

Network Notification

Notice Date: February 19, 2020
To: CareSource Providers
From: CareSource
Subject: Annual Notice of Requirements

Summary

CareSource providers are monitored on an ongoing basis to ensure continued compliance with participation and provider agreement requirements. This notification is to bring to your attention to important participation requirements as well as to highlight important operational and administrative-related activities. Please access the annual notification of requirements document [here](#).

Impact

CareSource is required to initiate action in the event that these requirements are not satisfied. Our goal with this notification is to help improve your experience by providing you with the appropriate process updates in response to your inquiries.

Questions?

Please refer to our provider manual at **CareSource.com** > Provider > [Provider Manual](#) and the provider agreement for detailed information.
