- b. Where the reasonable and customary cost to repair exceeds the casualty loss value as determined in Section E.2.a hereof, the Motor Carrier shall be obligated only for the lesser sum.
- c. Parties shall invoice repair costs no later than the following timeframes: If Parties are not invoiced within the established timeframes, the right of the Invoicing Party to recover such charges will be lost: **[Revised 01/26/15]**

  - 2) Gate transactions using Recorded Images: Invoices for repair of Damages must be issued no later than 120 calendar days from the date of Interchange at the time the Damage was documented. **[Revised: 10/01/18]**
  - 3) Invoices for repairs made during the Interchange Period must be issued no later than 90 calendar days from the date of the repair. Provider may, in its Addendum, adopt a shorter billing timeframe, which is no less than 45 days, and applies to both the Motor Carrier and Provider. **[Revised 01/26/15]**
  - 4) The above timeframes shall not apply with respect to any Equipment that has been placed on hold at the request of any of the Parties because the Equipment was involved in an incident that could give rise to a claim or litigation. The applicable timeframe shall begin to run from the date on which all Parties agree to release the Equipment for repair.

In the event that the circumstances referred to in this situation arise and a hold is placed by Provider, upon receiving notice of the damage, the Provider will give notice to the interchanging Motor Carrier that such damages have occurred and that a hold has been placed on the repair. Failure to give such notice within 45 days of the Equipment being placed on hold will void the right of the Provider to invoice for such repairs. **[Revised 08/26/13]**

- a. Repair of Damage to tires during Motor Carrier's possession is the sole responsibility of Motor Carrier, based on prevailing reasonable and customary repair costs and equipment use. **[Revised 09/01/09]**
- b. Repair of tires unrelated to Damage occurring during Motor Carrier's possession is the sole responsibility of the Provider, based on prevailing reasonable and customary repair costs and equipment use. **[Revised 09/01/09]**
- c. Photographic evidence shall be used for tire repair responsibility assignment. Photos of the tire will be produced by the road service provider based upon the stipulated

criteria set forth in the Supplement to Exhibit C, Tire Marking and Photo Requirements of the UIIA. **[Added 08/01/18]**

- d. A Provider cannot require the Motor Carrier to return the physical carcass of a tire. **[Added 08/01/18]**

- a. Motor Carrier shall return Equipment in a clean condition with all dunnage, bracing, contaminants and debris removed and the floor swept. This provision is only applicable to the Provider of the Container. **[Revised 05/01/20]**

6. Free Days, Per Diem, Container Use, Chassis Use/Rental and/or Storage/Ocean Demurrage Charges

- a. Interchange of Equipment is on a compensation basis. Provider may permit some period of uncompensated use and thereafter impose Per Diem, Container Use, Chassis Use/Rental and/or Storage/Ocean Demurrage charges, as set forth in its Addendum. **[Revised 01/17/12]**
- b. Motor Carrier shall be responsible for Per Diem, Container Use, Chassis Use/Rental and/or Storage/Ocean Demurrage charges set forth in the Addenda. **[Revised 01/17/12]**
- c. Provider shall invoice Motor Carrier for Per Diem, Container Use, Chassis Use/Rental and/or Storage/Ocean Demurrage charges within sixty (60) days from the date on which Equipment was returned to Provider by Motor Carrier. If Motor Carrier is not invoiced within the established timeframe, the right of the Provider to recover such charges will be lost. **[Revised 01/17/12]**

Should Provider invoice the incorrect party, Provider may invoice the interchanging Motor Carrier within thirty (30) days from the date the incorrect party disputes the charges with Provider or within the original sixty (60) day deadline, whichever is later. The preceding sentence only applies as long as the Provider issues such invoice to the interchanging Motor Carrier within ninety (90) days from the date on which Equipment was returned. **[Added 01/01/17]**

- d. Notwithstanding anything to the contrary in this Agreement, when a Motor Carrier disputes a Per Diem invoice on the basis that the amount due is **greater** than the amount that would otherwise be due under a separate third party agreement, the Motor Carrier must provide documentation supporting this claim, and the Provider shall not suspend the Motor Carrier's interchange privileges until the discrepancy has been resolved by the Provider. **[Revised 05/01/20]**
- e. Provider shall provide the Motor Carrier documentation as is reasonably necessary to support its invoice.
- f. Motor Carrier shall respond in writing to Provider's invoices within thirty (30) days, documenting with appropriate evidence its disagreement with any of Provider's invoices it believes to be incorrect.
- g. Motor Carrier will participate in good faith in Provider's established method of dispute resolution, as set forth in its Addendum.

