Notice regarding Commencement of Repayments in Bitcoin and Bitcoin Cash

The Rehabilitation Trustee has been preparing to make repayments in Bitcoin and Bitcoin Cash under the Rehabilitation Plan.

Now that these preparations are in place, the Rehabilitation Trustee will commence the repayments in Bitcoin and Bitcoin Cash in due course to the cryptocurrency exchanges with which the Rehabilitation Trustee has completed the exchange and confirmation of the required information for implementing the repayments. The repayments will be made from the beginning of July 2024.

We have taken time to ensure safe and reliable repayment to creditors, including technical remedies for safe repayments, compliance with financial regulations in each country, and discussion of repayment arrangements with the cryptocurrency exchanges. We will commence the repayments in the order of the cryptocurrency exchanges with which the Rehabilitation Trustee will complete the exchange and confirmation of the required information. Please wait for a while until the repayments are made.
