**Other than Personnel Services (OTPS) | Total Budgeted: \$**

---

*List all OTPS expenses individually (e.g. laptops/tablets, phones, travel, incentives, etc.). For each expense, please (1) provide a description of the items or services; (2) breakdown how the costs have been calculated; and (3) justify the need for the cost to carryout activities.*

**EXAMPLES:**

- Office Supplies: This budget line will purchase office supplies including binders, file folders, printer paper, toner, pens, etc. \$100 per month x 6.5 months = \$650.
- Computer Supplies: This budget line will purchase two tablets that will be used to collect program and participant data in addition to performing administrative work connected to this program. \$500 X 2 tablets = \$1,000.
- Printing: This budget line will cover the costs of printing outreach materials including flyers, registration forms, handouts, workshop information, etc. \$500 x 6.5 months = \$3,250.

**Indirect Costs | Total Budgeted: \$**

---

*Describe how your organization's indirect rate is determined and what costs are represented.*

- *Organizations with a Negotiated Indirect Cost Rate Agreement (NICRA) may budget using that rate.*
- *Organizations that do not have a NICRA may use a de minimis rate of 10 percent. This is a maximum allowance; if the organization has lower rates, the lower rates should be used.*
- *If requesting a negotiated rate, attach a copy of the [current fully executed, indirect cost rate agreement](#).*

**EXAMPLE:**

FPHNY has a federally approved indirect cost rate of XX%, which covers overhead costs such as rent, utilities, and insurance, as well as general and administrative expenses, including finance and accounting, human resources, payroll, and benefits administration. Please see attached agreement.
