account.
5. Deliver targeted advertising, coupons, newsletters, and other information regarding promotions and the Application to you.
6. Email you regarding your account or order.
7. Enable user-to-user communications.
8. Fulfill and manage purchases, orders, payments, and other transactions related to the Application.
9. Generate a personal profile about you to make future visits to the Application more personalized.
10. Increase the efficiency and operation of the Application.
11. Monitor and analyze usage and trends to improve your experience with the Application.
12. Notify you of updates to the Application.
13. Offer new products, services, mobile applications, and/or recommendations to you.
