**Subject: MyCare Coordination of Benefits (COB) Change**

---

CareSource has revised its MyCare COB claims processing methodology to be consistent with the new Ohio Department of Medicaid's policy that is effective for claims with a date of service on or after January 1, 2016.

For claims with a date of service effective January 1, 2016, CareSource will consider up to 100% of the Medicaid maximum allowable, less what Medicare and/or all other primary insurers paid. At this time, the modification in the COB methodology does **not** apply to Dialysis Centers and Ambulatory Surgery Centers, providing care to MyCare members. All other providers and facilities are subject to this change.

If you have questions, please contact Provider Services at 1-800-488-0134, Monday through Friday, 8a.m. to 6p.m., or your Health Partner Representative.

Thank you for all you do every day to serve our members.
