

STEVEN G. AVEY AWARD

Dear Colleague:

Each year AMCP Foundation considers nominations for the prestigious Steven G. Avey Award. This award recognizes individuals for their distinguished contributions to managed care pharmacy.

Previous recipients have had long and outstanding careers, and in many instances, pioneered the practices that today define managed care pharmacy. The award will be presented during AMCP 2023 in San Antonio, Texas, March 21–24.

The Awards Committee is seeking nominations of individuals who have shown extraordinary leadership, vision and dedication to managed care pharmacy. If you know of someone who should be considered, we encourage you to complete a nomination form and submit it by **Monday, October 31, 2022**. It is possible that one of your mentors or a deeply respected colleague might be the next recipient of this prestigious award.

Thank you for your consideration.

Sincerely,

Matthew W. Hurlburt, MHA
AMCP Foundation President

Annesha White, PharmD, MS, PhD
*AMCP Foundation Vice President & Chair,
Steven G. Avey Award Committee*
