

## Privacy Policy

This Application collects some Personal Data from its Users.

### Summary

Personal Data collected for the following purposes and using the following services:

Personal Data: Cookie and Usage Data

Personal Data: Cookie, Usage Data, Profile information

### Full policy

Data Controller and Owner

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookie and Usage Data.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using this Application.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Application and declares to have the right to communicate or broadcast them, thus relieving the Data Controller of all responsibility.

Mode and place of processing the Data

Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties

(such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.

Place

The Data is processed at the Data Controller's operating offices and in any other places

where the parties involved with the processing are located. For further information, please

contact the Data Controller.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, or

stated by the purposes outlined in this document, and the User can always request that

the Data Controller suspend or remove the data.

The use of the collected Data

The Data concerning the User is collected to allow the Application to provide

its services,  
as well as for the following purposes: Access to third party services' accounts,  
Creation of  
the user in app profile, Content commenting and Interaction with external social  
networks  
and platforms.

The Personal Data used for each purpose is outlined in the specific sections of  
this  
document.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Data Controller,  
in Court

or in the stages leading to possible legal action arising from improper use of  
this

Application or the related services.

The User is aware of the fact that the Data Controller may be required to reveal  
personal

data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this

Application may provide

the User with additional and contextual information concerning particular  
services or the

collection and processing of Personal Data upon request.

System Logs and Maintenance

For operation and maintenance purposes, this Application and any third party  
services

may collect files that record interaction with this Application (System Logs) or  
use for this

purpose other Personal Data (such as IP Address).

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be  
requested

from the Data Controller at any time. Please see the contact information at the  
beginning

of this document.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been  
stored

and can consult the Data Controller to learn about their contents and origin, to  
verify their

accuracy or to ask for them to be supplemented, cancelled, updated or corrected,  
or for

their transformation into anonymous format or to block any data held in  
violation of the law,

as well as to oppose their treatment for any and all legitimate reasons.

Requests should

be sent to the Data Controller at the contact information set out above.

This Application does not support “Do Not Track” requests.

To determine whether any of the third party services it uses honor the “Do Not Track”

requests, please read their privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time

by giving notice to its Users on this page. It is strongly recommended to check this page

often, referring to the date of the last modification listed at the bottom. If a User objects to

any of the changes to the Policy, the User must cease using this Application and can

request that the Data Controller erase the Personal Data. Unless stated

otherwise, the

then-current privacy policy applies to all Personal Data the Data Controller has about

Users.

Information from the use of our Applications

When you use our mobile apps, we may collect certain information in addition to information described elsewhere in this Policy. For example, we may collect information

about the type of device and operating system you use. We may ask you if you want to

receive push notifications about activity in your account. If you have opted in to these

notifications and no longer want to receive them, you may turn them off through your

operating system. We may ask for, access or track location-based information from your

mobile device so that you can test location-based features offered by the Services or to

receive targeted push notifications based on your location. If you have opted in to share

those location-based information, and no longer want to share them, you may turn sharing

off through your operating system. We may use mobile analytics software (such as crashlytics.com) to better understand how people use our application. We may collect

information about how often you use the application and other performance data.
