About a proclaiming an initiation

The Mongolian Naadam is our historical tradition and enthusiasm which is trying out a speed, power, wise and racing of the wrestlers, archers and horses. And we are the descendants of the Chinggis Khaan must to inherit this national phenomenon to the next generation. Also the Naadam is our pride in the world history.

The Mongolian Naadam is the major Mongolian holiday and a wonderful time to experience the culture and people of this amazing land. We support an initiation to proclaim the Mongolian Naadam to the Representative List of the Intangible Cultural Heritage of Humanity and send this letter.

Монголын хурдан морьны уралдаан нь монгол угсаатны үүсэн бүрэлдэж, оршин тогтнож ирсэн бүх түүхийн туршид салшгүй хамт явж ирсэн манай ард түмний бүтээсэн соёлын нэгэн хэсэг бөгөөд түүнд бидний өвөг дээдсийн хүсэл бодол, зориг санаа, оюун ухаан, хөдөлмөр зүтгэл нэвт шингэсэн юмаа.

Ялангуяа монголчуудын хурдан морь уяж сойж, уралдуулах арга зүй, систем нь олон үеийн монголчуудын оюуны үнэт бүтээл гэдгийг миний бие энэ сэдвээр хагас зуу шахам жил судалгаа шинжилгээ хийсэн хүний хувьд, олон үе удмаараа хурдан морь уяж сойж, уралдуулж ирсэн уяач хүний хувьд баттай нотолж чадах юм.

Энэ их чухал оюуны үнэт зүйлийг наад зах нь хадгалан авч үлдэх, цаашилбал бусад улс үндэстний хүртээл болгон дэлгэрүүлэх нь зүйтэй юм. Үүнд ЮНЕСКО-ийн дэмжлэг туслалцаа маш чухал учир "Эрийн гурван наадам"-ыг биет бус соёлын өвд бүртгүүлэх ажлыг бүрэн дэмжиж байна.

The Mongolian traditional horseracing is one of the inseparable parts of the Mongolian

culture. It reflects a dream, heroism, mentality and effort of our ancestors.

As a researcher on horseracing in half-hundred years and as an inherited horse trainer I

can prove the system and methodology on training and racing of the horses are the

valuable creation of the mentality culture of the Mongolians of more generations.

I consider as right that a safeguarding and well as spreading to the worldwide in further. I

think that the UNESCO's support has a great significance for realization this mission and

I support an initiation to proclaim the Mongolian Naadam to the Representative List of

The Mongolian Naadam is the culture which contents a livelihood, husbandry, history, technology, education, sport and army traditions. Also it is a Mongolian contribution to the world cultural heritages. In my opinion it has a historical significance to proclaim this specific phenomenon to the Representative List of the Intangible Cultural Heritage of Humanity.

I'm one of the persons, who views that it is a heritage which needs to be in center of the attention not only of the Mongolians but of the world publics. Because this Mongolian cultural heritage needs to joint activity for its safeguarding, research and advertising as one of the unique system which includes all of the sacred items of real Mongolian habit, thought and custom in the complex.

In my view our traditional festival must to entry to the list of items which have a significance to protect and spread in the global context.

The Mongolian publics highly appreciate your contribution to the safeguarding and

maintaining the various cultural heritages of the humankind.

Recently we hope that your organization will successfully implement a proclamation the

Mongolian traditional Festival Naadam (Three manly games as wrestling, archery and

horseracing) to the Representative List of the Intangible Cultural Heritage of Humanity.

Three manly games as well as horseracing are the biggest contribution which made by the

Mongolians to the civilization of the humankind.

The Mongolian horseracing has many thousand years tradition and developed from year

to year and became as a part of the wonderful cultural heritages created by humankind.

About supporting an initiation

The peoples of the Selenge aimag congratulate the Mongolian National Commission for UNESCO and its effort to promote and proclaim the Mongolian traditional festival to the Representative List of the Intangible Cultural Heritage of Humanity. In this time the Mongolian Naadam or Three manly game has its tradition and heritage only in the Mongolia and developed in the global text. In this view the citizens, sportsmen, especially horse trainers, wrestlers and archers, their young generation as students and interesting peoples fully support this initiation.
