Call for proposal for the evaluation of the Regional Centre for the Safeguarding of the Intangible Cultural Heritage in South-Eastern Europe, in Sofia, Bulgaria UNESCO Category 2 Centre

Closing date: 30 October 2016

TERMS OF REFERENCE

Background

Category 2 institutes and centres under the auspices of UNESCO form an important part of UNESCO's network and as a general rule represent an effective partnership model for UNESCO's programme delivery, significantly contributing to priority areas in UNESCO's fields of competence. Category 2 institutes and centres are intended to contribute to the achievement of UNESCO's strategic programme objectives and sectoral or intersectoral programme priorities and themes and to the attainment of programme results at the Main Lines of Action (MLA) level of the UNESCO programme and budget (C/5), whether through individual action, joint action with other category 2 institutes and centres or through joint implementation with the Secretariat. Category 2 institutes and centres can also play a considerable role in helping the Organization achieve programme objectives for which sectoral expertise or resources are not sufficient.

In order to enhance the operation and effectiveness of individual UNESCO category 2 institutes and centres, as well as the effectiveness of their network, a revised Integrated Comprehensive Strategy for institutes and centres under the Auspices of UNESCO, as contained in document [37 C/18 Part I and its annex](#), was approved by the 37th Session of the General Conference ([37 C/Resolution 93](#)). This strategy, among other elements, provides guidelines for renewal assessment procedures of category 2 institutes and centres.

Those guidelines provide that an agreement for the establishment of an institute or centre as a category 2 institute or centre is typically concluded for a definite time period, not exceeding six years. The agreement may be renewed by the Director-General, with the approval of the Executive Board, in the light of an evaluation of the activities of the institute/centre and of its contribution to the strategic programme objectives of the Organization and the aforementioned Integrated Comprehensive Strategy for category 2 institutes and centres.

The 35th session of the General Conference, in its [35 C/Resolution 58](#), approved the establishment in the Republic of Bulgaria of the Regional Centre for the Safeguarding of the Intangible Cultural Heritage in South-Eastern Europe (hereafter, 'the Centre'). The objectives of the Centre are to: (a) promote the UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage (ICH) and contribute to its implementation in the South-Eastern European subregion; (b) increase the participation of communities, groups and individuals in safeguarding intangible cultural heritage in the South-Eastern European countries; (c) enhance the capacity of the South-Eastern European Member States of UNESCO in safeguarding ICH; (d) coordinate, exchange and disseminate information regarding the safeguarding ICH in the sub-region; (e) foster regional and international cooperation for safeguarding ICH.

In order to achieve the above objectives, the specific functions of the Centre are to:

- a) instigate and coordinate research into practices of safeguarding ICH elements present in the South-Eastern European countries, as referred to in Articles 11, 12, 13 and 14 of the 2003 convention;
- b) organize training courses on the following subjects:
 - the 2003 Convention and its Operational Directives;
 - different examples of policies including legal, administrative, technical and financial measures fostering the safeguarding of ICH;
 - introduction to UNESCO publications on identification and documentation of ICH and their application in the field work;
 - safeguarding ICH through formal and non-formal education;
- c) enhance international, regional, and sub-regional cooperation through networking with institutions active in the domain of ICH, notably those established under the auspices of UNESCO (category 2), in order to coordinate activities, exchange information and knowledge concerning the safeguarding of ICH, and promote good practices.

Subsequent to the approval of the General Conference, an [Agreement concerning the establishment of the Centre](#) (hereafter, 'the Agreement') was signed between the Government of the Republic of Bulgaria and UNESCO on 25 October 2010. The Agreement is fixed for a period of six years as from its entry into force on 13 May 2011.

Purpose

The main objectives of this evaluation are to assess the Centre's performance with respect to its objectives and functions, as specified in the agreement between UNESCO and the host Government, and its contribution to UNESCO's strategic programme objectives and sectoral or intersectoral programme priorities and themes. The findings of the evaluation will serve as the basis for the Sector Review Committee's recommendation to the Director-General as to whether the Agreement should be renewed. The Director-General will then provide the results of these evaluations, including the endorsement or rejection to renew a specific agreement to the Executive Board. The approval of the Executive Board will be required before the Director-General can proceed with the renewal of an agreement between UNESCO and the Government of the Republic of Bulgaria.

The results of this evaluation will be shared with the Government of the Republic of Bulgaria and the Centre, and presented to the Executive Board, as specified in the Integrated Comprehensive Strategy. They will also be made available on the website of the Culture Sector.

Scope

In order to meet the purpose of the evaluation described above, the following parameters shall be considered by the expert(s) responsible for conducting the evaluation and writing a report that is consistent with UNESCO's reporting mechanisms:

- a) Whether the activities effectively pursued by the Centre are in conformity with its functions and as specified in the agreement signed between UNESCO and the Government of the Republic of Bulgaria;

- b) The relevance of the Centre's programmes and activities to achieving UNESCO's strategic programme objectives and sectoral or intersectoral programme priorities and themes, as defined in the Organization's Medium-Term Strategy (C/4), and to attaining programme results at the Main Lines of Action (MLA) level, as defined in the Organization's Approved Programme and Budget (C/5);
- c) The effectiveness of the Centre's programmes and activities to achieving its stated objectives, as defined in the Agreement;
- d) The quality of coordination and interaction with UNESCO, both at Headquarters and in the field, with regard to planning and implementation of programmes, as well as with other thematically-related category 2 institutes or centres, with regard to planning and implementation of programmes;

In addition to the findings on each topic, the expert(s) shall offer four types of recommendations:
