Subject: Updated Health Partner Dental Handbook Now Online

- [Dental Handbook](#) – a new version of the dental handbook is now available on our website. The dental handbook is intended to be a great resource for you and a helpful link between your office and CareSource.
 - NOTE to CareSource Just4Me™ Dental Health Partners – A [Dental Quick Reference Guide](#) is available now at the [Ohio Just4Me Provider Resource page](#). Please refer to this guide as a resource for information.
- [Dental Forms](#) – dental forms found in the updated handbook are also available online individually at the Forms page found on the OH Provider Website.
- [Educational Power Point Presentation](#) – this presentation about our updated orthodontic policy is now available on our website.
- Updates to orthodontic policy will be effective 3/5/2015.
- REMINDER: All radiographs, submitted to CareSource for review, shall be of diagnostic quality, clearly focused, clearly readable, free from defect for the area of the mouth on which the radiograph was performed and properly mounted.

CareSource routinely posts updates and useful resources for our health partners at our website. Please make a point of regularly checking the [Provider information at CareSource.com](#).