**EXHIBIT D TO THE UIIA  
BINDING ARBITRATION PROCESS GUIDELINES  
(Added to UIIA on 8/1/08)  
(Last Revised 04/23/21)**

1. This process is applicable for disputed transactions relating to Per Diem, maintenance and repair or Equipment use/rental charges between Providers and Users (Motor Carriers) of Equipment who are signatories to the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA). **[Revised 05/01/17]**
2. Disputes handled under the arbitration process will be mandatory and binding upon the Parties. The arbitration process will be administered exclusively by IANA. **[Revised 04/14/11]**
3. A two-member arbitration panel will be appointed by IANA to handle disputed invoices submitted for arbitration. The panel will consist of one IIEC member from each mode involved in the dispute. In the event that the arbitrators from the involved modes cannot agree on a resolution of this dispute, a decision will be rendered by a majority of a senior panel consisting of the longest tenured IIEC member or alternate from each mode, as determined by the Chairperson. **[Revised 09/16/17]**
4. Members of the arbitration panels will serve on a voluntary basis without compensation, and for a period of one year. To qualify as an arbitrator the individual must have five years' operating experience involving such matters as gate interchanges, the yard procedures associated with vessels and trains, loading and unloading operations, the operations of marine and rail container yards, the receiving and delivery of containers, and/or with road equipment.
5. Disputes must be submitted to IANA in writing and in accordance with Section H.1. and must be accompanied by a filing fee made payable to IANA to cover the costs of the administration of the arbitration process. **[Revised 04/14/11]**
6. Disputes must be confined to charges arising from Per Diem, maintenance and repair or Equipment use/rental charges. There will be no limitation on the financial amount in controversy. The number of disputed invoices that may be consolidated under a single arbitration claim is limited to five (5) provided that they involve the same or related charges or unlimited if they involve identical facts and argument based on UIIA language. **[Revised 05/01/17]**
7. The arbitration process will be initiated by the Invoiced Party or the Invoicing Party (Moving Party) by the filing of: a Notice of Intent to Seek Arbitration and information and arguments supporting the dispute including evidence that the applicable dispute resolution process had been followed, as set forth under Section H.1. Such Notice and required information may be submitted to IANA by e-mail, facsimile, or overnight mail. Failure of the Moving Party to submit the required documentation as outlined above will result in the claim(s) being rejected. **[Revised 08/26/13]**
8. IANA will review the Notice of Intent to Seek Arbitration and the required information and arguments. If IANA determines that the submitted claim (s) has already been addressed and resolved in a prior arbitration case, the claim (s) will be dismissed and the precedent in the former proceeding will be sent to the Moving and Responding Parties. The decision from the former proceeding will apply to the current claim(s).  
  
The Moving and/or Responding Parties will then have 10 days to provide additional information on why either the precedent does not apply to its claim or why the precedent is in conflict with the language of the Agreement, upon which IANA will commence the arbitration process. **[Revised 08/26/13]**
9. The arbitration process will be commenced by IANA's transmittal of the Notice of Intent to Seek Arbitration and the required information and arguments to the appropriate individual in the Invoicing Party or Invoiced Party (Responding Party) organization designated to receive such Notice and information. The Responding Party will have 15 calendar days from the date of transmittal of the arbitration documents from IANA to respond. Upon receipt of the Responding

