B. Contribution of the organization to the implementation of the Convention at the national level (Chapter III of the Convention)¹

Distinguish between completed activities and ongoing activities. If you have not contributed, this should be indicated. Also describe any obstacles or difficulties that your organization may have encountered in such participation.

B.1. *Describe your organization's participation in State efforts to develop and implement measures to strengthen institutional capacities for safeguarding intangible cultural heritage (ICH) (Article 13 and Operational Directive (OD) 154), e.g. in the drafting of ICH-related policies or legislation, in the establishment of national ICH committees or in other government-led processes.*

Not to exceed 250 words

WFCMS engages in regulation construction of TCM intangible culture heritage safeguarding led by the State Council: providing suggestions on Law of the P.R.C on Intangible Cultural Heritage from TCM safeguarding perspective; participating in drafting laws and regulations including Law of the P.R.C on Chinese Medicine, Several Proposals of State Council on Supporting and Promoting TCM Industry, and Strategic Plan for Chinese Medicine Development 2016-2030. The president of Specialty Committee of Research on Traditional Knowledge

¹. In case your organization operates in several States, please indicate clearly which State or States are concerned by your answers when filling in parts B, C and E.

Protection of WFCMS was designated to serving for National Intangible Cultural Heritage Safeguarding Committee and participating in consultation, argumentation, evaluation and professional direction.

B.2. Describe your organization's cooperation with competent governmental bodies for the safeguarding of intangible cultural heritage (Article 13), including existing institutions for training on and the documentation of ICH (OD 154).

Not to exceed 250 words

Cooperation between WFCMS and Department of Intangible Culture Heritage of Ministry of Culture of the P.R.C was made in 2012 and 2013. The training on inheritor of traditional medicine of ICH was carried out twice in Xiangxi, Hunan province and Huhhot, Inner Mongolia, enhancing knowledge on traditional Chinese medicine protection for over 200 inheritors. WFCMS still serves as consultative agency for institutions including Department of ICH of Ministry of Culture of P.R.C and Protection Centre for ICH.

B.3. Describe your organization's involvement in or contribution to the drafting of the State's Periodic Report (OD 152).

Not to exceed 250 words

None

B.4. Describe your organization's participation in the preparation of nominations to the Urgent Safeguarding List or Representative List, requests for International Assistance or proposals of Good Safeguarding Practices.

Not to exceed 250 words

In 2018, WFCMS participated in the drafting, revision and demonstration of the application materials for the "Tibetan Medicine Bathing Law-Knowledge and Practice of Tibetans in China on Life, Health and Disease Prevention and Control". After that, We actively promoted the demonstration work of China and Mongolia's joint application for the Mongolian medicine project to be included in the "Representative List of Human Intangible Cultural Heritage."

B.5. Describe your organization's participation in the identification, definition (Article 11.b) and inventorying of ICH (Article 12, OD 80 and OD 153). Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals.

Not to exceed 250 words

WFCMS, as an academic organization, currently has 276 member societies in 72 countries and regions, established nearly 200 branches to unite TCM inheritance groups around the world to protect ICH program by the Ministry of Culture of PRC.

WFCMS also assisted the MCPRC to carry out ICH surveys, gathering the opinions of inheritors from various countries, recommending outstanding projects to apply for the list of representative projects at all levels. Our organization authorized experts to participate in National ICH Review and compilation of the list of representative items of ICH. In 2020, 46 TCM projects are recommended to the list of recommended projects in the 5th batch of national ICH representative projects of China.

In 2018, we attended the 13th meeting of the UNESCO Intergovernmental Committee for the Protection of ICH. As the only representative of the TCM sector among the non-governmental organizations certified by UNESCO, we carried out the "World TCM Intangible Heritage Sub-venue", including promotion booth, cultural exhibition, free consultation, etc. In 2019, we participated and held exhibition during the World Horticultural Expo, Beijing, China. In 2020, the COVID-19 epidemic spread globally. WFCMS has contributed efforts in helping affected countries and regions, donated money and medical materials and shared TCM experience in prevention and anti-epidemic. The value of donation has exceeded 50 million yuan. WFCMS will continue to work to support global anti-epidemic actions and do our best to fight the epidemic with the wisdom of intangible cultural heritage of TCM.

B.6. Describe your organization's participation in other safeguarding measures, including those referred to in Article 13 and OD 153, aimed at:

- a. promoting the function of ICH in society;
- b. fostering scientific, technical and artistic studies with a view to effective safeguarding;
- c. facilitating, to the extent possible, access to information relating to ICH while respecting customary practices governing access to specific aspects of it.

Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals when participating in such measures.

Not to exceed 250 words

WFCMS dedicates to TCM standardization. As the A-level liaison organization of the ISO/TC249, we submitted the work report (2018-2020) to TCM Division WHO, declaring 6 new standardized project proposals in 2020. WFCMS organized experts to participate in the online working meeting of ISO, submitted a report on the work of the A-level liaison organization to the ISO. TCM-Pulse Wave Format, ISO international standards, approved by WFCMS, was published on March 25th, 2020.

