Third Party Offerings and Third Party Terms

For purposes of these Terms, "**Third Party Offerings**" shall mean (i) certain software or services delivered or performed by third parties that are required for the operation of the Service or certain features of the Service, and certain other applications and associated offline products provided by third parties, in each case that interoperate with the Service or (ii) certain software or services delivered or performed by third parties and that are made available to Customer and its Users as part of the Service. Google Workspace, including Google Sheets™ and Google Docs™ (if the Service is used via the GPT for Sheets™ and Docs™ modality), Microsoft 365™, including Microsoft Excel™ and Microsoft Word™ (if the Service is used via the GPT for Excel™ Word™ modality) and AI Providers are examples of Third Party Offerings for the purpose of these Terms.

Certain Third Party Offerings are made available to Customer and its Users as part of the Service itself. Other Third Party Offerings are not made available as part of the Service, instead, the Service may use or contain features designed to interoperate with these Third Party Offerings. To use the latter Third Party Offerings, Customer shall obtain access to such Third Party Offerings from applicable providers. Any acquisition or use by Customer of any such Third Party Offerings, if applicable, and any exchange of data between Customer and any provider of a Third Party Offering, is solely between Customer and the applicable provider of the Third Party Offering.

Talarian shall not be liable for Customer's or Customer's User use of, and does not warrant or support any Third Party Offering. Customer grants Talarian permission (a) to allow the provider of any Third Party Offering to access and use all Customer Content and (b) to access and use Customer data and documents to which the Third Party Offering gives access to Talarian, in each case solely as required for the interoperation of the Service or the relevant Third Party Offering. If the provider of any Third Party Offering (i) ceases to make available the Third Party Offering in specific states or territories or for specific organizations or (ii) ceases to make the Third Party Offering available for interoperation with the corresponding Service features on reasonable terms and conditions, Talarian may cease providing such features or the Service altogether, without entitling Customer to any refund or credit.

Customer shall comply with the relevant terms and conditions and/or policies of all applicable third-party services providers, including, but not limited to, the Google Cloud Platform

Acceptable Use Policy (available at <https://cloud.google.com/terms/aup>), the then-current Microsoft's acceptable use policy available at <https://www.microsoft.com/licensing/terms/product/ForOnlineServices/all> (with respect to GPT for Excel Word™ only) and the relevant terms and conditions of any Third Party Offering. Customer will indemnify, defend, and hold Talarian harmless from and against any damages, expenses and cost arising from or relating to Customer's or Customer's Users failure to comply with such applicable third-party terms.

Fees, Term, Termination and Refund

1. **Fees.** Customer agrees to pay the Service fees applicable to Customers and its Users for the use of the Service, if applicable. Such fees will be paid to Talarian at the time and in the form established in the pricing option selected by you in the pricing page, before installing the Service or as detailed in the relevant order form, if applicable. All fees and charges are payable in advance and non-refundable (except as otherwise established in the pricing option selected by you on the pricing page or as detailed in the relevant order form), including in the case of unused credits, subscription periods (if applicable), or after termination or cancellation, unless otherwise disclosed at the time of purchase. Without limiting any other remedies, any late payment will accrue late charges at a rate of one and a half percent (1.5%) per month, or the maximum rate allowed under law, starting from the day after the payment due date until full payment is received.

2. **Term.** The term shall commence on the Effective Date as defined below and will remain in effect until the expiration of your purchase or the termination of the Terms, whichever occurs first (the "**Term**"). "**Effective Date**" is the date You enter into these Terms by installing the Service, or by mutually executing one or more order forms with us which reference these Terms, or by otherwise accessing or using any part of the Service in any manner.

3. **Termination.** You may terminate the Terms for convenience at any time during the Term; however, in case of termination for convenience before the end of the Term, all fees associated with your then-current purchase remain due and payable and no refunds of prepaid fees will be paid to you.