## Exhibit D of the UIIA (continued)

- Party's documents, a copy will be provided to the Moving Party. Upon receipt of the Responding Party's initial response, the Moving Party will have five (5) business days to submit any additional comments. Such comments will be provided to the Responding Party, and the Responding Party will have five (5) business days to provide a final response. A copy of the Responding Party's final response will be provided to the Moving Party, after which, no further comments will be accepted unless additional information is requested by the arbitration panel in accordance with Section D.11. The complete record will then be transmitted by IANA to the arbitrators. Failure of either Party to submit comments or information pursuant to the timelines above will not preclude the claim from being forwarded to the arbitration panel for review and determination. **[Revised 04/23/21]**
10. The arbitration panel will have 45 days from the date the information and arguments submitted by the Parties are sent by IANA to render a written decision indicating the basis for its conclusions. Arbitrators have broad discretion, and their findings will address the validity of the claims and the Party responsible for payment or satisfaction thereof. The determinations are to be based solely on the specific facts and circumstances associated with the claim, the documentation provided by the Parties, the rules in the UIIA and the rules and charges in the Provider's Addendum. **[Revised 04/23/21]**
  11. If during an arbitration panel's deliberations, it appears that further clarification or explanation is needed from a Party or the Parties, the panel may request that IANA obtain such additional information from the Parties via e-mail. The Party to whom the panel's request is directed will have five (5) business days to respond. Upon receipt of the response, any additional information will be forwarded to the other Party, and that Party will have (5) business days to provide additional comments, after which no further comments will be accepted, and IANA will transmit the information submitted by both Parties to the arbitration panel. Requests for additional information may extend the arbitration panel's decision for up to ten (10) business days. **[Revised 04/23/21]**
  12. The decision of the arbitration panel will be transmitted to IANA which will, in turn, forward the decision to the Parties by e-mail, facsimile, or overnight mail. The decision of the arbitration panel is final and no appeal is permitted.
  13. If any part of an invoice submitted for arbitration is not disputed that part must be timely paid and cannot be withheld during the arbitration process. In response to the arbitration panel's decision, order of reimbursement, payment or cancellation of the invoice must occur within 15 days from the date of receipt of the arbitrators' decision. **[Revised 05/12/10]**
  14. The cost of the filing fee is assessed against the Party against whom the arbitrators' decision is rendered. Should the filing fee have been paid by the prevailing party, it is entitled to reimbursement by the losing party.
  15. Once the arbitration process has been initiated, no suspension, cancellation, termination or any type of interruption of the Motor Carrier's interchange privileges for the disputed claims may occur. The Provider and Motor Carrier, nevertheless, retain all their rights and remedies for the enforcement of the binding arbitration decision. **[Revised 04/14/11]**
  16. Initiation of the arbitration process by a Motor Carrier does not preclude a Provider from suspending, cancelling, or terminating the interchange privileges of this Motor Carrier for reasons not related to the subject of the disputed claim and that are governed by the provisions of the UIIA and/or the Provider's Addendum. **[Revised 09/01/09]**
  17. Invoices submitted for arbitration must arise on or after the announced effective date of the implementation of the program, which is August 1, 2008. **[Revised 04/14/11]**
  18. Except for the decision by the arbitration panel, all documents, including e-mails, and oral and written communications generated under the Binding Arbitration Process and/or submitted by the Invoicing Party and Invoiced Party are confidential, and will not be released by IANA to any other person without the express written consent of all Parties to the arbitration. **[Revised 04/14/11]**

## UIIA Addenda Template

Listed below is the universe of economic issues that the Intermodal Interchange Executive Committee has approved for inclusion in each participating Provider's Addendum to the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA).

Providers who subscribe to this Agreement will utilize this template in creating their individual Addenda. They are not required, nor are they expected, to utilize every component listed below in creating their proprietary Addendum. For example, certain of the Addendum template provisions are more germane to rail-truck Interchange than water carrier-truck Interchange, and vice-versa.

The Parties may not use this Addendum to obviate or undermine the intent of the Agreement. For example, the Agreement contemplates certain reimbursements for the cost of repairs. The Parties may agree to limit the potential cost of those repairs, but such limitations may not be so restrictive that they would virtually eliminate responsibility for reimbursement.

It will be impermissible for Provider Agreement subscribers unilaterally to add other provisions to their individual Addendum to this Agreement. Requests for addition(s) to the universe of economic issues that can be utilized in an Addendum to this Agreement shall be submitted to the Intermodal Interchange Executive Committee for consideration as set forth in Part II, Implementation, Review, Interpretation and Modification Procedures.

## Quick Reference for Insurance Agents For Completing and Providing the Required Insurance Information for the UIIA

In order to assist you with preparing the necessary insurance information for your insured to participate in the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA), we have outlined the information that must be submitted online through the UIIA application on behalf of your insured:

**PLEASE NOTE EFFECTIVE OCTOBER 1, 2016, ALL INSURANCE IS REQUIRED TO BE SUBMITTED ONLINE THROUGH THE UIIA APPLICATION. ALL AGENTS MUST BE REGISTERED AS AN AUTHORIZED USER TO SUBMIT INSURANCE ONLINE.**

**IN OUR EFFORTS TO GO PAPERLESS, EFFECTIVE OCTOBER 5, 2020, IANA WILL NO LONGER ACCEPT INSURANCE DOCUMENTATION SENT VIA U.S. MAIL.**

1. Insurance Agents are required to go to [Online Insurance Registration](#) to register as an agent to submit insurance on-line.
2. The online certificate of insurance must contain the following coverage(s) and limits: (See [Form 5A — Explanation](#) and [Sample UIIA Acord 22 Certificate](#) – Note that all limits for Equipment Providers outlined in these instructions are shown in US Funds. If providing limits in Canadian Funds, they should be equivalent to the limits shown in US Funds.)
  - [General Liability](#) with a limit of \$1 million per occurrence.
  - [Auto Liability](#) with a CSL (combined single limit) of \$1 million Auto Policy must be marked as either an “ANY AUTO”, “SCHEDULED AND HIRED” or “ALL OWNED and HIRED” policy. We **cannot accept** just a “ALL OWNED AUTO” or a “SCHEDULED ONLY” auto policy.
  - \*[Cargo Insurance](#) with a limit per vehicle shown and deductibles if applicable.
  - \*[Trailer Interchange](#) Coverage with a limit per trailer shown and deductible if applicable. This is to cover physical damage to non-owned equipment while in the care, custody and control of your insured.
  - [Workers Compensation and Employer’s Liability](#) (if applicable). If your insured is doing business with the railroads this coverage will need to be provided. If the insured is exempted from having to carry workers compensation coverage, the insured can supply the UIIA office with an exemption statement stating the reason why they are exempt from this coverage. This signed statement can be scanned and emailed to the UIIA office at: [UIIA@Intermodal.org](mailto:UIIA@Intermodal.org) or it can be faxed to: (301)982-3414.

