

# Information about receipt confirmation for votes submitted by means of electronic communications

According to § 118 (2) sentence 2 in conjunction with § 118 (1) sentence 3 of the German Stock Corporation Act (*Aktiengesetz, AktG*), when postal/online votes are submitted by means of electronic communications, the Company must confirm receipt of the votes to the voter electronically in accordance with the requirements of Article 7 (1) and Article 9 (5) sub-section 1 of Commission Implementing Regulation (EU) 2018/1212. When postal votes are submitted via the password-protected Internet Dialog on the website [www.telekom.com/hv-service](http://www.telekom.com/hv-service), voters are given a suitable receipt after submission of their postal/online votes, which they can download and/or print out. When postal/online votes are submitted via e-mail under the e-mail address [hv-service@telekom.de](mailto:hv-service@telekom.de), the voter receives a reply e-mail with a corresponding confirmation; the reply e-mail is dispatched immediately after receipt and system processing of the postal/online votes.
