To: Ohio Medicaid Providers
From: CareSource
Subject: Enhanced Services
Effective Date: November 20, 2020

Summary

Did you know that CareSource has been offering transportation to food resources to help address the impacts of COVID-19? CareSource understands that access to food is a fundamental right of every human, and essential for a person's overall health and well-being. Therefore, in addition to the transportation benefit that is currently being offered to medical appointments, pharmacy, etc. CareSource is now offering trips to the following:

- Food pantry
- Food bank
- Grocery store curbside pick-up

We greatly appreciate your partnership!

Questions?

For more information on this benefit, or to assist our members in scheduling a trip to a food resource, please contact CareSource Member Services at 1-800-488-0134 (TTY: 1-800-750-0750 or 711). Together we can spread the word and increase access to food.
