## **Full Privacy Policy**

This privacy policy applies to anyone who uses SandDrive and its services. The publisher, TSS and its subsidiaries (“Publisher”) sets forth the policy and requires agreement from all users of the app (“User”) before they use the app and its services.

## **Data Collected**

Publisher reserves the right to collect data from and about the user including but not limited to location, activity, phone number, in-app communications, and other data entered by the user. Other data collection activities will be preceded by a notification to the user or update to this policy. All collection practices are in-line with policies and rules for the appropriate App Store which the app was downloaded from. We may change our data collection practices and policies from time to time and all changes will be reflected in an updated version of this privacy policy.

## **Ownership and Uses of Collected Data**

Publisher reserves the right to use this data for business purposes. Publisher may use the data however it sees fit and shall not be restricted by requests of the user. Publisher acknowledges that all uses of data will be within applicable App Store rules wherever this app is listed and available for download.

User will own all data generated by the app, but grants Publisher a perpetual, irrevocable, global, restriction-free license for use of the data. Publisher continues to own and abstractions or derivatives of the data and reserves the right to publish or repurpose data for other commercial purposes. Publisher guarantees to User that any external use of the data will anonymize data and remove and personally identifiable information.

## **User Content**

By continuing to use this app and its service, User expresses consent for Publisher to conduct business in accordance with this policy and agrees to all the terms herein without condition, qualification, or modification. For as long as User uses the app, they agree to the terms of the policy and grant Publisher all rights defined herein.

## **Changes to this Policy**

TSS reserves the right to change the SandDrive app privacy policy at any time and without notification to its user.