As a member of the NGO of WHO, WFCMS was invited to participate in the 73rd World Health Assembly, the 146th Executive Committee, and the online WHO working meeting of Standardized Terms of TCM. We submitted the work report (2018-2020) to TCM Division WHO.

In addition, WFCMS organized the "ICH Summit Forum" in 2018 and 2019 respectively. International Training Center for ICH in the Asia-Pacific Region under the auspices of UNESCO, the Chinese government authorities, NGOs experts and entrepreneurs in the TCM field around the globe shared their theoretical research and clinical experience, scientific research results and new ideas on international trade on ICH. Through participating in the UNESCO Intergovernmental Committee for the Protection of ICH and the sessions of Convention for the Safeguarding of The ICH General Assembly of The States Parties to the Convention, WFCMS has presented the TCM culture in various forms such as free consultations and movie broadcasts. With the promotion through our official website and WeChat platform our organization tried to let the public understand the importance of ICH.

B.7. Describe your organization's involvement in measures to ensure greater recognition of, respect for and enhancement of ICH, in particular those referred to in Article 14, ODs 105 to 109 and OD 155:

- a. educational, awareness-raising and information programmes aimed at the general public, in particular young people;
- b. educational and training programmes within the communities and groups concerned;
- c. capacity-building activities for the safeguarding of ICH;
- d. non-formal means of transmitting knowledge;
- e. education for the protection of natural spaces and places of memory whose existence is necessary for expressing ICH.

Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals when participating in such measures.

Not to exceed 250 words

WFCMS pays attention on TCM training, publicity on the cooperation with global TCM inheritors. Recently more than 10 international professional training was organized.

During the 7th session of Convention For The Safeguarding of the ICH General Assembly of the States Parties To The Convention, WFCMS set up a booth to introduce TCM in different dimensions, such as international standards, medical methods, herbals, Tai Chi and etc. WFCMS's Vice-Chairwoman Zhu Miansheng explained and demonstrated the pulse diagnosis of TCM, and Vice-Chairman Jia Jingquan performed Gudao Yin Baduan Jin and Tai Chi. Through the on-site display, WFCMS wished the participants could feel the charm of ICH of TCM.

At the 13th meeting of the UNESCO Intergovernmental Committee for the Protection of ICH, WFCMS also applied for a workshop, where our member-society Jianwutang gave demonstrations of Tai Chi and communicated with the participants in the treatment of diabetes. China's national ICH expert Liu Guangrui, the inheritor of "Acupuncture and Moxibustion·Liu's Therapy" invited the representatives to experience the acupuncture ICH skill, transmitting the TCM knowledge to the public.

From 2018 to today, WFCMS has organized "World Chinese Medicine Day" to promote TCM knowledge to the public, including the science popularization of ICH-TCM. In 2019, this activity has covered 73 cities in 43 countries/regions, with more than 10,000 TCM practitioners and fans participating. In 2020, more than 20 countries and regions have overcome difficulties of the epidemic and organized offline/online free consultations, online conferences and popular ICH science publicity activities.

C. Bilateral, sub-regional, regional and international cooperation

Report on any activities carried out by your organization at the bilateral, subregional, regional or international levels for the implementation of the Convention, including initiatives such as the exchange of information and experience, and other joint initiatives, as referred to in Article 19 and OD 156. You may, for example, consider the following issues:

- a. *sharing information and documentation concerning shared ICH (OD 87);*
- b. *participating in regional cooperation activities including, for example, those of category 2 centres for ICH established under the auspices of UNESCO (OD 88);*
- c. *developing networks of NGOs, communities, experts, centres of expertise and research institutes at subregional and regional levels to develop joint and interdisciplinary approaches concerning shared ICH (OD 86).*

Not to exceed 250 words

WFCMS dedicates to promoting communication and cooperation globally among TCM societies, exchange among TCM discipline and all kinds of medicine. Since 2004, WFCMS holds World Congress of Chinese Medicine (WCCM). It has been organized for 17 years, respectively in China, France, Canada, Singapore, Macau, Australia, the Netherland, UK, Malaysia, USA, Russia, Spain, New Zealand, Thailand, Italy, Hungary and China(Online). The Congress attracts roughly 800-1200 attendees to participate every year.

Last year, in front of the COVID-19 pandemic, WFCMS also held the 17th WCCM and over 1 million people watched the online live video all over the world. In the majority of the Conference, WFCMS set the sub-venue of ICH, providing an international exchange platform for global enterprises, academic institutions, and universities related to TCM ICH.

In order to better understand the relevant information and actions of UNESCO in ICH protection work, WFCMS has invited Mr. Liang Bin, director of International Training Center for ICH in the Asia-Pacific Region under the auspices of UNESCO, to participate in the "ICH Summit Forum of WFCMS" in 2018(Beijing, China) and 2019(Dunhuang, China), where Mr. Liang Bin delivered keynote speeches. WFCMS has been keeping in touch with the category 2 centre for ICH UNESCO and establishing network with other relevant organizations to strengthen communication and information sharing.

At same time, we held regional TCM forum in Asia, Europe, America, Africa and Oceania to accelerate TCM development among continents.
