Notice Date: March 18, 2022
To: Ohio Medicaid Providers
From: CareSource
Subject: Maternal and Infant Support Program (MISP) update
Effective Date: April 1, 2022

Summary

Currently, Ohio Medicaid mothers lose Medicaid eligibility at day 60 postpartum. As of April 01, 2022, newly-delivered mothers will receive Ohio Medicaid coverage for a full 12-months following delivery.

Impact

This change highlights the importance of health care beyond the immediate postpartum period which may result in a reduction of maternal and infant mortality rates.

Importance

The extension allows for uninterrupted care with wrap-around services for a full year postpartum.
