

NETWORK *Notification*

Notice Date: December 15, 2021
To: Ohio Medicaid Providers
From: CareSource
Subject: UPDATE: Continuous Glucose Monitor (CGM) Medical Benefit Change
Effective Date: December 15, 2021

Summary

CareSource is dedicated to partnering with you in the most effective way to manage our members' care. We routinely review products available on the pharmacy benefit and encourage you to actively work with your CareSource patients in communicating this change for continuous glucose monitors (CGM) as we continue to work to expand access.

CareSource made an announcement on November 15, 2021, indicating CGM will only be covered through the pharmacy benefit effective December 15, 2021. That notification is being rescinded. Effective December 15, 2021, CareSource will be extending the allowance of CGM billing through the DME channel until further notice. Pharmacy benefit billing will still be permitted as planned effective December 15, 2021.

The CGM policy can be found [here](#).

Impact

All CareSource Ohio Medicaid members currently receiving CGM supplies through the medical benefit

Questions?

For any questions, please contact CareSource's Provider Services at **1-800-488-0134**, Monday through Friday, 8 a.m. to 6 p.m. Eastern Time (ET).
