Hi Catherine,

Los Angeles County Employees' Retirement Association is seeking proposals from managers of Private Credit strategies. See below for additional details.

Sub-Asset Class: PC Fund of Funds
Amount: \$750,000,000
RFP Deadline: 12/10/2021

Description: The Los Angeles County Employees Retirement Association ("LACERA") is requesting proposals from qualified firms interested in providing separate account portfolio construction services for a portfolio of emerging illiquid credit managers. A separate account manager would source, conduct due diligence on, and manage a portfolio of emerging managers. The specific services requested are further described below as scope of work and in the Request for Proposal document.
