

Network Notification

Notice Date: July 30, 2018
To: Ohio Health Partners
From: CareSource®
Subject: Clarification of Indiana Network Closure Communication

At CareSource, our partnership with you is our priority. In an effort to maintain straightforward communication, we wanted to clarify a recent mailing discrepancy.

In a recent mailing announcing the closure of certain specialties and provider types for Indiana Hoosier Healthwise/Healthy Indiana Plan, there were inaccuracies in our mailing list. As a result, CareSource sent the announcement to providers who are not impacted by the network closure.

If you have not seen any Hoosier Healthwise/Healthy Indiana Plan CareSource members, please disregard the network closure notice. No action is required on your part. We apologize for any confusion this letter may have caused. HIP and Hoosier Healthwise providers with the following specialties are unaffected by this change. Provider types and specialties not listed are subject to the closed network:

- Dental
- Oral surgery
- Orthodontics
- Intervention radiology
- Dialysis
- Dermatology

Thank you for serving our members. If you have any questions, please do not hesitate to reach out to us by calling **1-800-488-0134** (Medicaid, MyCare and Marketplace) or **1-844-679-7865** (Medicare Advantage).
