Step 5: Biometric Verification

Once you enter your personal details, you need to click a live selfie and upload it. After uploading the selfie, you need to do an E-sign in the space given on your screen.

- 1. While taking a Selfie avoid wearing a cap, mask or sun glasses to avoid any rejection.
- 2. When you upload the signature it will be your default signature in 5paisa. For any Online/Offline procedure you have to use the same signature to avoid rejections

Step 6: E-Sign

You need to digitally sign your form by filling up the e-sign form with your Aadhar card details using NDSL website approved by the Government. Once you enter the OTP that you receive your account opening process will be completed and the account will be activated in 24-48 working hours.

Note: If your Aadhar card is not linked to your Mobile Number you need to complete the account opening process through offline mode by contacting support@5paisa.com