4. **Refund.** Given the nature of the Service, Talarian does not offer a refund or credit on a purchase unless required under applicable consumer law. Talarian will generally not provide refunds in the following situations:

- a. You have changed your mind about the Service
- b. You don't need to use the Service anymore
- c. You purchased the Service by mistake
- d. You do not have sufficient expertise to use the Service
- e. You ask for goodwill
- f. You forgot to cancel auto-renewal of the Service, if applicable, depending on the pricing option
- g. The Service does not meet your expectations

This list is not exhaustive and shall not be construed so as to limit our right to decline refund requests in other situations. Talarian reserves the right to assess refund requests on a per-request basis.

If Talarian decides to issue a refund or credit, this will generally be done using the same manner you used to make the purchase. All refund requests should be made in writing by contacting support.

5. In case of non-payment for any reason (including, if applicable, Talarian's inability to charge your credit card or other payment method for any reason) or any violation of these Terms or the terms of any Third Party Offering, Talarian shall be entitled – without liability – to immediately suspend Customer's and Users' access to the Service. All fees are exclusive of all taxes, levies, duties, deductions, charges or withholdings levied by any governmental authority ("**Taxes**") and You will be responsible for payment of such Taxes, excluding only U.S. taxes based solely upon Talarian's net income, net worth, asset value, property value, or employment. If You purchase Your license to use the Service from Talarian, You hereby expressly agree that Talarian is permitted to bill you for the applicable fees, on the one hand, and any applicable Taxes You may incur in connection with your use of the Service, on the other hand; or charge such fees and Taxes to your credit card or other payment method designated on your initial registration with Talarian (if applicable) at regular intervals for the remainder of the term of these Terms. Notwithstanding anything to the contrary (including in any document signed by either or both parties), if Customer is required to deduct or withhold any Taxes from such payments, then the amount payable to Talarian shall be increased as necessary so that after making all required deductions or withholdings (including deductions applicable to additional amounts payable under this paragraph), Talarian will receive an amount equal to the amount it would have received had no such deductions been made. Customer shall indemnify and hold harmless Talarian from and against all claims, actions, costs, losses, damages and liabilities arising in connection with the breach by Customer of this paragraph. If you cancel your account at any time, you will not receive any refund.

If You purchase the Service through a reseller, You owe payment to the reseller as agreed between You and the reseller. You acknowledge that Talarian may suspend or terminate your rights to use the Services if Talarian does not receive the corresponding payment from the reseller, or if You are in breach of these Terms.

6. Customer agrees that Customer's paid use of the Service is neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public or private comments made by Talarian or Talarian reseller regarding future functionality or features.

Free Tier

If You register for a free tier offer, Talarian will make the Service available to You on a free tier basis until the earlier of (a) termination, (b) the end of the relevant free tier period for which You registered to use the applicable Service, if applicable or (c) consumption of relevant credits attached to the free tier offer, if applicable. You may not create more than one account to benefit

from credits provided in the free tier of the Service. If Talarian believes Customer or Users are not using the free tier in good faith, Talarian may charge Customer standard fees or stop providing access to the Service. YOUR CONTENT ON OUR SYSTEMS OR IN OUR POSSESSION OR CONTROL AND ANY CUSTOMIZATIONS MADE TO THE SERVICE BY OR FOR YOU, DURING THE FREE TIER PERIOD MAY BE PERMANENTLY LOST OR DELETED AT THE END OF THE FREE TIER PERIOD. TALARIAN WILL HAVE NO LIABILITY FOR ANY HARM OR DAMAGE ARISING OUT OF OR IN CONNECTION WITH A FREE TIER OFFER.

