Development**

Logo Use Guidelines and Waiver of Liability Form

The logo and campaign material has been designed and developed by the Graphic Design Unit at the United Nations in New York.

The Graphic Design Unit is part of the Outreach Division at the Department of Public Information.

The **United Nations Conference on Sustainable Development (UNCSD)** will take place on 4-6 June 2012 in Rio de Janeiro, Brazil, twenty years after the landmark UN Conference on Environment and Development (Earth Summit) in Rio in 1992.

The logo for the Conference [short: **Rio+20 logo**] was designed by the Graphic Design Unit of the United Nations Department of Public Information in New York.

I. Design

The logo shows the three components of sustainable development – social equity, economic growth and environmental protection – connected in the shape of a globe. The three colours blend into each other, indicating the interconnectedness of the different components.

The words “**United Nations Conference on Sustainable Development**” appear below the logo, together with the informal name of the event, “**Rio+20.**”

The **Rio+20 logo** is available in the six official United Nations languages: English, French, Spanish, Russian, Arabic and Chinese; as well as in Portuguese. Stakeholders are encouraged to translate the text into other languages, but shall state clearly that they are solely responsible for the accuracy of the translation. They should further acknowledge that the United Nations shall not assume any responsibility or liability arising from the translated text.

II. Use of the logo by organizations of the United Nations system

Organizations of the United Nations system may use the **Rio+20 logo** without obtaining prior approval from the UNCSD Secretariat. However, for reporting purposes, the UNCSD Secretariat should be informed of events and informational materials for which the logo is used. The logo may be used for materials in connection with the Conference, including, inter alia, posters, brochures, books, videos, flash and powerpoint presentations, banners, illustrations and animations.

III. Use of the logo by non-UN entities

Entities outside the UN system may use the logo after obtaining approval from the UNCSD Secretariat in accordance with the requirements outlined below.

The **Rio+20 logo** is primarily intended for two kinds of promotional use:

a) information and b) fundraising, as outlined below:

a) Information uses of the logo

Information uses of the logo are those which are:

- primarily illustrative; and
- not intended to raise funds.

The **Rio+20 logo** should be used only in its entirety. Moreover, the **Rio+20 logo** should not be used alone, but should be displayed side by side with the logo of the entity. The logo of the entity should be given pre-eminence *vis-à-vis* the **Rio+20 logo**.

The authorization to use the **Rio+20 logo** does not permit the entity to use the United Nations emblem. Neither does it permit the user of the logo to sub-license or to further authorize the use of the logo to any other entities. Therefore, any non-UN entity interested in using the **Rio+20 logo** must apply for approval directly from the UNCSD Secretariat.

All entities interested in using the **Rio+20 logo** for information purposes must apply for approval to the UNCSD Secretariat. When requesting approval, the entities should provide:

- a short statement of identity (nature of the entity and its objectives);
- an explanation of how and where the logo will be used, including the names of countries/territories where the logo will be used.

Before the logo is used for information purposes, a waiver of liability (please see the text below) must be signed by the entity requesting to use the logo.

b) Fundraising uses of the logo

Fundraising uses of the logo are those intended to raise resources to cover costs of activities in support of the Conference. All entities interested in using the **Rio+20 logo** for fundraising purposes must apply for approval to the UNCSD Secretariat. When requesting permission to use the logo for fundraising purposes, the entities must provide:

- a short statement of identity (nature of the entity and its objectives);
- an explanation of how, when and where the logo will be used;
- an explanation of how, when and where the fundraising will take place;
- a summary budget; and
- an explanation of how the proceeds would be allocated to cover costs of activities in support of the Conference, including any proposed contributions that the entity would make to the United Nations and/or to local, national or international organizations in support of the Conference.

The **Rio+20 logo** should be used only in its entirety. Moreover, the **Rio+20 logo** should not be used alone, but should be displayed side by side with the logo of the entity. The logo of the entity should be given pre-eminence *vis-à-vis* the **Rio+20 logo**.

The authorization to use the **Rio+20 logo** does not permit the entity to use the United Nations emblem. Neither does it permit the user of the logo to sub-license or to further authorize the use of the logo to any other entities. Therefore, any non-UN entity interested in using the **Rio+20 logo** must apply for approval directly from the UNCSD Secretariat.

Before the logo is used for fundraising purposes, a waiver of liability (please see the text below) must be signed by the entity requesting to use the logo.

IV. Length of use of logo

The **Rio+20 logo** may be used starting in March 2011, including for the preparatory phase of the Conference, the actual Conference (June 2012), and any subsequent materials about the Conference and its follow-up process.

V. Liability

All entities authorized to use the **Rio+20 logo** for the purposes specified herein must agree to the following provisions on waiver of liability:

- The entity is responsible for ensuring that the activities are carried out in accordance with the applicable law and for ensuring that the appropriate insurance is maintained to cover the risks arising out of such activities;
- The United Nations does not assume any responsibility for the activities of the entity; and
- The entity shall hold harmless and defend the United Nations and its officials against any action that may be brought against the United Nations or its officials as a result of the use of the logo by the entity.

The waiver of liability form must be signed by the entity authorized to use the logo. All duly signed waiver-of-liability forms must be received by the UNCSA Secretariat before the proposed activities involving the use of the logo are carried out.