**\*NOTE: Limits for Cargo and Trailer Interchange will vary depending on the specific Equipment Providers that your insured is going to do business with. See (Form 5B) to see a list of Equipment Providers along with the limits of insurance they require.**

**Please note that Section F.6. of the UIIA requires that the Motor Carrier's insurance policies provide a thirty (30) advance notice of any cancellation of the insurance policies provided unless cancellation is a result of non-payment in which ten (10) days notification is required. This is a contractual obligation of your insured as a signatory to the UIIA so insurance information provided to the UIIA must be endorsed to provide such coverage.**

3. The Truckers Uniform Intermodal Interchange Endorsement ([UIIE-1](#) or [CA23-17](#)) must be made part of your insured's Auto Liability Policy. **On the UIIA Acord 22 certificate online, you must check the box next to the language under the description of operations confirming this endorsement is part of the auto policy.**
4. The Equipment Providers that your insured is going to do business with will need to be named additional insured on the appropriate policies. Your insured should have completed their online Providers list or they could have provided you with the [Equipment Provider Checklist \(Form 5C\)](#). This list should have all the Providers marked off of whom they do business. An authorized representative of the insurance agency or company will need this list when doing their online submission of the insurance on behalf of their insured. **In addition, on the online UIIA Acord 22 certificate you will need to check the box next to the language pre-printed under the description of operations confirming the companies on the list are additional insured on the appropriate policies. Alternatively, you can check the box that indicates the policy(ies) being provided have blanket additional insured coverage.**
5. If you provide an umbrella/excess policy, you must specify on the certificate what coverages are covered under this umbrella/excess policy **(Example: auto, general and etc.)**.
6. The National Association of Insurance Commissioners (NAIC) numbers need to be shown on the online Acord certificate for all insurance companies providing coverage. These NAIC numbers and rating of the insurance company should automatically populate when typing in the insurance companies company name, or you can obtain this information from the "Best Key Rating Guide."
7. All applicable exclusionary endorsements that result in limiting or restricting the policies being provided should be noted on the online Acord 101 by clicking on the link to access the ACORD 101 available in the description of operations at the bottom of your online accord 22 certificate, and then sending these endorsements via e-mail to [uiia@intermodal.org](mailto:uiia@intermodal.org).

**Only *ONE* certificate of insurance with the information listed above needs to be submitted online. WE *DO NOT* NEED SEPARATE CERTIFICATES TO BE SUBMITTED FOR EACH EQUIPMENT PROVIDER THAT YOUR INSURED IS DOING BUSINESS WITH.**

## **UIIA Insurance Renewals – Expiration of Policies:**

The UIIA system is setup to expire insurance policies at 12:01 a.m. of the day of the expiration date which often causes confusion with the Motor Carriers thinking they have coverage until 11:59 p.m. on the expiration date, but in fact the policy expires on the first minute of that day. Therefore, Motor Carriers need to have their insurance renewal policies sent to our office prior to the expiration date.

In addition, insurance agents should ensure that the effective date of a policy is concurrent with the expiration date of the policy expiring so that there is no lapse between the expiring and renewal/new policy. (i.e. A policy expires 2/1/2024 should have a renewal policy with effective date of 2/1/2024, not 2/2/2024.)

**To become an authorized agent to submit insurance online to the UIIA, you will need to do the following:**

1. Go to the [Register for Online Insurance Submission](#) page & click on Insurance *Agent Registration Page*.
2. Complete the registration page & then sign your registration form & email it to our office at: [UIIA@Intermodal.org](mailto:UIIA@Intermodal.org)
3. You will need to request from your insured their SCAC Code and Insurance Agent Code. You will need this information the first time you submit insurance information on behalf of your insured.

**YOU ARE NOT REQUIRED TO MAIL OR EMAIL A COPY OF THE CERTIFICATE TO THE UIIA OFFICE WHEN THE CERTIFICATE HAS BEEN APPLIED ON-LINE.**
