

2023 CyberTipline Reports by State

While the majority of the cases submitted to the CyberTipline resolve outside of the United States, more than one million reports made in 2023 resolved to a U.S. state, Washington, D.C., Puerto Rico or other U.S. territory.

CyberTipline reports resolving to the U.S. are made available to Internet Crimes Against Children task forces, state and local law enforcement, or U.S. federal law enforcement. When the state is unknown, the reports are made available to federal law enforcement in the U.S.
