Dividend Announcement

The ordinary shareholders' meeting on May 3, 2007, resolved to use the unappropriated net income of EUR 3,160,382,630.24 from the 2006 financial year as follows:

Dividend payments amounting to EUR 3,123,786,934.08; this corresponds to EUR 0.72 per individual no par value share carrying dividend rights.

The remaining amount of EUR 36,595,696.16 will be carried forward to the next year. Dividends will be paid out on May 4, 2007, as follows:

Dividends will be paid by Clearstream Banking AG, Frankfurt am Main, via the depository banks, less 20% capital gains tax and 5.5% solidarity surcharge on the capital gains tax (a total of 21.10%). The capital gains tax and the solidarity surcharge are offset against the income tax or corporate income tax paid by domestic shareholders who are not exempt from these taxes.

The deduction of capital gains tax and the solidarity surcharge on the capital gains tax does not apply to shareholders who have submitted to their depository banks a nonassessment note from the tax authorities. In such cases, the tax credit is also refunded by the paying bank. The same applies in toto or in part to shareholders who have submitted to their depository banks an exemption order as long as the amount of the exemption specified in the order has not been used up by other capital gains.