Intellectual Property

Customer hereby acknowledges and agrees that, subject to the limited rights granted hereunder, Talarian (or its licensors) owns all legal right, title and interest in and to the Service, including, without limitation, any Intellectual Property Rights or other proprietary rights which exist in the Service (whether such rights are registered or unregistered, and wherever in the world those rights may exist) (“**Our Technology**”). For purposes of these Terms, “**Intellectual Property Rights**” means, on a worldwide basis, any and all now known or hereafter known (a) rights associated with works of authorship including copyrights and moral rights, (b) trademark and trade name rights and similar rights, (c) trade secret rights, (d) patent rights and other industrial property rights, (e) intellectual and industrial property rights of every other kind and nature and however designated, whether arising by operation of law or otherwise, and (f) all registrations, applications, renewals, extensions, continuations, divisions, or reissues thereof now or hereafter existing, made, or in force (including any rights in any of the foregoing).

Our Technology may not be copied, modified, reproduced, republished, posted, transmitted, sold, offered for sale, or redistributed in any way without our prior written permission and the prior written permission of our applicable licensors. Nothing in these Terms grants you any right to receive delivery of a copy of Our Technology or to obtain access to Our Technology except as generally and ordinarily permitted through the Service according to these Terms. Furthermore, nothing in these Terms will be deemed to grant, by implication, estoppel or otherwise, a license to Our Technology. Certain of the names, logos, and other materials displayed on the Service constitute trademarks, trade names, service marks or logos (“**Marks**”) of Talarian or other entities. You are not authorized to use any such Marks. Ownership of all such Marks and the goodwill associated therewith remains with and will inure to us or those other entities. Except as otherwise provided in these Terms, any use of third-party software provided in connection with the Service will be governed by such third parties’ licenses and not by these Terms.

Furthermore, any comments, ideas and/or reports about the Service that you provide to us, whether in written or electronic form (“**Feedback**”), shall be considered our proprietary and confidential information, and you hereby irrevocably transfer and assign to us all intellectual property rights embodied in or arising in connection with such Feedback, and any other rights or claims that you may have with respect to any such Feedback.

Confidentiality

“Confidential Information” means all non-public information disclosed in written, oral or visual form by either party or its affiliates (the “**disclosing party**”) to the other party or its affiliates (the “**receiving party**”). Confidential Information may include, but is not limited to, services, pricing information, computer programs, source code, names and expertise of employees and consultants, know-how, and other technical, business, financial and product development information. Confidential Information does not include any information that the receiving party can demonstrate by its written records (1) was rightfully known to it without obligation of confidentiality prior to its disclosure hereunder by the disclosing party; (2) is or becomes publicly known through no wrongful act of the receiving party, its affiliates and/or their employees and contractors; (3) has been rightfully received without obligation of confidentiality from a third party authorized to make such a disclosure; or (4) is independently developed by the receiving party without reference to or use of, directly or indirectly, Confidential Information disclosed hereunder.

Neither party will use any Confidential Information of the other party except (i) as necessary to exercise its rights and fulfill its obligations under these Terms, (ii) as expressly permitted by these Terms or (iii) as expressly authorized in writing by the disclosing party. The receiving party shall use the same degree of care to protect the disclosing party’s Confidential Information as it uses to protect its own Confidential Information of like nature, but in no circumstances less than a reasonable standard of care. The receiving party may not disclose the disclosing party’s Confidential Information to any person or entity other than to those of its affiliates, employees and contractors (and its affiliates’ employees and contractors) who: (i) are subject to a written agreement with the receiving party that includes use and confidentiality restrictions that are at least as protective as those set forth in these Terms, and (ii) need access to such Confidential Information solely for the purpose of fulfilling the receiving party’s obligations or exercising the receiving party’s rights hereunder. Talarian may also disclose Customer’s Confidential Information to Google Inc or any of its affiliates (where applicable), to Microsoft Corporation or any of its affiliates (where applicable) and/or any Third Party Offering interoperating with the Service for the sole purpose of rendering the Service. The foregoing obligations will not restrict the receiving party from disclosing Confidential Information of the disclosing party: (1) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the receiving party required to make such a disclosure gives reasonable notice to the disclosing party prior to such disclosure, to the extent legally possible; and (2) on a confidential basis to its legal and financial advisors.
