

## **Network Notification**

**Notice Date:** March 27, 2020  
**To:** Ohio Medicaid and Marketplace Providers  
**From:** CareSource  
**Subject:** Site of Care for Drug Administration  
**Effective Date:** April 1, 2020

---

### **Summary**

On February 1, 2020, as part of CareSource's monthly Policy Updates, two policies were listed to take effect on April 1, 2020, with regard to site of care for drug administration (PAD-0017-OH-MCD for Medicaid, and PAD-0020-OH-MPP for Marketplace). This notice is to inform providers that the policies have not been implemented in Ohio for Medicaid and Marketplace.

Until further notice, providers should reference the applicable CareSource prior authorization policy for clarification on the appropriate location for drug administration.

### **Impact**

The aforementioned policies governing sites of care for infusion services will not be implemented in the Ohio market for Medicaid and Marketplace.

### **Importance**

Of particular importance, outpatient cancer drugs are excluded from the requirement to redirect to non-hospital outpatient sites.
