

# NETWORK *Notification*

**Notice Date:** January 8, 2021  
**To:** All Providers  
**From:** CareSource  
**Subject:** Elective Transplant Process Change  
**Effective Date:** September 28, 2020

---

## **Summary**

Effective Sept. 28, 2020, all transplant requests are to be sent to the elective transplant mailbox.

Email address: [electivetransplant@caresource.com](mailto:electivetransplant@caresource.com)

## **Impact**

This will only impact the method of which our Providers are to submit transplant requests. This change will also allow increased visibility into transplant requests, thus improving overall member care.

## **Questions?**
